	Select a reason for this modification	Revising an Approved Licensure Program--(Cover Sheet, Section C)	Making Minor Changes to an Existing Certificate, Degree or Program (including 15 or fewer hours, admission/graduation requirements, Focused Studies or Tracks)
	Effective Catalog Year	Fall 2025	Fall 2026
	Description and justification of the request	Courses were developed to create additional hours for the state required residency for all teacher candidates and other courses were created or updated to reflect current research or evidence-based practice. The changes were require from the Department of Elementary and Secondary Education to comply with the Arkansas Governor's Executive order as part of the Learns Act.	Add CIED 30503 Emerging Adolescent to the program of study in place of CIED 42003 Advanced Seminar. Removed CIED 41203 Literacy Assessment and Intervention and replaced with CIED 41303 Assessment and Instruction. Edited link to Code of Ethics for Arkansas Educators. Admission information updated based on previously approved process/requirements and language clarified to support student understanding. CIED 30503 Emerging Adolescent supports teacher candidates in applying middle school concepts for their K-6 grade licensure program (middle grades includes grades 4-6). Re-arrange existing program of study courses in the sequence due to CIED 30503 needing to be in the third year where CIED 42003 was in the 4th year. CIED 41303 replaces CIED 41203 in the program revisions approved in Spring 2025 but were missed in the previous update because of changes in course numbers.

Ikulcza - Mon, 04 Nov 2024 21:19:51 GMT - ATTENTION REGISTRAR: Due to revisions required for licensure, this proposal will need BOT/ADHE approval in addition to UTEB and DESE. Please adjust the workflow accordingly . Ikulcza - Mon, 04 Nov 2024 21:20:52 GMT - CIED 42806 and 42003 don't appear to exist in CIM; in conversation with the dean's office regarding these two courses. Ikulcza - Tue, 05 Nov 2024 06:11:57 GMT - CIED 42806 and 42003 currently moving through approval process. Per conversation with dean's office, inserting comment for CIED 45303 as satisfying GELO 3.2 and CIED 41803 as satisfying GELO 6.1. suzannek - Tue, 05 Nov 2024 19:18:17 GMT - Changed course number CIED 42806 to 42906 and made same change in CIM and Revision documentation uploaded. Communicated change with program. Ikulcza - Tue, 05 Nov 2024 20:02:43 GMT - Replaced CIED 42806 with CIED 42906--new course numbering required due to duplication of first 3 digits of the catalog number . Ikulcza - Mon, 18 Nov 2024 22:02:50 GMT -Uploaded LON. jgiganti - Mon, 10 Mar 2025 20:34:51 GMT -30% change as per HLC calison - Fri, 06 Jun 2025 16:12:41 GMT - Realigned required courses to reflect their hours. calison - Mon, 09 Jun 2025 13:38:25 GMT - Updated header	msganio - Mon, 20 Oct 2025 03:17:26 GMT - Rollback: Typically, swapping out a class in a teacher licensure program means the licensure paperwork needs to be updated (e.g., the matrix). Let me know if I'm mistaken. msganio - Fri, 24 Oct 2025 22:44:13 GMT - Rollback: This change is reflected in the 8-semester plan but not the plan of study : Add CIED 30503 Emerging Adolescent to the program of study in place of CIED 42003 Advanced Seminar. Also in the justification, I think you mean 41203, not 41703. Please correct and re-submit. msganio - Mon, 27 Oct 2025 18:47:44 GMT - split coversheet to separate document. jgiganti - Mon, 03 Nov 2025 13:58:10 GMT - Rollback: Rollback as per Matt Ganio msganio - Mon, 03 Nov 2025 14:32:10 GMT - edits made per conversation with the dept head. Ikulcza - Tue, 25 Nov 2025 15:12:45 GMT - Updated reason for proposal; because there are changes to admission requirements, this will need campus approval. And since this is a licensure program, it will need UTEB and DESE approval. Workflow adjusted accordingly .

	Select a reason for this modification	Revising Curriculum of an Existing Certificate or Degree (making a net change of more than 15 credit hours) (LON)	Making Minor Changes to an Existing Certificate, Degree or Program (including 15 or fewer hours, admission/graduation requirements, Focused Studies or Tracks)
	Effective Catalog Year	Fall 2025	Fall 2026
	Description and justification of the request	A two-hour practicum, PHED 43202 was changed to a six-hour internship in fall of 4th year. A six-hour internship was changed to a nine-hour internship in spring of the 4th year. Elective hours were reduced by seven. The state of Arkansas mandated a full year residency (internship) effective fall of 2026. In order to meet the requirements of the full year residency (internship), elective hours were reduced and a fall internship was added. The 6-credit hour fall internship will meet the 18-hour per week requirement. The spring 9-credit hour internship will meet the 24-hour per week requirement.	1) We currently have a 2.5 GPA requirement for entry into PHED and 3000-level classes. This jumps to 2.7 for 4000-level classes. We would like to make it 2.5 across the board. \n2) 3000-level teaching classes currently are only open to PHED students. We would like to open them to PHED or pre-PHED. \n3) We would like to have 2000-level classes (Sport Skills and Elem PE) be open to PHED and pre-PHED students only. \n1) Consistency across undergraduate major courses and requirements. \n2) We end up overriding pre-PHED students anyway. \n3) They are currently open to anyone and end up with a lot of students with little interest in teaching. \n

	Reviewer Comments	lkuleza—Fri, 01 Nov 2024 15:00:12 GMT—Rollback: Rolling back for additional edits to include licensure revision as the reason and uploading DESE paper work. msganio—Fri, 01 Nov 2024 23:18:57 GMT—Rollback: For the Letter of Notification (LON) we need a statement that is the "Reason for Proposed Action". If you provide that via e-mail, I will fill out the form. Below is example language. Also please confirm the DESE paperwork is attached. Best, Matt We are revising the curriculum to comply with new Department of Elementary and Secondary Education guidelines teacher preparation programs. Course changes occurred to increase the number of hours of residency and update courses to reflect current research and practice. The course changes were made so the program could continue to prepare quality teacher candidates who are able to pass all licensure exams and to be highly sought after for a teaching position. lkuleza—Mon, 04 Nov 2024 15:44:23 GMT—ATTENTION REGISTRAR: Due to the curriculum revisions required for licensure, this proposal will also need BOT/ADHE approval. 	Description and justification of the request	Changed chemistry requirement to clarify that CHEM 12103/12101 and anything higher will be accepted. One of the CHEM courses was listed incorrectly and there was confusion on whether or not higher CHEM courses could be accepted.	Clarifying language related to GPA and course completion requirements. It looks like a lot but it is mainly re-arranging for clarity. Will add Technical Standards to in-program catalog section. We have had a lot of questions from students and advisors regarding application eligibility.
