Courses Deleted as a result of this action:

How will students in the deleted program be accommodated?

Students currently in the program will still be able to complete the required courses. At this time, there are no plans to change the course offerings as many of the courses are part of other degree programs. In the off-chance a required course is not available, the dept. will allow reasonable program modifications.

How will funds from the deleted program be reallocated?

No college or dept. funds are associated with this program.

Justification for this request

Student enrollment has been extremely low for many years (i.e., below state viability standards). The department is working to allow similar curricular opportunities in their CIED MED program (as a special interest track) for interested students.
