Graduate School of Business Dismissal Policy

Program Delivery

Method

On Campus

Is this program interdisciplinary?

No

Does this proposal impact any courses from another College/School?

No

Program Requirements and Description

Requirements

Academic Dismissal

Students may be dropped from further study in the Graduate School of Business if, at any time, their performance is considered unsatisfactory as determined by either the program faculty or the Associate Dean for Programs and Research. Academic or research dishonesty or failure to maintain a specified cumulative grade-point average are considered to be unsatisfactory performance. The Graduate School of Business subscribes to and enforces the Academic Integrity Policy of the University of Arkansas.

For all master's students except Master of Business Administration students, the following academic standards apply: Whenever a student has less than a 3.00 cumulative grade-point average on graded course work taken in residence for graduate credit, the student will be placed on academic probation for the following semester and warned of the possibility of academic dismissal. When the student has accumulated a minimum of 12 hours of graded coursework taken in residence for graduate credit with a cumulative grade-point average below 3.00 and has received at least one warning, he/she will be academically dismissed from the Graduate School of Business. A cumulative grade-point average of 3.00 is required to be eligible for graduation. Students may take up to an additional six credit-hours of graduate coursework in an effort to raise the cumulative grade-point average to 3.00. Students who repeat a course to raise their grade must count the repetition toward the maximum of six additional hours. All requirements for a master's degree must be completed within six calendar years.

For students enrolled in the Master of Business Administration degree programs, the following academic standards apply: Whenever a student has less than a 2.85 cumulative grade-point average on graded course work taken in residence for graduate credit, the student will be placed on academic probation for the following semester and warned of the possibility of academic dismissal. When the student has accumulated a minimum of 12 hours of graded coursework taken in residence for graduate credit with a cumulative grade-point average below 2.85 and has received at least one warning, he/she will be academically dismissed from the Graduate School of Business.

For students enrolled in the Master of Business Administration degree programs, a cumulative grade-point average of 2.85 is required to be eligible for graduation. Students may take up to an additional six credit hours of graduate coursework in an effort to raise the cumulative grade-point average to 2.85. Students who repeat a course to raise their grade must count the repetition toward the maximum of six additional hours.

Using its own written procedures, the graduate faculty of each master's degree program may recommend that the student be readmitted to the Graduate School of Business. The graduate faculty of the master's degree programs may establish, and state in writing, the requirements for continuation in that program. Non-degree seeking students who are dismissed may petition for readmission to the Graduate School of Business by submitting a written appeal to the Associate Dean for Research and Graduate Programs.

Description and Justification for this request

Description of request	Justification for request
Update to specialty masters' dismissal policy to specify a minimum of 12 cumulative hours of coursework, including one previous semester of academic warning, prior to dismissal.	This is to align all business master's programs dismissal policies and to create a new catalog block to ensure future policy updates must be submitted through the full campus approval chain.
