Program Requirements and Description

Requirements**Prerequisites to Degree Program**

Enrollments will be limited in upper division professional studies courses in the Childhood Education B.S.E. Program. In addition, the number of students accepted into the M.A.T. Program in Elementary Education will be contingent upon availability of placements with partnership schools. Specific application procedures, screening, and selection criteria are in effect to limit course enrollments and acceptance to the M.A.T. program. Please contact your childhood education program faculty adviser for details regarding the selective admission process. Admission requirements for the M.A.T. degree program for initial certification are as follows:

Completion of an appropriate undergraduate degree program.

Cumulative GPA of 3.00, or 3.00 in the last 60 hours of the baccalaureate degree .

Admission to the Graduate School.

Screening/acceptance into internship, which includes an admission portfolio.

Admission to the Master of Arts in Teaching program.

Successful completion of the required criminal background check. Background check materials must be submitted by May 1st prior to the internship year.

Completion of the pre-education core with a minimum of "C" in all courses.

Completion of all prerequisite courses in teaching field.

Payment of internship fee.

Requirements for the Master of Arts in Teaching Degree

A minimum of 33 hours of course work is required in one of the following concentrations.

Students should also be aware of Graduate School requirements with regard to master's degree.

Program Goals and

Objectives

Program Goals and Objectives

The goals of the program are based on the principles that educators must master knowledge-bases appropriate to their discipline; access and use knowledge; generate knowledge; use and model best practices; approach learning as developmental and life-long; be skillful in interpersonal relations; practice on the basis of professional standards and ethical conduct; and honor diversity. ~~na~~

Learning Outcomes

Learning Outcomes

Student Learning Outcomes (based on the CAEP accreditation standards, COEHP conceptual framework, and Danielson's Framework for Teaching)

- 1. Knowledgeable about Content and Pedagogy: Candidates will possess general knowledge, content knowledge, pedagogical knowledge, and professional knowledge to be effective educators. They must know how to access, use and generate knowledge. In order to be current, they must be inquiring and up to date on new knowledge in their content, pedagogy, and school systems.**
- 2. Skillful in Practice: Candidates will be skillful in the pedagogy required to be an effective educator as demonstrated through planning, implementing, and modeling best practices including best technology practices.**
- 3. Supportive in Developing the Whole Student: Candidates will create a caring learning environment for all students. This will include being caring, supportive, and responsive to the diverse backgrounds students bring to the classroom and school. The ability to communicate and collaborate with groups of colleagues and others who contribute to the student's education such as families and communities is also essential.**
- 4. Professional in Actions: Candidates will inquire and seek to improve their practice through participation in professional communities. This involves staying current with educational research and working with appropriate professional organizations to better their profession. The candidates will demonstrate ethical behavior in all aspects of their multi-faceted career.**
