May 26, 2006

MEMBERS PRESENT:

Voting: Robert Brady, Tom Costello, Bill Curington, Donna Graham, Judy Ganson, Patricia Koski, Stephen Langsner, Terry Martin, John Norwood, Peggy Whan

Non-Voting: William Warnock

MEMBERS ABSENT:

Voting: Chuck Adams, Rhonda Adams, Julie Courtwright, Ethel Goodstein, Louise Montgomery, Charles Riggs, Dale Thompson

Non-Voting: Gary McHenry, Jean Mitchell

GUESTS: Sue Martin

John Norwood called the meeting to order at 2:30 P.M.

1. The minutes for April 28, 2006 were approved.
2. Course Change Proposals:
 - A. Three courses were removed from the consent agenda to be considered at a later date. They needed to be approved by the college committees. The courses were SPAC 300V, SPAC 400VH and SPAC 401VH. All other undergraduate course change proposals ([Table A](#)) were approved and were forwarded for the Faculty Senate meeting on September 13, 2006.
 - B. The graduate course change proposals ([Table B](#)) were approved and forwarded to the Graduate Council.
3. Old Business: No old business was considered.
4. Under New Business, the Committee considered:
 - A. A program change for the College of Education and Health Professions – Department of Curriculum and Instruction – which was proposing to allow students to choose a teacher licensure endorsement in either English as a Second Language (ESL) or Special Education (SPED) ([Table 1](#), [Attachment 1A](#)) was tabled until the next meeting of the University Course and Programs Committee. The reason for the action was that more detail was needed in Section V, (Proposed Changes to an Existing Program), of the Program Change Form. Although the correct box was checked the actual course changes were not listed. This is now required by Faculty Senate.
5. Other Business Considered: None

The committee adjourned at 2:36 PM.

TABLE ONE

College of Education and Health Professions

Department of Curriculum and Instruction

ELEDBS - Childhood Education - Proposal to allow students to choose a teacher licensure endorsement in either English as a Second Language (ESL) or Special Education (SPED) as specified in Section V of Attachment 1A

Change Total Hours (Complete all sections of the form except "Proposed Name" in II, section III, and section IV.)

SECTION VI: Justification

Justify this change and state its likely effect on any other degree program (including those outside the school or college). Identify any program or program components (other than courses) to be eliminated if this program is implemented. (Program and course change forms must also be submitted for such related changes.)

There is a significant shortage of teachers in Arkansas and the nation in the areas of English as a Second Language (ESL) and Special Education (SPED). The Arkansas Department of Education allows teachers with an Arkansas teacher license to add ESL and SPED as endorsements. The proposed changes in the Childhood Education Program will result in graduates from the University of Arkansas P-4 teacher preparation program to add either ESL or SPED to their P-4 license. This will make graduates much more marketable as well as provide local education agencies with teachers prepared to teach ESL and special education.

SECTION VII: Catalog Text and Format

Insert the current catalog text and the proposed catalog text. Be sure that the proposed text includes all the elements listed below in order. Do not include university requirements or college requirements. Do not substitute a sample schedule for an explicit statement of requirements. Use standard terms and vocabulary (see Academic Policy 1621.10).

Include the following elements, in order, in the catalog text for proposed undergraduate program(s) or program changes:

- State complete major/program name
- Briefly define or describe the major/program or discipline.
- Identify typical career goals or paths for graduates. (Optional)
- State admission requirements (if any) for entry or entry into upper/advanced level of major/program.
- Identify location in catalog of university, college/school, and department/program requirements which the student must meet in addition to hours in the major, but do not restate these requirements.
- State course requirements in the major and any allied areas, giving number of hours and specific courses; specify electives or elective areas and give numbers of hours and courses in elective pools or categories; identify any other course requirements.
- State any other requirements (required GPA, internship, exit exam, project, thesis, etc.).
- Identify name and requirements for each concentration (if any).
- Specify whether a minor or other program component is allowed or required and provide details.

For minors, state requirements in terms of hours, required courses, electives, etc.

For graduate program/units, include elements (as needed) parallel to those listed for undergraduate programs above.

For Law School program/units, prepare text consistent with current catalog style.

For centers, prepare text consistent with current catalog style.

Current Catalog:

The Department of Curriculum and Instruction sponsors initial teacher licensure programs in the areas of childhood education, middle level education, and secondary education. The department also offers additional licensure plans in ESL, gifted and talented, special education and selected other areas (please see College Web Site licensure link). With the cooperation of the Department of Health Science, Kinesiology, Recreation, and Dance; the Department of Rehabilitation, Human Resources and Communication Disorders; the J. William Fulbright College of Arts and Sciences; and the Dale Bumpers College of Agricultural, Food and Life Sciences, additional secondary school licensure programs are made available.
