Description and justification of the request

Description of specific change	Justification for this change
<ul style="list-style-type: none"> - Add ISYS 1123, Business Application Knowledge to first year, fall semester, 8 semester plan - Delete ISYS 1120, Computer Competency Requirement from first year, fall semester, 8 semester plan - Delete 3 hours of general education elective from third year, spring semester, 8 semester plan - Add US History or Political Science - University Core to third year, spring semester, 8 semester plan - Swap Fine Arts/Humanities - University Core in second year spring semester and Social Science - University Core to second year, fall semester, 8 semester plan 	<p>Pre-assessment exam scores for incoming freshmen over the past several years have been consistently indicating that only 4% of incoming freshmen have sufficient IT competency (coming out of their High School program) for Walton College courses. Therefore, most incoming Walton freshmen are required to take ISYS 1123, Business Application Knowledge in lieu of ISYS 1120, Computer Competency Requirement which currently does not count toward their degree. This change deletes ISYS 1120 as a pre-business requirement and incorporates ISYS 1123 as a pre-business and degree requirement. Additionally, reducing the total number of General Education Electives from 12 hours to 9 hours.</p>

Reviewer Comments

Alice Griffin (agriffin) (01/21/20 12:19 pm): Changed total hours field from 120 to 15 to reflect total hours in concentration.

Alice Griffin (agriffin) (01/21/20 12:27 pm): Changed course to a comment in the eight semester plan for Social Science - University Core and the US Hist/PLSC University Core. This action removed the red box errors. Also changed fall to spring in the description related to the deletion of elective and the US Hist/PLSC University Core. College is encouraged to review these changes.

Lisa Kulczak (lkulcza) (01/22/20 5:32 pm): Switched the answer to "Adding a concentration" from yes to no--concentration already existed and is not new with this proposal.

Alice Griffin (agriffin) (03/30/20 4:13 pm): Changed effective date from fall 2020 to fall 2021. It is too late to complete approval before the catalog deadline.
