Courses Deleted as a result of this action:

How will students in the deleted program be accommodated?

We will continue considering other ways to encourage interested JOUR students to focus on indepth political science courses as part of their journalism training. No other accommodations are needed except for course substitutions for courses that are no longer being taught. The department will approve on a case-by-case basis.

How will funds from the deleted program be reallocated?

<u>N/A</u>

Justification for this

request

1. The major is out-of-compliance with university standards. 2. The Political Science

Department often has to use course substitutions because recommended PLSC courses in this combined major are not offered regularly. 3. Confusion reigns over whether this combined major exists or should exist, especially in regard to student advising.
