Minutes

March 19, 2010

MEMBERS PRESENT:

Voting: Bob Brady, Cathy Chick, Bill Curington, Judy Ganson, Carol Gattis, Donna Graham, Patricia Koski, Janet Penner-Williams

Non-Voting: Lisa Kulczak, Karen Turner and William Warnock

MEMBERS ABSENT:

Voting: Chuck Adams, Suzanne Area, Ro DiBrezzo, Dawn Farver, Andrew Horowitz, Tim Killian, Terry Martin, Betsy Orr, Chuck Rotolo, John Rupe, Bill Springer

Non-Voting: Gary McHenry

GUESTS: Michael Miller, Susan Mayes

Donna Graham called the meeting to order at 2:37P.M.

1. The minutes for the February 26, 2010 meeting were approved.
2. Course Change Proposals:
 - A. Undergraduate course change proposals ([Table A](#)) were approved without opposition and will be forwarded for the April 14, 2010 Faculty Senate meeting.
 - B. Graduate and Dual course change proposals ([Tables B & C](#)) were approved without opposition and forwarded for the April Graduate Council meeting.
3. Old Business:

Response to the University General Education Core Curriculum Committee concerning the proposed diversity requirement was drafted by Chuck Adams who forwarded a first draft for consideration. Chuck was unable to attend the meeting. The response document was discussed and several suggestions were to be forwarded to Chuck Adams for consideration as he prepares the document for presentation at the April UCPC meeting.

1. The last sentence in paragraph one needed to be reworded as the UCCC does not have responsibility for enrollment management or resource allocation and could not address the issue.
2. Several college representatives suggested that their student's schedules are very restricted and having this additional requirement might discourage minors. They also did not believe that one course

should make a “Diversity Area” and that the diversity requirement should be present throughout the “Core” courses.

4. New Business:

. Proposed undergraduate program change for the Bumpers College of Agriculture, Food and Life Sciences, Department of Horticulture– HLTSBS – BSA, Horticulture, Landscape and Turf Sciences ([Table 1, Attachment 1A](#)) was presented by Donna Graham. The program change requested to allow students who exempt from ENGL 1013 and ENGL 1023 to enroll in general elective hours rather than additional English or communication hours. The proposal was approved without opposition and will be forwarded for consideration at the April 14, 2010 Faculty Senate meeting.

A. Proposed undergraduate program change for the College of Education and Health Professions, Department of Curriculum and Instruction – CATEBS – BSE, Career and Technical Education ([Table 2, Attachment 2A](#)) was presented by Michael Miller. The proposal requested to remove one of the two HLSC Wellness Concepts or HLSC 1103, Personal Health and Safety, and PEAC 1621, Fitness, as program requirements and increase the general electives by three hours for the Business Education and Family Consumer Sciences concentrations; and remove PSYC 2003, General Psychology, as a requirement and increase electives by three hours for the Technology Education concentration. The proposal was approved without opposition and will be forwarded for consideration at the April 14, 2010 Faculty Senate meeting

B. Proposed undergraduate program change for the College of Education and Health Professions, Department of Curriculum and Instruction – CHEDBS – BSE, Childhood Education ([Table 2, Attachment 2B](#)) was presented by Michael Miller. The program change requested to delete HLSC 1002, Wellness Concepts, PEAC 1621, Fitness Concepts, and COMM 1313, Fundamentals of Communication, as requirements and add six hours to electives. The proposal was approved without opposition and will be forwarded for consideration at the April 14, 2010 Faculty Senate meeting.

C. Proposed undergraduate program change for the College of Education and Health Professions, Department of Health Science, Kinesiology, Recreation and Dance – HLSCBS – BSE, Health Science ([Table 2, Attachment 2C](#)) was presented by Susan Mayes. The program change requested to delete three required courses, add two other courses as requirements, and many other changes. The proposal was approved without opposition and will be forwarded for consideration at the April 14, 2010 Faculty Senate meeting.

D. Proposed undergraduate program change for the College of Education and Health Professions, Department of Health Science, Kinesiology, Recreation and Dance – KINSBS – BSE, Kinesiology ([Table 2, Attachment 2D](#)) was presented by Susan Mayes. The program change requested to remove HIST 2003 and HIST 2013 as specific requirements in the University Core and for the Applied Exercise Science concentration add SOCI 3033, Social Data Collection, as a statistics requirement with lower level course acceptable with advisor approval. The proposal was approved without opposition and will be forwarded for consideration at the April 14, 2010 Faculty Senate meeting.

