## Description and justification of the request

<b>Description of specific change</b>	<b>Justification for this change</b>
<p>updated concentration to 18 hours from 21.</p> <p>Updated 8 semester plan to correspond</p>	<p>Department would like this newer version of the major to have the same language requirement level as the pre-2023 version to make it easier for students on old catalogs to update. They removed 3 hrs from the language req (and total concentration) The other concentration's size was updated to match.</p>

## Reviewer Comments

**Lisa Kulczak (lkulcza) (11/03/23 3:05 pm):** Adjusted reason for proposal; because this request is changing the total number of hours required for the concentration, this proposal does not qualify for the shortened approval process. However, it only requires campus approval.
