Allow students in program to complete under this program until Term: Year:

SECTION V: Proposed Changes to an Existing Program or Program Policies

Insert here a statement of the exact changes to be made: **1. The Fulbright College degree requirements section (core) is being modified to require that students complete the 35-hour University/state core and all the requirements specified by a Fulbright college major.**

2. The residency requirement is being updated to reflect the newly approved University residency requirement and to incorporate our own college residency requirement (currently stated at the end of the University residency requirement) in with the college "24 hour rule."

3. Making a change to our current "40 hour rule" to exclude the reference to 2000-level foreign language courses, as there are no prerequisites for world language courses numbered 2003 and 2013 any longer.

Check if either of these boxes apply and provide the necessary signature:

- Program change proposal adds courses offered by another academic college, and that college dean's office has been notified. The signature of the dean of that academic college is required here: _____
- Program change proposal deletes courses offered by another academic college, and that college dean's office has been notified. The signature of the dean of that academic college is required here: _____

Check all the boxes that apply and complete the required sections of the form:

- Change of Name and Code (Complete only sections I, II, V and VII.)
- Change Course Requirements: (Complete all sections of the form except "Proposed Name" in II, section III, and section IV.)
- Change Delivery Site/Method (Complete all sections of the form except "Proposed Name" in II, section III, and section IV.)
- Change Total Hours (Complete all sections of the form except "Proposed Name" in II, section III, and section IV.)
- Change in Program Policies

SECTION VI: Justification

Justify this change and state its likely effect on any other degree program (including those outside the school or college). Identify any program or program components (other than courses) to be eliminated if this program is implemented. (Program and course change forms must also be submitted for such related changes.)

1. The college "core" requirements for Fulbright College are being altered so that they match the state/university core requirements. Any former "Fulbright core" requirements that individual departments wish to retain as part of their major requirements will be specifically stated as course requirements within the major. By using the state/university core as a foundation, departments within Fulbright College have the flexibility to better tailor requirements specific to their departmental curriculum needs. Separate program change forms for individual programs (majors or minors) will be submitted for this purpose. These changes will provide students with clearly stated requirements within each major and will ensure a curriculum standard that can be applied to all students pursuing that particular major. Because most major programs will have more elective hours available to their students as a result of this change, more students will have the opportunity to pursue additional courses of interest, additional majors and/or additional minors.

2. In light of newly approved University residency (enrollment) requirements, it is important for the stated residency requirements in Fulbright's graduation requirement section to be consistent with the new requirements. The Fulbright residency requirement is simply being moved to and incorporated with the current college 24-hour rule.

3. The college has a "40-hour rule" which states that students must present at least 40 hours of coursework in courses numbered 3000 and above. Included in these 40 hours can be 2000-level courses if they have a specific course designated as a prerequisite. For many years, world language courses at the 2000-level have been excluded from being applied to the 40-hour rule. This exclusionary statement is a moot point, because the world language courses at the 2003 and 2013 level no longer have stated prerequisites which would make them ineligible to be counted as advanced level courses anyway.

SECTION VII: Catalog Text and Format

In the box below, insert the current catalog text which is to be changed, with changes highlighted with the color yellow. Include all proposed changes identified in Section V. Only changes explicitly stated in Section V will be considered for approval by the University Course and Programs Committee, the Graduate Council and the Faculty Senate. If you are proposing a new program, give proposed text with all of the elements listed below. If you are proposing modified text, include these elements as appropriate.

Include the following elements, in order, in the catalog text for proposed undergraduate program(s) or program changes:

- State complete major/program name
- Briefly define or describe the major/program or discipline.
- Identify typical career goals or paths for graduates. (Optional)
- State admission requirements (if any) for entry or entry into upper/advanced level of major/program.

- Identify location in catalog of university, college/school, and department/program requirements which the student must meet in addition to hours in the major, but do not restate these requirements.
- State course requirements in the major and any allied areas, giving number of hours and specific courses; specify electives or elective areas and give numbers of hours and courses in elective pools or categories; identify any other course requirements.
- State any other requirements (required GPA, internship, exit exam, project, thesis, etc.).
- Identify name and requirements for each concentration (if any).
- Specify whether a minor or other program component is allowed or required and provide details.
- State eight-semester plan requirements

For minors, state requirements in terms of hours, required courses, electives, etc.

