Description and Justification for this request

Description of request	Justification for request
A pre-major is being added to the PHEDBS (Teaching K-12 Physical Education and Health) program. Undergraduate students will be required to enroll in the Pre-PHED (Pre-Teaching K-12 Physical Education and Health) and complete the associated courses and maintain a minimum 2.5 GPA prior to being admitted to the PHED major.	PHED students have struggled to complete program pre-requisites and maintain the required GPA prior to enrolling in the upper level teacher education courses. This change will improve the matriculation of students. In addition, it will also streamline the student