E. Proposed undergraduate program change for the College of Education and Health Professions, Department of Rehabilitation, Human Resources and Communication Disorders – CDISBS – BSE, Communication Disorders ([Table 2](#), [Attachment 2E](#)) was presented by Michael Miller. The program change requested to delete WLIT 1113, World Literature, from the additional general studies course requirements. The proposal was approved without opposition and will be forwarded for consideration at the April 14, 2010 Faculty Senate meeting.

F. Proposed undergraduate program change for the College of Education and Health Professions, Department of Rehabilitation, Human Resources and Communication Disorders – PCDIS – Pre-Communications Disorders ([Table 2](#), [Attachment 2F](#)) was presented by Michael Miller. The program change requested to add a pre-code for students who have not completed the process for formal admission into the communication disorder major. The process requires an application and an interview. The proposal was approved without opposition and will be forwarded for consideration at the April 14, 2010 Faculty Senate meeting.

G. Proposed graduate change for the Department of Business Administration – BUSNGC – Graduate Certificate in Business ([Table 3](#), [Attachment 3A](#) and [Attachment 3B](#)) was presented by Bill Curington. The program change requested to add a new graduate certificate program in Business for non-business graduate students. The proposal was approved without opposition and will be forwarded for consideration at the April Graduate Council meeting.

5. Other Business: None

Meeting was adjourned at 3:19PM.

Bumpers College of Agricultural, Food & Life Sciences

Department of Horticulture

HLTSBS - BSA, Horticulture, Landscape and Turf Sciences - Attachment 1A

Proposal requests to allow students who exempt from ENGL 1013 and ENGL 1023 to enroll in general elective hours rather than additional English or communication hours as specified in Section V of Attachment 1A.

TABLE TWO

College of Education and Health Professions

Department of Curriculum and Instruction

CATEBS - BSE, Career and Technical Education - Attachment 2A

Proposal requests to remove one of the two HLSC Wellness Concepts or HLSC 1103, Personal Health and Safety, and PEAC 1621, Fitness, as program requirements and increase the general electives by 3 hours for the Business Education and Family Consumer Sciences concentrations; and remove PSYC 2003, General Psychology as a requirement and increase electives by 3 hours for the Technology Education concentration as specified in Section V of Attachment 2A.

CHEDBS - BSE, Childhood Education - Attachment 2B

Proposal request to remove HLSC 1002, Wellness Concepts, and PEAC 1621, Fitness Concepts, and COMM 1313, Fundamentals of Communication as requirements and add six hours to electives as specified in Section V of Attachment 2B.

PAGE TWO

Department of Health Science, Kinesiology, Recreation Dance

HLSCBS - BSE, Health Science - Attachment 2C

Proposal requests to delete three required courses, add two other courses as requirements, and many other changes. Please see Section V of Attachment 2C for additional information.

KINSBS - BSE, Kinesiology - Attachment 2D

Proposal requests to remove HIST 2003 and HIST 2013 as specific requirements in the University Core and for the Applied Exercise Science concentration add SOCI 3033 Social Data Collection as a statistics requirement with lower level course acceptable with advisor approval. See Section V of Attachment 2D for additional information.

Department of Rehabilitation, Human Resources and Communication Disorders

CDISBS - BSE, Communication Disorders - Attachment 2E

Proposal requests to remove WLIT 1113, World Literature, from the additional general studies course requirements as specified in Section V of Attachment 2E.

PCDIS - Pre-Communication Disorders - Attachment 2F

Proposal requests to add a pre-code for students who have not completed the process for formal admission into the communication disorder major. The process requires an application and interview requirement. This pre-code would help identify students for improved advising and tracking prior to formal admission. This request is described in Section VI of Attachment 2F.

TABLE THREE

GRADUATE PROGRAM CHANGES

Department of Business Administration

BUSNGC - Graduate Certificate in Business - Attachments 3A and 3B

Proposal requests to add new graduate certificate program in business as specified in Sections V and VII of Attachment 3A.

When a program name is changed, enrollment of current students reflects the new name.

SECTION III: Add a New Program/Unit

For new program proposals, complete Sections II and VII and use as a cover sheet for a full program proposal as described in 'Criteria and Procedures for Preparing Proposals for New Programs in Arkansas.' ADHE <http://www.arkansashighered.com/pdfs/BookAppNewProgramCriteriaandProceduresRevised2005.pdf>.

