Description and justification of the request

Description of specific change	Justification for this change
adding approval for LALS-M as an online/web based delivery	several SPAN and HIST courses that are part of this minor area already approved for online delivery. So, this program only needed the development of one to two additional courses to be available online. Online delivery will pen this minor up to be available to more students and gives more variety of options for the already existing IDSTBA

Reviewer Comments

Lisa Kulczak (lkulcza) (02/05/24 10:48 am): Adjusting reason for proposal--adding online delivery will require campus approvals. Can still be effective for fall 2024 implementation, as this change does not impact catalog copy.

Nik Rowan (nrgreen) (02/27/24 12:18 pm): reformatted in to list rather than paragraph form for understandability.

Matthew Ganio (msganio) (02/29/24 9:27 pm): changed "combined" to "dependent" in the description of the 12 hours needed to more accurately reflect the reference.