For graduate program/units, include elements (as needed) parallel to those listed for undergraduate programs above.

For Law School program/units, prepare text consistent with current catalog style.

For centers, prepare text consistent with current catalog style.

DEGREE COMPLETION PROGRAM POLICY

Fulbright College of Arts and Sciences Graduation Requirements

In addition to the specific course requirements for the degree plan and major, be aware that there are general graduation requirements that every student in Fulbright College must complete.

1. Minimum Total Semester Hour Requirement
 B.A., B.M., B.S. and B.S.W. Degrees: 124 hours
 B.F.A.: 128 hours

2. Residency Requirements

a) University [Residency \(Enrollment\)](#) Requirement

Students must earn a minimum of 30 semester hours at the University of Arkansas, Fayetteville campus—this includes UA faculty-led study abroad classes, on-line/on-campus classes, and Global Campus courses; and all other courses paid towards Fayetteville campus tuition and fees. These 30 semester hours are to be upper-division semester hours required for the completion of a degree program. Additional hours in residence can be required for completing a minor. Hours earned in another school or college at UA, [Fayetteville](#) may be used to satisfy this requirement with approval of appropriate faculty curriculum committee.

b) College Residency Requirement and 24 Hour Rule A student graduating from Fulbright College must have completed at least 30 hours of credit in courses offered by Fulbright College, at least 24 of which must be 3000 and 4000 level courses from departments in Fulbright College.

3. 40-Hour Rule

Students must present for degree credit at least 40 hours of work in courses numbered 3000 and above. Included in these 40 hours can be courses numbered 2000 if each has a specific course designated as a prerequisite. (The following courses are excluded: MILS 2001 and 2011, and AERO 2001 and 2011. It is highly recommended that students complete all 40 hours in courses numbered 3000 and higher. These courses may be taken from other colleges or universities, so long as the college residency requirement and the 24 hour rule are satisfied.

4. Grade-Point Average

Students graduating from Fulbright College must have a minimum cumulative GPA of 2.00.

5. "D"-Rule

If a student has grades of "D" in more than 25 percent of the hours presented for graduation credit, she/he will not be allowed to graduate.

6. Eight Hour Rule

Students may submit no more than eight semester credit hours from the following list of course alpha codes. These may be used for degree credit only with the specific recommendation of the adviser.

AERO Aerospace Studies*

AGED Agricultural and Extension Education

DEAC Dance Education Activity*

ETEC Educational Technology

EXED Extension Education

HLSC Health Science

ITED Industrial/Technical Education

MILS Military Science*

PEAC Physical Education Activity*

PHED Physical Education

RECR Recreation

UNIV University

VOED Vocational Education

*No more than four of the eight hours may be applied from AERO, MILS, PEAC, or DEAC (combined).

7. 68-Hour Rule

Students who transfer into the University may present for degree credit no more than 68 hours of lower division course work (1000 and 2000 level).

8. Writing Requirement

Students graduating from Fulbright College must write a research/analytical paper for at least one upper-division course in his or her major. Each department has determined its own procedures for certifying completion of this requirement. Questions should be referred to the departmental chairperson.

A student may choose to write a senior thesis in a major area of study. The thesis may be accorded up to six hours of credit. Defense of the thesis before a committee is required. Satisfactory completion of an honors project or a senior thesis may be submitted to meet the college writing requirement.

9. Students must complete the stated requirements for a Fulbright College major in addition to all University Requirements for Graduation, including the University Core Requirements (see page 40).

Questions concerning fulfilling the requirements should be referred to the student's adviser or to the dean's office, which will maintain current lists of approved courses, experimental offerings approved to fulfill requirements for a specified period of time, examination schedules, and other options available to the student.

Fulbright College Senior Scholar: A student who has earned at least 50 percent of his or her college credits at the University of Arkansas and has maintained a grade-point average of at least 3.80 through the semester preceding graduation shall earn the distinction of "Fulbright College Senior Scholar."

