Description and justification of the request

Description of specific change	Justification for this change
CIED 1013 added as alternative to PHED 1003.	Adding CIED 1013 as an alternative to PHED 1003 will provide PHED students with more flexibility in any given semester to complete the introductory course requirement.
Removal of the Praxis 1 requirement.	The state no longer requires students in teacher education programs to take and earn passing scores on the Praxis 1 exam, so the PHED faculty have decided to remove this requirement.
