Description and justification of the request

Description of specific change

Justification for this change

Description of specific change	Justification for this change
<p>The addition of STAT 2303 as an additional option for students to fulfill their MATH/STATS requirement in our program.</p> <p>NEW GEN ED CHANGE 11/08/2019: To address Goal 6 Learning Outcome 6.1 in the General Education Curriculum, we are adding a new requirement to each of the three concentrations in our AGBSBS program. The "Capstone Experience" requirement will consist of two options for students: 1) AGECE 401V - Agribusiness Internship or a new course 2) AGECE 4041 - Agribusiness Capstone. Students can complete either option to fulfill the requirement and meet Learning Outcome 6.1.</p>	<p>For years, we have allowed students to also enroll in STAT 2303 and we would provide course substitutions. At our last faculty meeting, we voted to formally adopt STAT 2303 as an official option. This change has potential impact on the enrollment for STAT 2303. We typically run approximately 50-60 students through our AGECE 2403 each fall semester. We suspect that most of the demand for STAT 2303 would be experienced in the spring semester when we do not traditionally offer AGECE 2403. We currently are offering AGECE 2403 this spring but do not have the resources to continue offering the course by next spring. The current enrollment is 46 students. Our department reached out to the MATH department to inquire about this planned program change and we received positive feedback from Dr. Mark Johnson (email chain attached).</p> <p>NEW GEN ED CHANGE 11/08/2019: the addition of the Capstone Experience requirement allows our program to meet Learning Outcome 6.1 by creating an avenue to better assess our students abilities to synthesize, integrate, and apply knowledge developed in their undergraduate program. Both options in our Capstone Experience will help better assess students in the areas of: written and oral communication, critical thinking, quantitative literacy, and how to apply the core principles of the Agribusiness Program.</p>

Alice Griffin (agriffin) (03/01/19 4:49 pm): Changed elective to electives and changed specialization to concentration electives in the 8 semester plan with permission from submitter.

Lisa Kulczak (lkulcza) (11/08/19 11:37 am): These changes have already been through the workflow approval, but rolling back to submitter so that updates for Gen Ed curriculum can be incorporated.

Lisa Kulczak (lkulcza) (11/08/19 11:37 am): Rollback: These changes have already been through the workflow approval, but rolling back to submitter so that updates for Gen Ed curriculum can be incorporated.

Alice Griffin (agriffin) (11/18/19 2:47 pm): Reformatted program requirements to reflect only the concentration hours. Updated total hours field to reflect 21 hours for the concentration. Revised scheduled program review date to reflect academic year. And changed program goals and learning outcomes to refer to the AGBSBS CIM block.
