Program Requirements and Description

Requirements

In addition to the general requirements for the D.N.P., the following courses are required to complete the Family Nurse Practitioner concentration. At least three campus visits are required for program orientation, skills acquisition, and dissemination of scholarly work.

Requirements for Family Nurse Practitioner Concentration

<u>NURS 5483</u>	Common Problems in Primary Care	3
<u>NURS 5495</u>	Common Problems in Primary Care Clinical Practicum	5

<u>NURS 5543</u>	Primary Care of Children	3
<u>NURS 5683</u>	Primary Care of Children Clinical Practicum	3
<u>NURS 5873</u>	Complex Problems in Primary Care	3
<u>NURS 5884</u>	Complex Problems in Primary Care Clinical Practicum	4
General Requirements for B.S.N. to D.N.P. Students		
A total of 79 hours is required for the Doctor of Nursing Practice		
NURS-5003	Theoretical and Scientific Foundations for Nursing Practice	3
NURS-5033	Scientific Foundations and Role Development in Advanced Practice Nursing	3
NURS-5043	Concepts of Health Promotion Within Diverse Populations	3
NURS-5053	Evidence-Based Practice and Innovation in Nursing	3
<u>NURS-5102</u>	Course NURS-5102 Not Found	2
<u>NURS-5111</u>	Course NURS-5111 Not Found	1
NURS-5123	Pharmacotherapeutics	3
NURS-5143	Advanced Pathophysiology	3
NURS-5272	Clinical Practicum: Interpretive Diagnostic Reasoning	2
NURS-5454	Chronic Health Problems in Adult and Gerontology Populations Clinical Practicum	4
NURS-599V	Seminar	1

Are Similar Programs available in the area?

Yes ~~No~~

List institutions in
Arkansas offering
similar programs

Currently, in Arkansas, ASU, UCA, and UAMS offer CCNE-accredited DNP programs; one program in Oklahoma, and two in Tennessee offer the DNP. Arkansas has no ACEN-accredited DNP programs.

List institutions in the
surrounding region
offering similar
programs

Currently, programs in the following states offer CCNE-accredited DNP programs: Tennessee (8), Missouri (7), Oklahoma (1), Kansas (4). There are two ACEN-accredited programs offered in Tennessee, and one in Oklahoma.

List institutions in the
nation offering
similar programs

Currently, there are approximately 280 CCNE-accredited DNP programs offered in the United States. There are currently 11 ACEN-accredited DNP programs nationally.

Why is the Program needed if offered at other institutions?

DNP programs differ in scope. While other programs in the state offer preparation for advanced practice nurses at the master’s level, we are only one of two institutions in the state to offer a post-BSN program of study that will lead to the DNP degree with preparation as an advanced practice nurse. The program also affords MSN-prepared nurse practitioners opportunity to pursue the DNP regardless of area of specialty. Many DNP programs offer only the MSN-DNP option. Furthermore, numerous programs are offered online; however, many are not.

Estimated Student Demand for Program **20 NA**

Description and justification of the request

Description of specific change	Justification for this change
Added NURS 5483 Common Problems in Primary Care	Course has been submitted for approval. Re-alignment of course work to more accurately reflect progression in program and to align with DNP Essentials, ANCC, and NONPF guidelines for the FNP. This course replaces diagnostic reasoning with more relevant material that is needed for board certification for the FNP. Course has been submitted for approval.
Added NURS 5495 Common Problems in Primary Care Clinical Practicum	Course has been submitted for approval. Re-alignment of course work to more accurately reflect progression in program and to align with DNP Essentials, ANCC, and NONPF guidelines for the FNP. This course replaces diagnostic reasoning with more relevant material that is needed for board certification for the FNP. Course has been submitted for approval.

Description of specific change	Justification for this change
Eliminated NURS 5003 Theoretical and Scientific Foundations for Nursing Practice	Some course content not current; relevant content will be incorporated into existing courses as appropriate. This will optimize applicability of theory to specific content areas.
NURS 5102 Advanced Health Assessment and Diagnostic Reasoning decreased to one credit hour (will be NURS 5101)	To more equitably distribute clinical hours in relation to didactic hours. Content in course does not change, but students will have additional clinical time to apply concepts.
NURS 5111 Advanced Health Assessment and Diagnostic Reasoning Clinical Practicum increased to two credit hours (will be NURS 5112)	To more equitably distribute clinical hours in relation to didactic hours. Content in course does not change, but clinical hours are increased from 45 to 90 hours.
Eliminated NURS 5272 Clinical Practicum: Interpretive Diagnostic Reasoning	The addition of NURS 5332 and 5434 more appropriately incorporates and aligns essential content.
Moved the section titled "General Requirements for BSN to DNP students" to the generic NURSDP CIM block.	To better organize the content on Courseleaf and separate requirements for all DNP students versus for a specific concentration.

Reviewer Comments

Ketevan Mamiseishvili (kmamisei) (12/18/17 9:17 am): Rollback: Please check the General Requirements for B.S.N. to D.N.P. Students. Should these requirements be the same for both concentrations (Family Nurse and Adult Gerontology)?

Alice Griffin (agriffin) (01/11/18 2:31 pm): Rollback: Please review program requirements and match them with the LON curriculum.

Alice Griffin (agriffin) (01/17/18 3:03 pm): A reconfiguration of the NURSDP program includes major requirements, as well as changes to the concentrations for Family Nurse Practitioner and Adult-Gerontology Acute Care Nurse Practitioner. All three program roles will be submitted for approval and include the same documentation. In addition, a request to delete the

concentration in Adult-Geriatric Clinical Nurse Specialist is included. Inserted approval dates into LON 5 and renamed document to match BOT naming convention.