Program proposal uses courses offered by another academic college, and that college dean's office has been notified. The signature of the dean of that academic college is required here: _____

SECTION IV: Eliminate an Existing Program/Unit

Code/Name _____ Effective Catalog Year _____

No new students admitted to program after Term: _____ Year: _____

Allow students in program to complete under this program until Term: _____ Year: _____

SECTION V: Proposed Changes to an Existing Program or Program Policies

Insert here a statement of the exact changes to be made: The Communication core is changed to allow students that are exempt from ENGL 1013 English composition I, or ENGL 1023 English Composition II, to enroll in general elective hours, rather than additional English or communication hours. This change increases the range of English/Communication required hours from 12 - 15 to 6 - 12 and increases the range of general elective hours from 20 - 23 hours to 20 - 29 hours.

Check if either of these boxes apply and provide the necessary signature:

Program change proposal adds courses offered by another academic college, and that college dean's office has been notified. The signature of the dean of that academic college is required here:

Program change proposal deletes courses offered by another academic college, and that college dean's office has been notified. The signature of the dean of that academic college is required here:

Check all the boxes that apply and complete the required sections of the form:

Change of Name and Code (Complete only sections I, II, V and VII.)

Change Course Requirements: (Complete all sections of the form except "Proposed Name" in II, section III, and section IV.)

Change Delivery Site/Method (Complete all sections of the form except "Proposed Name" in II, section III, and section IV.)

Change Total Hours (Complete all sections of the form except "Proposed Name" in II, section III, and section IV.)

Change in Program Policies

SECTION VI: Justification

Justify this change and state its likely effect on any other degree program (including those outside the school or college). Identify any program or program components (other than courses) to be eliminated if this program is implemented. (Program and course change forms must also be submitted for such related changes.)

The change allows students the flexibility to use general elective hours, if the student satisfies the exemption requirements for ENGL 1013 and ENGL 1023. This change was approved by the AFLS Curriculum Committee and the AFLS Faculty Council. This change also confirms to the policy of most other colleges and departments at the University of Arkansas, Fayetteville. This course may result in lower enrollment in English courses but greater enrollment in general elective courses.

SECTION VII: Catalog Text and Format

In the box below, insert the current catalog text which is to be changed, with changes highlighted with the color yellow. Include all proposed changes identified in Section V. Only changes explicitly stated in Section V will be considered for approval by the University Course and Programs Committee, the Graduate Council and the Faculty Senate. If you are proposing a new program, give proposed text with all of the elements listed below. If you are proposing modified text, include these elements as appropriate.

Include the following elements, in order, in the catalog text for proposed undergraduate program(s) or program changes:

- State complete major/program name
- Briefly define or describe the major/program or discipline.
- Identify typical career goals or paths for graduates. (Optional)
- State admission requirements (if any) for entry or entry into upper/advanced level of major/program.
- Identify location in catalog of university, college/school, and department/program requirements which the student must meet in addition to hours in the major, but do not restate these requirements.
- State course requirements in the major and any allied areas, giving number of hours and specific courses; specify electives or elective areas and give numbers of hours and courses in elective pools or categories; identify any other course requirements.
- State any other requirements (required GPA, internship, exit exam, project, thesis, etc.).
- Identify name and requirements for each concentration (if any).
- Specify whether a minor or other program component is allowed or required and provide details.
- State eight-semester plan requirements

For minors, state requirements in terms of hours, required courses, electives, etc.

For graduate program/units, include elements (as needed) parallel to those listed for undergraduate programs above.

For Law School program/units, prepare text consistent with current catalog style.

For centers, prepare text consistent with current catalog style.

SECTION III: Add a New Program/Unit

[] For new program proposals, complete Sections II and VII and use as a cover sheet for a full program proposal as described in 'Criteria and Procedures for Preparing Proposals for New Programs in Arkansas.' ADHE
http://www.arkansashighered.com/pdfs/BookAppNewProgramCriteriaandProceduresRevised2005.pdf.

