Total Hours   120

NOTE: The minimum number ~~Student failure to submit to a drug screen, attempting to tamper with, contaminate, or switch a sample will result in the student not being admitted to the nursing program and will be referred to the Dean~~ **of hours required to receive a baccalaureate degree** ~~Students in the Division of Student Affairs~~ **at the University of Arkansas is 120 semester hours.** ~~Arkansas.~~ **The nursing major** ~~A negative drug screen~~ **is exempt from** ~~required within four weeks prior to entrance into~~ **the eight-semester degree plan since the program is admission-based.** ~~nursing program.~~ **There is no guarantee that a student meeting the minimal GPA requirement will be admitted. Please refer to** ~~Procedures for~~ **the College** ~~criminal background check and the drug screen are available on the Eleanor Mann School~~ **of Education and Health Professions** ~~Nursing~~ **website for specific information related to the admission criteria.** ~~.~~

Progression, Withdrawal, and Dismissal

For progression in ~~A positive drug screen will lead to denial of admission to~~ **the nursing program, only grades of "C" or above will be accepted.** ~~program.~~ **Students who make less than a "C" may not progress into courses for which that course is a prerequisite until the course is repeated and the required minimum grade attained.**

If a student earns a "D", "F", or "W" in a course, the course may be repeated. The course must be passed on the second attempt. If a student earns a "D", "F", or "W" in a second course, the student will be dismissed from the program and may not be eligible for re-admission.

~~Proof of the following:CPR certification (American Heart Association Basic Certified Life Support and Automated Emergency Defibrillation CPR for Health Care Providers)Completed Hepatitis B vaccine with dates of each injection or immune titer.Three (3) HBV injections are needed.Students are required to have obtained HBV Injection 1 within two weeks of the beginning of the scheduled semester, followed by Injection 2 in one month, and Injection 3 within six months of Injection 1, in order to enter the clinical setting.If~~ **A student who fails to** ~~obtain~~ **the student does** ~~complete series (3 injections), according to the Centers for Disease Control (CDC) established timeframe, will~~ **not earn a grade of at least "C" upon repeating the nursing course, the student may not enroll** ~~be permitted to participate~~ **in any nursing courses or continue** ~~patient care contact required~~ **in the School of Nursing or be eligible for re-admission.** ~~clinical experiences.~~

The one "D" policy includes only pre-nursing and nursing courses. Independent Study courses are NOT counted in the one "D" policy.

Students who do not pass the medication calculation examination with a 100 percent on the second attempt will be administratively withdrawn from all clinical courses and associated co-requisite didactic courses.

Didactic/Professional Role Implementation Courses

A student who needs ~~Students are required~~ **to repeat a course must make petition to** ~~have obtained HBV Injection 1 within two weeks of~~ **the Student Affairs Committee** ~~beginning of the scheduled semester, followed by Injection 2~~ **in nursing and are encouraged to do so as soon as they are aware of the need to repeat a course.** ~~one month, and Injection 3 within six months of Injection 1, in order to enter the clinical setting.~~

Students will be readmitted on a space-available basis according to the following priority system:

Priority Groups for Placement in Required Clinical Courses

First Priority – Continuing full-time students in good academic standing.

Second Priority – Continuing part-time students in good academic standing

Third Priority – Students repeating a course due to an academic or clinical failure or were administratively withdrawn with a "W" for failing the medication calculation test who were unable to repeat a course for one or more semesters.

Fourth Priority – Students repeating a course due to an academic or clinical failure or were administratively withdrawn with a "W" for failing the medication calculation test who were in the preceding semester.

Spaces in clinical courses are limited and tightly controlled by accreditation, the Arkansas State Board of Nursing, and clinical agency policies. Space in Didactic courses are limited to space available. A student re-enrolling in a Professional Role Implementation Course (whether due to illness, course failure, or other reasons) will not be assured a clinical placement space in subsequent courses.

NOTE: Readmission will not be considered for any student dismissed from the School of Nursing who obtained a "D" or "F" in one (1) nursing course and was unable to make a "C'" or better upon repeating this course. Also, a student dismissed from a Professional Role Implementation Course due to safety, ethical, or dishonesty issues will be administratively withdrawn from a course, and may be subject to administrative withdrawal from the School of Nursing following a full review. Readmission is not guaranteed to these students.

