8-Semester Plan

## Sociology B.A.

## Eight-Semester Degree Program

Students wishing to follow the eight-semester degree plan should see the [Eight-Semester Degree Policy](#) in the Academic Regulations chapter for university requirements of the program. Core requirement hours may vary by individual, based on placement and previous credit granted. Once all core requirements are met, students may substitute a three-hour (or more) general elective in place of a core area.

Description and justification of the request

Description of specific change	Justification for this change
Added MATH 1313 to list of MATH options to 8-semester degree plan.	The state of Arkansas is working on developing new pathways for students to get their mathematics training. There has been a recent push to diversify the pathways by which students can meet their basic degree requirements in Mathematics.
