Program Goals and Objectives

**Program Goals and Objectives**

The goal of the mixed educational environments concentration of the Educational Studies program is to provide students the development required to become future educators serving a multitude of formal and informal education roles in a variety of fields including, but not limited to formalized instruction [private, charter, and public (with additional licensure), informal educational services [community-based, religious-based, or learning-center-based], and future academic graduate development [higher education, counseling education, or public service].

Learning Outcomes

**Learning Outcomes**

The educational studies mixed educational environments concentration program s is designed to develop the knowledge base that will prepare teacher-educators to possess a broad background in education and meeting current educational needs in both formal and informal educational settings.

The goals of the mixed educational environments concentration is to:

1. Provide a high-quality curriculum that prepares students for a multitude of potential careers in either formal (classroom based) education or informal (non-classroom based) educational settings.
2. Produce teachers-educators who are knowledgeable, skillful, supportive, and professional scholar-practitioners in diverse educational settings.
3. Produce teachers-educators who are knowledgeable in the fundamentals of educational history, legal requirements, socio-emotional learning, and trauma-informed educational practices.
4. Produce teacher-educators able to demonstrate knowledge of and an appreciation for diversity, as it relates to a wide range of cultures, ethnicities, religions, non-native English language learners, and socio-economic backgrounds.
