Program Goals and

Objectives

Program Goals and Objectives

The Organizational Leadership Undergraduate MicroCertificate certifies that students have completed coursework that prepares them for leadership and management roles in organizations. Students will explore the fundamentals of leadership, including leadership theory and practice within organizations. This includes leadership at all levels of organizations including within smaller groups and teams.

Learning Outcomes

Learning Outcomes

- Understand the many theories and perspectives on Leadership in Organizations
- Explain how organizations can foster leadership within the organization
- Discuss the intricacies of leading groups and teams
- Understand the ethical issues that arise in leading employees
- Understand and explain the nuances of creating and leading a diverse workforce

Description and Justification for this request

Description of request	Justification for request
Adding a MicroCertificate in the area of Organizational Leadership.	Leadership skills are in great demand in all types of organizations. The MicroCertificate in Organizational Leadership will provide students with basic skills and understanding of leadership that will be valuable to them in the workplace and in their daily life.

Reviewer Comments

Lisa Kulczak (lkulcza) (12/15/23 11:52 am): Updated courses not found due to common course numbering conversion; removed scheduled program review as MicroCertificates are not part of program review; reformatted course list and footnotes and updated program title to match naming conventions. The College is encouraged to review for accuracy.