- 1.) We have a growing number of course offerings that focus on the experiences of Africans in the Diaspora. When the program began in 1969, there were no courses exclusively on Africans. Today, there are at least eight such courses.**
- 2.) Many of our students have expressed a desire to have a name for the program that more accurately illustrates their minor/area studies focus. Students in our program can complete the requirements for the minor with having a majority of their courses focused exclusively on African history, language and culture.**
- 3.) We believe that we can attract more students to our program by making the name change. Students will know that they can learn about Africans as well as African American culture.**
- 4.) The name change is consistent with what has been happening nationally over the past 20 years.**

SECTION VII: Catalog Text and Format

In the box below, insert the current catalog text which is to be changed, with changes highlighted with the color yellow. Include all proposed changes identified in Section V. Only changes explicitly stated in Section V will be considered for approval by the University Course and Programs Committee, the Graduate Council and the Faculty Senate. Include the following elements, in order, in the catalog text for proposed undergraduate program(s) or program changes:

- State complete major/program name
- Briefly define or describe the major/program or discipline.
- Identify typical career goals or paths for graduates. (Optional)
- State admission requirements (if any) for entry or entry into upper/advanced level of major/program.
- Identify location in catalog of university, college/school, and department/program requirements which the student must meet in addition to hours in the major, but do not restate these requirements.

SECTION VI: Justification

Justify this change and state its likely effect on any other degree program (including those outside the school or college). Identify any program or program components (other than courses) to be eliminated if this program is implemented. (Program and course change forms must also be submitted for such related changes.)

- 1.) We have a growing number of course offerings that focus on the experiences of Africans in the Diaspora. When the program began in 1969, there were no courses exclusively on Africans. Today, there are at least eight such courses.**
- 2.) Many of our students have expressed a desire to have a name for the program that more accurately illustrates their minor/area studies focus. Students in our program can complete the requirements for the minor with having a majority of their courses focused exclusively on African history, language and culture.**
- 3.) We believe that we can attract more students to our program by making the name change. Students will know that they can learn about Africans as well as African American culture.**
- 4.) The name change is consistent with what is happening nationally. More programs than not have made such modifications over the course of the past 20 years.**

SECTION VII: Catalog Text and Format

In the box below, insert the current catalog text which is to be changed, with changes highlighted with the color yellow. Include all proposed changes identified in Section V. Only changes explicitly stated in Section V will be considered for approval by the University Course and Programs Committee, the Graduate Council and the Faculty Senate. If you are proposing a new program, give proposed text with all of the elements listed below. If you are proposing modified text, include these elements as appropriate.

Include the following elements, in order, in the catalog text for proposed undergraduate program(s) or program changes:

- State complete major/program name
- Briefly define or describe the major/program or discipline.
- Identify typical career goals or paths for graduates. (Optional)
- State admission requirements (if any) for entry or entry into upper/advanced level of major/program.
- Identify location in catalog of university, college/school, and department/program requirements which the student must meet in addition to hours in the major, but do not restate these requirements.
- State course requirements in the major and any allied areas, giving number of hours and specific courses; specify electives or elective areas and give numbers of hours and courses in elective pools or categories; identify any other course requirements.
- State any other requirements (required GPA, internship, exit exam, project, thesis, etc.).
- Identify name and requirements for each concentration (if any).
- Specify whether a minor or other program component is allowed or required and provide details.
- State eight-semester plan requirements

For minors, state requirements in terms of hours, required courses, electives, etc.

For graduate program/units, include elements (as needed) parallel to those listed for undergraduate programs above.

The J. William Fulbright College of Arts and Sciences has a long-established commitment to the study of American cultures. Virtually every department offers courses centered on various aspects of human experience on the North American continent. The American Studies major promotes interdisciplinary approaches to these fields and provides substantial flexibility for students wishing to design tightly focused or highly individualized courses of study.

Requirements for a Major in American Studies:

In addition to the university/state core requirements (see page 42) and the Fulbright College of Arts and Sciences Graduation Requirements (see page 124 under College Academic Regulations and Degree Completion Policy), the following course requirements must be met. Bolded courses from the list below may be applied to portions of the University/state minimum core requirements.

