Program Requirements and Description

Requirements

Pre L.P.N. to B.S.N Option (PLNBN)

In line with initiatives of the University and the College of Education and Health Professions, the Eleanor Mann School of Nursing seeks to enhance a diverse academic experience for all students. This results in additional

expertise in providing care to an increasingly diverse patient population. The pre-nursing option for Licensed Practical Nurses provides an online platform for completing the required general education (University Core) and nursing program prerequisite for admission to the school of nursing.

Once admitted to the University, an academic advisor will evaluate the general education requirements (University core and nursing program prerequisites) that the student has already completed. Students interested in the online L.P.N. to B.S.N. program option will be admitted to the University of Arkansas as pre-nursing majors. The academic advisor will assist each student to develop an individualized course progression plan to meet admission requirements to the nursing program.

Program Admission Policies

Step One - General Education Requirements

> Successfully complete all general education requirements (University core and nursing program prerequisites) and maintain good academic standing.

University Core and Pre-Program prerequisites   48

English (Comp 1 & 2) - 6 credits

Mathematics (College Algebra or higher) - 3 credits

Sciences with labs (16 credits) must include:

> Chemistry - 4 credits
>
> Anatomy - 4 credits
>
> Physiology - 4 credits
>
> Microbiology - 4 credits

Fine Arts - 3 credits

Humanities - 3 credits

American History/American Government - 3 credits

Social Sciences - 9 credits

Statistics - 3 credits

Electives - 2 credits

Upon completion of the above courses, the academic advisor will initiate a review for program admission eligibility in conjunction with the department of nursing (see step two). Of the above 48 hours, students must have completed a minimum of 42 credit hours of prerequisites to be permitted to enroll in nursing program courses. Those minimum of 42 hours must include English (6 credits), sciences (16 credits), and core math (3 credits). All University core and nursing program prerequisites must be completed prior to enrolling in the first clinical practicum course. Pre-LPN to BSN online students taking general education courses must maintain a GPA that allows them to remain in good academic standing (minimum of 2.0) with the University of Arkansas in order to enter the nursing program of study.

Reviewer Comments

Lisa Kulczak (lkulcza) (10/22/19 11:04 am): Rollback: Need to adjust reason for proposal to "Adding a new Concentration" so that on-campus workflow is triggered.

Lisa Kulczak (lkulcza) (10/22/19 11:12 am): Admin approval for dean's office; was previously approved but the reason for proposal needed to be modified to trigger correct workflow.

Alice Griffin (agriffin) (10/23/19 11:17 am): Changed scheduled program review date to NA. Preparation CIM blocks will not be reviewed.
