Total Units in Sequence: 120

1
Students must complete the State Minimum Core requirements as outlined in the Catalog of Studies. The courses that meet the state minimum core also fulfill many of the university's General Education requirements, although there are additional considerations to satisfy the general education learning outcomes. Students are encouraged to consult with their academic adviser when making course selections.

2
Course MUST have 'C' or better to award degree credit.

Program Goals and Objectives

Program Goals and Objectives

The program in recreation and sport management is designed to prepare candidates for a variety of career options in the vast field of recreation and sport management. Career opportunities may include positions in marketing, sales, and management for spectator-based sport such as intercollegiate athletics and professional sport, or positions in programming and administration in participatory-based sport such as community recreation program. Additionally, many students further their education in post-baccalaureate degree programs in sport management or business.

Learning Outcomes

Learning Outcomes

Since the goals and objectives for this program are that graduates will be prepared to enter the work force in areas such as sales, marketing, programming and facility and event management, or enter a graduate program in sport management or business, students graduating from this program should learn current trends and issues in marketing and sales of sport and recreation programs, and have amassed a resume full of practical field experiences to position the student for future success.

Description and justification of the request

Description of specific change	Justification for this change
Added new courses and updated existing courses. Removed concentrations and now have one degree plan.	Updated curriculum to meet demands of industry changes.