The American Studies major program requires 30 semester hours, which must include the following:

1. Three hours Introduction to American Studies, **AMST 2003**.
2. Three hours of American history, **HIST 2003** or **HIST 2013**.
3. Three hours of **American National Government, PLSC 2003**
4. Three hours of American literature to be selected from ENGL 3833, ENGL 3843, ENGL 3853 or ENGL 3863. (Papers submitted in this course will fulfill the Fulbright College writing requirement.)
5. Eighteen hours to be selected from the following courses, with the selection to include:
 - a. At least one of the following:
ARCH 4483, ARHS 4913, ARHS 4923, COMM 4143, COMM 4353, COMM 4383, COMM 4883, MUHS 4253
 - b. At least one of the following:
ANTH 3213, ANTH 3253, GEOG 3343, GEOG 4063, SOCI 3193, SOCI 3253
 - c. At least one of the following:
PLSC 3153, PLSC 3853, PLSC 3933, PLSC 4203
 - d. Nine hours in the chosen area of concentration. Sample areas of concentration include the following:
African-American Culture – selections from:
HIST 3233, PLSC 4243, SOCI 4123, and other approved courses.
Contemporary Politics – selections from:
COMM 4383, HIST 4733, SOCI 3153, and other approved courses.
Gender Issues – selections from:
ENGL 3923H, and other approved courses.
Native American Culture – selections from:
ANTH 3213, ANTH 3263, HIST 3263, and other approved courses.
Southern Culture – selections from:
ENGL 3923H, HIST 4563, HIST 4573, and other approved courses
Western or Frontier Studies – selections from:
HIST 3383, HIST 4463, PLSC 3223, and other approved courses

Requirements for the Major in American Studies with Emphasis on Regional Studies: Students wishing to major in American Studies with emphasis on regional studies may complete requirements (1), (2), (3), (4), and (5) as all majors. They must also complete ANTH or SOCI 3253 to satisfy requirement (5A) and PLSC 3223 to satisfy requirement (5C). Either HIST 4563, or HIST 4573 must also be completed in satisfying requirement (5D). These requirements total nine hours, leaving six elective hours to complete requirement (5D).

American Studies Eight-Semester Degree Program:

Students wishing to follow the eight-semester degree plan should see page 42 in the Academic Regulations chapter for university requirements of the program. Core requirement hours may vary by individual, based on placement and previous credit granted. Once all core requirements are met,

students may substitute a three-hour (or more) general elective in place of a core course.

SECTION IV: Eliminate an Existing Program/Unit

Code/Name Effective Catalog Year
No new students admitted to program after Term: Year:
Allow students in program to complete under this program until Term: Year:

SECTION V: Proposed Changes to an Existing Program or Program Policies

Insert here a statement of the exact changes to be made: The International Relations curriculum is to be revised to specifically require HIST 1123 World Civilization II and GEOG 2003 World Geography.

The requirement for all majors to take ECON 4633 International Trade Policy or 4643 International Macroeconomics & Finance is being removed. (Those courses may be used to fulfill requirements in two different thematic tracks in the revised major.)

Six thematic track options are being created. Students will have to complete the requirements for one of the following six tracks: Generalist; International Security; International Economics and Development; Food, the Environment & Geography in International Relations; People, Cultures, and Identities in Global Context; and The United States in the World. These tracks will replace the previous "required minors" for the International Relations major.

The overall number of credit hours required for the major will change from 48-51 hours (depending on the selected required minor) to a minimum of 45 credit hours.

Check if either of these boxes apply and provide the necessary signature:

- Program change proposal adds courses offered by another academic college, and that college dean's office has been notified. The signature of the dean of that academic college is required here: _____
- Program change proposal deletes courses offered by another academic college, and that college dean's office has been notified. The signature of the dean of that academic college is required here: _____

Check all the boxes that apply and complete the required sections of the form:

- Change of Name and Code (Complete only sections I, II, V and VII.)
- Change Course Requirements: (Complete all sections of the form except "Proposed Name" in II, section III, and section IV.)
- Change Delivery Site/Method (Complete all sections of the form except "Proposed Name" in II, section III, and section IV.)
- Change Total Hours (Complete all sections of the form except "Proposed Name" in II, section III, and section IV.)
- Change in Program Policies

SECTION VI: Justification

Justify this change and state its likely effect on any other degree program (including those outside the school or college). Identify any program or program components (other than courses) to be eliminated if this program is implemented. (Program and course change forms must also be submitted for such related changes.)