[] Program proposal uses courses offered by another academic college, and that college dean's office has been notified. The signature of the dean of that academic college is required here:

SECTION IV: Eliminate an Existing Program/Unit

Code/Name Effective Catalog Year
No new students admitted to program after Term: Year:
Allow students in program to complete under this program until Term: Year:

SECTION V: Proposed Changes to an Existing Program or Program Policies

Insert here a statement of the exact changes to be made: In Business Education Concentration, remove selection of one of the two HLSC Wellness Concepts or HLSC 1103 Personal Health and Safety and PEAC 1621 Fitness as program requirements

and increase general electives by 3 hours. In Family Consumer Sciences Concentration, same action. In Technology Education, remove PSYC 2003 General Psychology as a requirement, making it any three hour elective.

Check if either of these boxes apply and provide the necessary signature:

- Program change proposal adds courses offered by another academic college, and that college dean's office has been notified. The signature of the dean of that academic college is required here: _____
- Program change proposal deletes courses offered by another academic college, and that college dean's office has been notified. The signature of the dean of that academic college is required here: _____

Check all the boxes that apply and complete the required sections of the form:

- Change of Name and Code (Complete only sections I, II, V and VII.)
- Change Course Requirements: (Complete all sections of the form except "Proposed Name" in II, section III, and section IV.)
- Change Delivery Site/Method (Complete all sections of the form except "Proposed Name" in II, section III, and section IV.)
- Change Total Hours (Complete all sections of the form except "Proposed Name" in II, section III, and section IV.)
- Change in Program Policies

SECTION VI: Justification

Justify this change and state its likely effect on any other degree program (including those outside the school or college). Identify any program or program components (other than courses) to be eliminated if this program is implemented. (Program and course change forms must also be submitted for such related changes.)

This will allow for a smoother transition between Arkansas two-year colleges and the University of Arkansas.

SECTION VII: Catalog Text and Format

In the box below, insert the current catalog text which is to be changed, with changes highlighted with the color yellow. Include all proposed changes identified in Section V. Only changes explicitly stated in Section V will be considered for approval by the University Course and Programs Committee, the Graduate Council and the Faculty Senate. If you are proposing a new program, give proposed text with all of the elements listed below. If you are proposing modified text, include these elements as appropriate.

Include the following elements, in order, in the catalog text for proposed undergraduate program(s) or program changes:

- State complete major/program name
- Briefly define or describe the major/program or discipline.
- Identify typical career goals or paths for graduates. (Optional)
- State admission requirements (if any) for entry or entry into upper/advanced level of major/program.
- Identify location in catalog of university, college/school, and department/program requirements which the student must meet in addition to hours in the major, but do not restate these requirements.
- State course requirements in the major and any allied areas, giving number of hours and specific courses; specify electives or elective areas and give numbers of hours and courses in elective pools or categories; identify any other course requirements.
- State any other requirements (required GPA, internship, exit exam, project, thesis, etc.).
- Identify name and requirements for each concentration (if any).
- Specify whether a minor or other program component is allowed or required and provide details.
- State eight-semester plan requirements

For minors, state requirements in terms of hours, required courses, electives, etc.

For graduate program/units, include elements (as needed) parallel to those listed for undergraduate programs above.

For Law School program/units, prepare text consistent with current catalog style.

For centers, prepare text consistent with current catalog style.

Technology Education Concentration (TEED)

Vinson Carter
 Adviser
 116 Peabody Hall
 479-575-3076

A Bachelor of Science in Education degree with a concentration in Technology Education is a licensure program that prepares students to teach technology, pre-engineering, or other technical subject matter at the high school, middle-level, or community college. Additionally, the program prepares one to enter mid-level technical/management careers in business and industry. The concentration is a specialized field of study within the Career and Technical Education program at the University of Arkansas.

1. Candidate must hold a cumulative GPA of 2.50 or higher
2. Candidate must have taken and passed the Praxis I examination during the previous semester or earlier
3. Candidate must have taken and passed the Praxis II content examination during the previous semester or earlier
4. Candidate must complete a successful "internship admission interview" with Career & Technical Education faculty. Note these interviews are scheduled with all senior students during the fall semester.

Note: All students seeking licensure in the State of Arkansas are subject to a criminal background check. Forms needed to complete this procedure may be obtained in Room 117 of Peabody Hall on the University of Arkansas campus. These forms may also be obtained from any police station (including the University of Arkansas Police station) or directly from the Arkansas State Department. These background checks take up to six months to process; therefore, students are advised to complete and submit the forms to the proper authorities at least six months in advance of graduation (or six months prior to applying for a teaching license). Arkansas will not grant a teaching license to anyone who has been convicted of a felony.