~~Negative Tuberculin skin test or negative T-Spot test, if T-Spot is positive, a chest X-ray must be completed and updated yearly.Diphtheria-Tetanus (DT) required.Varicella required and (any other immunizations that may be required by clinical agencies)MMR required and (any other immunizations that may be required by clinical agencies)Health insurance:Students must submit proof of current coverage.Liability insurance is provided through an established student fee at the University of Arkansas.A criminal background check is required.Results will be reported to the college administration and school officials and any health-care facility in which the students are placed as part of the clinical education.An unsatisfactory background check result may lead to denial of admission to the nursing program.The criminal background check must be completed by prior to the first day of class.A negative drug screen is required within four weeks prior to entrance into the nursing program.~~**Students should note that a flagrant or established pattern of disregard** ~~Results are reported~~ **to** ~~the~~ Eleanor Mann School **of Nursing policies can result in failure of the course and/or dismissal from the program without prior warnings.** ~~of Nursing.~~

Readmission Policies

Any student whose enrollment in the professional program of study has been interrupted may seek readmission following the steps below:

Seek readmission into the University of Arkansas (if applicable).

Complete Readmission Application ~~An unsatisfactory background check result may lead~~ to the School ~~denial~~ of Nursing during the application periods. ~~admission to the nursing program.~~ (Readmission is limited by space availability).

Readmission will not be considered for any student dismissed from the School of Nursing who obtained a "D" or "F" in one (1) nursing course and was unable to make a "C" or better upon repeating this course or who was dismissed from a Professional Role Implementation Course due to safety, ethical, or dishonesty issues. Exceptions to this policy will be considered by the Student Affairs Committee in nursing on an individual basis.

Exit Policies

Students must complete the requirements for the degree within five years of enrolling in the first upper-division nursing course. If the student does not complete the Professional Program of Study within the five-year limit, nursing credits must be reevaluated.

All University of Arkansas requirements must be met.

NOTE: In addition to the program requirements, students must meet the university and college graduation requirements. This curriculum is subject to change to comply with national accreditation and the Arkansas State Board of Nursing Standards.

~~A positive drug screen will lead to denial of admission to the nursing program.Student failure to submit to a drug screen, attempting to tamper with, contaminate, or switch a sample will result in the student not being admitted to the nursing program and will be referred to the Dean of Students in the Division of Student Affairs at the University of Arkansas.Procedures for the criminal background check and the drug screen are available on the Eleanor Mann School of Nursing website .~~

Description and justification of the request

Description of specific change	Justification for this change
Deletion of specific policies that can be found in the student handbook. Clinical requirements can change often. The current Generic program will now have the term Pre-Licensure to reflect more appropriate terminology.	Policies are updated and revised per the student handbook annually. Clinical requirements can change frequently.
Reorganization of catalog copy	Suggested by Provost office

Reviewer Comments

Ketevan Mamiseishvili (kmamisei) (05/21/18 1:45 pm): Rollback: Rollback per Dr. Murray's request.

Alice Griffin (agriffin) (07/17/18 3:31 pm): Used tool bar to insert NURS classes versus linking them to a website. Also changed effective date from fall 2018 to fall 2019.

Alice Griffin (agriffin) (07/17/18 3:32 pm): Had difficulty removing hyperlinked courses. Second attempt.

Alice Griffin (agriffin) (07/17/18 3:33 pm): Third attempt.

Alice Griffin (agriffin) (07/17/18 3:34 pm): And attempted again.

Alice Griffin (agriffin) (07/17/18 3:37 pm): One more attempt.

Terry Martin (tmartin) (10/05/18 9:44 am): Rollback: Rollback requested by Denise Bignar.

Alice Griffin (agriffin) (10/08/18 9:34 am): Rollback: Rolled back per college's request.

Lisa Kulczak (lkulcza) (10/19/18 12:48 pm): Rollback: Also rolling this back.

Ketevan Mamiseishvili (kmamisei) (10/19/18 1:01 pm): Rollback: Revise as recommended by Alice in her e-mail sent on October 19.

Alice Griffin (agriffin) (10/23/18 4:26 pm): NURS 3842 is currently in process of a name change approval. I removed the course with the formal name and inserted the submitted name of the course in program requirements and eight semester plan.

Alice Griffin (agriffin) (10/24/18 10:51 am): Removed Generic from program goals with permission from School/College.

Alice Griffin (agriffin) (10/24/18 11:35 am): Removed program goals and student learning outcomes. They can be found in the NURSBS CIM Block.

Alice Griffin (agriffin) (10/24/18 12:02 pm): Uploading revised copy of LON with input from School.

Alice Griffin (agriffin) (10/25/18 2:44 pm): Revised LON and Outcomes Matrix. Renamed

documents to match BOT naming convention.

Lisa Kulczak (lkulcza) (10/26/18 10:00 am): All courses "not found" in workflow for fall 2019.

Lisa Kulczak (lkulcza) (10/26/18 10:20 am): May need to tweak catalog copy regarding the various options/paths to getting a BSN. These will definitely not be called concentrations going forward, per discussion between NURS, the Provost's Office and Registrar's Office; however, CourseLeaf does not yet provide the appropriate choices to accurately reflect this decision.
