Program Requirements and Description

Requirements

Stage II: Admission to the Elementary Licensure B.S.E. (ELEL)

Admission to the Elementary Licensure Program is competitive and occurs after completion of all Pre-Elementary Education requirements and prior to the beginning of the **spring fall**-semester of the **sophomore junior**-year. Not all applicants who meet the minimum requirements will be admitted to the program.

Applications to the Elementary Licensure (ELEL) program must be submitted by **September 15. January 30:** ~~At this point, applicants must decide which program option they will follow: either CHED B.S.E. leading to M.A.T. option or ELEL B.S.E. licensure option. Both of these options are described on the application which can be found on the College of Education and Health Professions website.~~ The application process includes:

Submission of the application to teacher education (see the [Teacher Education Application Fee](#)) through the university-wide Teacher Education Office.

Submission of Elementary Education application

Submission of transcripts for all coursework

Oral interview with Elementary Education faculty

Submission of Writing Sample

Submission of passing score on Math, Reading, and Writing sections of the Praxis Core Exam **or ACT**

Current background check

Stage III: Requirements for Program Continuation and Student Teaching/Internship

Maintain a cumulative GPA of 3.0 or better

Submission of Internship Application

Passing score on Praxis II, Elementary Education, Multiple Subjects

Successful teaching audition

Submission of letters of recommendation

Maintain a current background check

Earn a CPR card

Passing score on Praxis II, Principles of Learning and Teaching for graduation.

This B.S.E. (4-year) degree includes approximately 9 months of student teaching/internship experience in public elementary schools. Senior-level students must therefore attend full-time.

Requirements for teacher licensure vary from state to state and may differ in teacher preparation programs.

Please note that Arkansas requires all applicants to successfully complete a criminal background check.

Arkansas Teacher Licensure requirements can be found at

<http://arkansased.org/teachers/licensureinitial.html>.

All program courses must have a grade of "C" or better. No teaching methods courses may be taken as self-paced (correspondence) courses. A grade of "B" or better must be earned in both the fall and spring semesters of **CIED 4173 Student Teaching**. ~~CIED 4173 Student Teaching~~.

Learning Outcomes

Learning Outcomes

Learning Outcomes

Student Learning Outcomes (based on the CAEP accreditation standards, COEHP conceptual framework, and Danielson’s Framework for Teaching)

- 1. Knowledgeable about Content and Pedagogy: Candidates will possess general knowledge, content knowledge, pedagogical knowledge, and professional knowledge to be effective pre-service educators. They must know how to access, use and generate knowledge. In order to be current, they must be inquiring and up to date on new knowledge in their content, pedagogy, and school systems.**
- 2. Skillful in Practice: Candidates will be skillful in the pedagogy required to be an effective pre-service educator as demonstrated through planning, implementing, and modeling best practices including best technology practices.**
- 3. Supportive in Developing the Whole Student: Candidates will create a caring learning environment for all students. This will include being caring, supportive, and responsive to the diverse backgrounds students bring to the classroom and school. The ability to communicate and collaborate with groups of colleagues and others who contribute to the student’s education such as families and communities is also essential.**
- 4. Professional in Actions: Candidates will inquire and seek to improve their practice through participation in professional communities. This involves staying current with educational research and working with appropriate professional organizations to better their profession. The candidates will demonstrate ethical behavior in all aspects of their multi-faceted career.**