The International Relations major was first established in 1998, with less than twenty majors. It has since grown substantially to include more than 290 majors. The purpose of the proposed revisions is threefold:

- 1.) With the growth of the program and the larger number of majors, the revised major will provide students with options which better prepare them for a variety of graduate school and career opportunities.**
- 2.) There is a split in the discipline, with some programs having a broader, humanities focus called International Studies. International Relations programs are more heavily based in policy, political science and history. The revisions bring our major more into line with the top International Relations programs around the country and internationally.**
- 3.) The thematic track options clarify for students the exact nature of the International Relations major.**

These revisions are unlikely to effect any other degree program in the college. They will strengthen immeasurably the International Relations major by ensuring that the curriculum provides students with a stronger social sciences and policy foundation.

SECTION VII: Catalog Text and Format

In the box below, insert the current catalog text which is to be changed, with changes highlighted with the color yellow. Include all proposed changes identified in Section V. Only changes explicitly stated in Section V will be considered for approval by the University Course and Programs Committee, the Graduate Council and the Faculty Senate. If you are proposing a new program, give proposed text with all of the elements listed below. If you are proposing modified text, include these elements as appropriate.

Include the following elements, in order, in the catalog text for proposed undergraduate program(s) or program changes:

- State complete major/program name
- Briefly define or describe the major/program or discipline.
- Identify typical career goals or paths for graduates. (Optional)
- State admission requirements (if any) for entry or entry into upper/advanced level of major/program.
- Identify location in catalog of university, college/school, and department/program requirements which the student must meet in addition to hours in the major, but do not restate these requirements.
- State course requirements in the major and any allied areas, giving number of hours and specific courses; specify electives or elective areas and give numbers of hours and courses in elective pools or categories; identify any other course requirements.
- State any other requirements (required GPA, internship, exit exam, project, thesis, etc.).
- Identify name and requirements for each concentration (if any).
- Specify whether a minor or other program component is allowed or required and provide details.
- State eight-semester plan requirements

For minors, state requirements in terms of hours, required courses, electives, etc.

For graduate program/units, include elements (as needed) parallel to those listed for undergraduate programs above.

For Law School program/units, prepare text consistent with current catalog style.

For centers, prepare text consistent with current catalog style.

Requirements for a Major in International Relations:

A minimum of 45 credit hours to include:

- 3 IREL/PLSC 2813 Intro to International Relations
- 3-6 ECON 2143 Basic Economics *Or* ECON 2013 Macroeconomics and ECON 2023 Microeconomics
- 3 HIST 1123 World Civilization, 1500 – Present
- 3 GEOG 2003 World Geography
- 3 IREL 4003 International Relations Seminar
- 6 Six credit hours of 3000-level or higher world language courses in the same language. (*This requirement cannot be satisfied with 3 credits in one language and 3 credits in a second language.*) Students may need to fulfill prerequisites in a world language at the 1003¹, 1013, 2003 or 2013 level, depending on placement level in that language.

Area Studies Requirement:

Select one (1) area studies focus, and complete the two required courses for that area (6 credit hours).

- 1). One course cross-listed with AIST or as approved by advisor
AIST 4003 Asian Studies Colloquium
- 2). EUST 2013 Introduction to Europe

Study Abroad:

All International Relations majors are strongly encouraged to study abroad. With prior approval from the International Relations chair or designee, up to six credits of related and appropriate study abroad coursework can be used to fulfill part of the thematic track requirement. Advanced (3000-level equivalent) study abroad coursework in languages may also be used to fulfill the language requirement.