Check if either of these boxes apply and provide the necessary signature:

- Program change proposal adds courses offered by another academic college, and that college dean's office has been notified. The signature of the dean of that academic college is required here: _____
- Program change proposal deletes courses offered by another academic college, and that college dean's office has been notified. The signature of the dean of that academic college is required here: _____

Check all the boxes that apply and complete the required sections of the form:

- Change of Name and Code (Complete only sections I, II, V and VII.)
- Change Course Requirements: (Complete all sections of the form except "Proposed Name" in II, section III, and section IV.)
- Change Delivery Site/Method (Complete all sections of the form except "Proposed Name" in II, section III, and section IV.)
- Change Total Hours (Complete all sections of the form except "Proposed Name" in II, section III, and section IV.)
- Change in Program Policies

SECTION VI: Justification

Justify this change and state its likely effect on any other degree program (including those outside the school or college). Identify any program or program components (other than courses) to be eliminated if this program is implemented. (Program and course change forms must also be submitted for such related changes.)

HLSC Faculty determined the HLSCBS program needed to be updated to reflect current credentialing standards among Health Education programs. Additionally, HLSC program was evaluated by an external reviewer and program changes reflect the reviewers recommendations.

SECTION VII: Catalog Text and Format

In the box below, insert the current catalog text which is to be changed, with changes highlighted with the color yellow. Include all proposed changes identified in Section V. Only changes explicitly stated in Section V will be considered for approval by the University Course and Programs Committee, the Graduate Council and the Faculty Senate. If you are proposing a new program, give proposed text with all of the elements listed below. If you are proposing modified text, include these elements as appropriate.

Include the following elements, in order, in the catalog text for proposed undergraduate program(s) or program changes:

- State complete major/program name
- Briefly define or describe the major/program or discipline.
- Identify typical career goals or paths for graduates. (Optional)
- State admission requirements (if any) for entry or entry into upper/advanced level of major/program.
- Identify location in catalog of university, college/school, and department/program requirements which the student must meet in addition to hours in the major, but do not restate these requirements.
- State course requirements in the major and any allied areas, giving number of hours and specific courses; specify electives or elective areas and give numbers of hours and courses in elective pools or categories; identify any other course requirements.
- State any other requirements (required GPA, internship, exit exam, project, thesis, etc.).
- Identify name and requirements for each concentration (if any).
- Specify whether a minor or other program component is allowed or required and provide details.
- State eight-semester plan requirements

For minors, state requirements in terms of hours, required courses, electives, etc.

For graduate program/units, include elements (as needed) parallel to those listed for undergraduate programs above.

For Law School program/units, prepare text consistent with current catalog style.

For centers, prepare text consistent with current catalog style.

HEALTH SCIENCE (HLSC)

- Professor Jones (C.)
- Assistant Professors Hammig, Henry
- Visiting Assistant Professors Mink, Rausch, Wyandt-Heibert

The program in health science is designed to prepare candidates for a variety of career options in the vast field of health education and health promotion. Career opportunities may include planning, development, and delivery of health programs in various settings. These settings may include hospitals, government agencies, nonprofit organizations, community organizations, corporations, and other places of occupation. Graduates of this program should be well prepared to enter the work force at an entry-level position in community health or graduate programs of study in such areas as health education and health promotion, corporate health, public health, health care administration, and other allied health professional schools.

The candidate for the Bachelor of Science in Education degree with a major in health science will focus on community health. All students must complete the University Core requirements as listed on page 40. In addition, all students must take the courses listed below under required general studies for the health science major and the additional health science major requirements. A minimum of 124 semester hours is required for graduation in the major of health science.

Kinesiology (KINS)

- University Professor Di Brezzo
- Professors Fort, Gorman, Riggs
- Associate Professor Lirgg
- Clinical Associate Professor Kern

- Assistant Professor Calleja, Kluess, Oliver
- Clinical Assistant Professors Bonacci, Smith-Nix
- Instructors Forbess, Mayes

The program in kinesiology is designed to prepare candidates for a variety of career options in the vast field of movement science. Career opportunities may include teaching physical education, coaching, analyzing and prescribing fitness programs, athletic training, or preparation for professional programs in allied health. Graduates of this program should be well prepared to enter graduate programs of study in such areas as pedagogy or adapted physical education, exercise physiology, biomechanics, athletic training, sport management, medical school, physical therapy school, and other allied health professional schools.

