## Description and justification of the request

<b>Description of specific change</b>	<b>Justification for this change</b>
Spelled out the fifth course since it was implied as any GERM elective 3000-level or higher.	Could be confusing for students when only seeing 12 hours listed.
Added the minimum grade requirement.	The major in German requires students to earn a C or better in a class in order for it to count for the major. Because students who are pursuing a minor are taking fewer classes, they should especially be able to show mastery of the course content at the C level or better.