The candidate for the Bachelor of Science in Education degree with a major in kinesiology must select one of three concentrations:

- I. P-12 Teaching Physical Education/Wellness & Leisure
- II. Exercise Science – Pre-Professional Science
- III. Applied Exercise Science

All students must complete the state minimum core (University Core) requirements as listed on page 40. In addition, all students must take the required general studies for the kinesiology major and the kinesiology core requirements listed below. As part of the University Core requirements, specific math and science courses are required within the kinesiology major and concentrations. A student preparing to teach in the public schools must select the P-12 teaching concentration and must have a grade point average of 2.5 or greater to enter the senior block. Students interested in obtaining an endorsement in coaching should contact the Coordinator of Teacher Education. Students applying for other post-baccalaureate programs should inquire as to prerequisite requirements. Students majoring in kinesiology with a concentration in exercise science (concentrations II, III) must earn a grade of “C” or better in KINS 3153, KINS 3353, and KINS 3533, and meet the appropriate concentration requirements. A minimum of 124 semester hours is required for graduation in the major of kinesiology.

Justify this change and state its likely effect on any other degree program (including those outside the school or college). Identify any program or program components (other than courses) to be eliminated if this program is implemented. (Program and course change forms must also be submitted for such related changes.)

This will allow for a smoother transition between Arkansas two-year colleges and the University.

SECTION VII: Catalog Text and Format

In the box below, insert the current catalog text which is to be changed, with changes highlighted with the color yellow. Include all proposed changes identified in Section V. Only changes explicitly stated in Section V will be considered for approval by the University Course and Programs Committee, the Graduate Council and the Faculty Senate. If you are proposing a new program, give proposed text with all of the elements listed below. If you are proposing modified text, include these elements as appropriate.

Include the following elements, in order, in the catalog text for proposed undergraduate program(s) or program changes:

- State complete major/program name
- Briefly define or describe the major/program or discipline.
- Identify typical career goals or paths for graduates. (Optional)
- State admission requirements (if any) for entry or entry into upper/advanced level of major/program.
- Identify location in catalog of university, college/school, and department/program requirements which the student must meet in addition to hours in the major, but do not restate these requirements.
- State course requirements in the major and any allied areas, giving number of hours and specific courses; specify electives or elective areas and give numbers of hours and courses in elective pools or categories; identify any other course requirements.
- State any other requirements (required GPA, internship, exit exam, project, thesis, etc.).
- Identify name and requirements for each concentration (if any).
- Specify whether a minor or other program component is allowed or required and provide details.
- State eight-semester plan requirements

For minors, state requirements in terms of hours, required courses, electives, etc.

For graduate program/units, include elements (as needed) parallel to those listed for undergraduate programs above.

For Law School program/units, prepare text consistent with current catalog style.

For centers, prepare text consistent with current catalog style.

COMMUNICATION DISORDERS (CDIS)

An undergraduate major in communication disorders leads to the B.S.E. degree and prepares students for graduate studies (master's level) in speech-language pathology and audiology. The minimum requirements for all students in the college are listed under general studies on page 238.

Admission to the B.S.E. Major Degree Program in Communication Disorders

All students declaring an undergraduate major in communication disorders are accepted as tentative candidates to the undergraduate program and assigned the pre-communication disorders code (PCDIS). However, formal admission to the program is limited. Students must apply for admission to the undergraduate B.S.E.

degree program in communication disorders prior to taking junior- and senior-level classes in the major. Requirements for admission include the following:

- Completion of the admission application form.
- Junior status at the time that 3000-level courses will be taken.
- An overall minimum GPA of 3.0 over the first four semesters (50-60 hours) of college course work.
- Satisfactory completion of an admission interview with designated members of the faculty.

Students who do not meet admission criteria for the B.S.E. degree program in communication disorders in any given year may reapply in subsequent years.

The Graduate Certificate in Business is designed to meet the needs of non-business graduate students, primarily in engineering and the sciences. The certificate program will provide students who have a strong technology background a basic understanding of business principles to enable them to better anticipate and address the challenges associated with technology transfer from the lab to market. In their degree programs these students receive training to excel at basic research, but they do not have the background or training to be able to commercialize innovative ideas when they are developed. The Graduate Certificate in Business will provide these students with a fundamental understanding of business processes that will enable them to better understand the technology transfer process and have a better chance of commercializing their ideas. The knowledge students will gain from the Graduate Certificate in Business will also be valuable to students working in research and development for large organizations. The expertise they gain will enable them to better understand business processes within the organization.

SECTION VII: Catalog Text and Format

Insert the current catalog text, with proposed changes identified in Section V inserted and tracked in Microsoft Word. Be sure that all proposed changes are inserted and tracked. Only changes explicitly stated in Section V will be considered for approval by the University Course and Programs Committee, the Graduate Council and the Faculty Senate.

Graduate Certificate in Business

The Graduate Certificate in Business is designed to give non-business graduate students a foundation in the core aspects of business they will need to start successful commercial or non-commercial enterprises or assist in creating new products or service offerings in existing organizations. The certificate program is open to all non-business graduate students throughout the University of Arkansas, and students from all majors are encouraged to participate. Ideally, these students will be well-positioned to create knowledge-based, high-growth start-ups or assist existing companies in developing successful new product and services. Both of these goals will contribute to the economic development of the state of Arkansas.

Admission Requirements : The Graduate Certificate in Business is open to all non-business degree-seeking graduate students who are in good standing with the graduate school. Information on graduate school admission requirements can be found in the regulations section of the graduate school catalog.

Requirements for the Graduate Certificate in Business: (15 hours)

To receive the Graduate Certificate in Business, students are required to take 9 hours of coursework in the Walton College of Business and 6 hours of electives related to business in either the Walton College or in another college at the University of Arkansas. Elective courses other than those listed below may be approved by the Director of the Certificate program. Some elective courses have

prerequisites that are not met by courses in the certificate program. Students are advised to check prerequisites prior to enrolling in a course.

To receive the graduate Certificate in Business, students are required to take 15 hours as follows:

- Required course (no prerequisites):
 - MGMT 5213 Business Foundations for Entrepreneurs (Sp)
- Choose one of the following classes (one course with prerequisites):
 - MGMT 5323 New Venture Development (Fa)
 - MGMT 5223 Managing & Leading Organizations (Fa)
 - MGMT 5363 Innovation & Creativity (Sp)

5. Name of proposed Graduate Certificate Program (Program must consist of 12-18 semester credit hours from existing graduate courses):

Graduate Certificate in Business

6. Proposed CIP Code: 52.0201

7. Reason for proposed program implementation:

The Graduate Certificate in Business is designed to meet the needs of non-business graduate students, primarily in engineering and the sciences. The certificate program will provide students who have a strong technology background with a basic understanding of business principles to enable them to address the challenges associated with technology transfer from lab to market. In their degree programs these students receive training to excel at basic research, but they do not have the background to commercialize innovative ideas. The Graduate Certificate in Business will provide these students with a fundamental understanding of business processes that will enable them to understand the technology transfer process and have the knowledge to commercializing their ideas. The knowledge students will gain from the Graduate Certificate in

Business will also be valuable to students working in research and development for large organizations. The expertise they gain will enable them to better understand business processes within the organization.

8. Provide documentation that proposed program has received full approval by licensure/certification entity. (i.e. A graduate certificate offered for teacher licensure must be approved by the Arkansas Department of Education prior to consideration by the Coordinating Board).

No such licensing entities exist.

c. Program goals, objectives, and expected student learning outcomes

The **goal** of the Graduate Certificate in Business is to give non-business graduate students a foundation in the core aspects of business they will need to start successful commercial or non-commercial enterprises or assist in creating new products or service offerings in existing organizations. The certificate program is open to all non-business graduate students throughout the University of Arkansas, and students from all majors are encouraged to participate. Ideally, these students will be well-positioned to create knowledge-based, high-growth start-ups or assist existing companies in developing successful new product and services. Both of these goals will contribute to the economic development of the state of Arkansas.

Specific **objectives** include:

An understanding of:

- the business process
- the human and financial resources required for business success
- sources of capital and expected returns for investors
- financial management
- marketing, sales, and promotion
- markets and opportunities
- managing and leading people

innovation and creativity
conflict management and negotiation
the international business environment
business ethics
intellectual property protection
steps necessary in developing a business plan

Skills in:

oral communication
written communication
assessing ideas and opportunities
developing a business plan
selling ideas and products
raising capital
conflict management and negotiation

Expected student learning outcomes

After completing the Graduate Certificate in Business, students should have the tools necessary to identify new venture opportunities, and to start and build a stand-alone enterprise or a new initiative within an existing organization. The certificate program will rely heavily on experiential components, giving students practical experience in applying the concepts covered in classes.