Internships:

All International Relations majors are strongly encouraged to seek out an IR-related internship. With prior approval from the International Relations chair or designee, up to six credits of internship credits (IREL 300V) from a related and appropriate internship can be used to fulfill part of the thematic track requirement.

Independent Study:

With prior approval from the International Relations chair or designee, up to six credits of independent study (IREL 406V) can be used to fulfill part of the thematic track requirement.

International Relations Eight Semester Degree Program:

Students wishing to follow the eight semester degree plan should see page 42 in the Academic Regulations chapter for university requirements. Core requirement hours may vary by individual, based on placement and previous credit granted. Once all core requirements are met, students may substitute a three hour (or more) general elective in place of a core area.

When a program name is changed, enrollment of current students reflects the new name.

SECTION III: Add a New Program/Unit

[] For new program proposals, complete Sections II and VII and use as a cover sheet for a full program proposal as described in 'Criteria and Procedures for Preparing Proposals for New Programs in Arkansas.' ADHE
http://www.arkansashighered.com/pdfs/BookAppNewProgramCriteriaandProceduresRevised2005.pdf.

[] Program proposal uses courses offered by another academic college, and that college dean's office has been notified. The signature of the dean of that academic college is required here:

SECTION IV: Eliminate an Existing Program/Unit

Code/Name ANSOBA/Combined Major in Anthropology/Sociology Effective Catalog Year 2011

No new students admitted to program after Term: Spring Year: 2011
Allow students in program to complete under this program until Term: Spring Year: 2014

SECTION V: Proposed Changes to an Existing Program or Program Policies

Insert here a statement of the exact changes to be made: Delete the combined major in anthropology/sociology.

Check if either of these boxes apply and provide the necessary signature:

- Program change proposal adds courses offered by another academic college, and that college dean's office has been notified. The signature of the dean of that academic college is required here: _____
- Program change proposal deletes courses offered by another academic college, and that college dean's office has been notified. The signature of the dean of that academic college is required here: _____

Check all the boxes that apply and complete the required sections of the form:

- Change of Name and Code (Complete only sections I, II, V and VII.)
- Change Course Requirements: (Complete all sections of the form except "Proposed Name" in II, section III, and section IV.)
- Change Delivery Site/Method (Complete all sections of the form except "Proposed Name" in II, section III, and section IV.)
- Change Total Hours (Complete all sections of the form except "Proposed Name" in II, section III, and section IV.)
- Change in Program Policies

SECTION VI: Justification

Justify this change and state its likely effect on any other degree program (including those outside the school or college). Identify any program or program components (other than courses) to be eliminated if this program is implemented. (Program and course change forms must also be submitted for such related changes.)

Faculties in both ANTH and SOCI request that this program be deleted because of low student demand (average of 2 students per year over the last 10 years complete requirements for this program). No courses will be eliminated. Students interested in anthropology and sociology will be encouraged to take advantage of opportunities to declare double majors or major in one field and minor in the other.

SECTION VII: Catalog Text and Format

In the box below, insert the current catalog text which is to be changed, with changes highlighted with the color yellow. Include all proposed changes identified in Section V. Only changes explicitly stated in Section V will be considered for approval by the University Course and Programs Committee, the Graduate Council and the Faculty Senate. If you are proposing a new program, give proposed text with all of the elements listed below. If you are proposing modified text, include these elements as appropriate.

Include the following elements, in order, in the catalog text for proposed undergraduate program(s) or program changes:

- State complete major/program name
- Briefly define or describe the major/program or discipline.
- Identify typical career goals or paths for graduates. (Optional)
- State admission requirements (if any) for entry or entry into upper/advanced level of major/program.
- Identify location in catalog of university, college/school, and department/program requirements which the student must meet in addition to hours in the major, but do not restate these requirements.
- State course requirements in the major and any allied areas, giving number of hours and specific courses; specify electives or elective areas and give numbers of hours and courses in elective pools or categories; identify any other course requirements.
- State any other requirements (required GPA, internship, exit exam, project, thesis, etc.).
- Identify name and requirements for each concentration (if any).
- Specify whether a minor or other program component is allowed or required and provide details.
- State eight-semester plan requirements

For minors, state requirements in terms of hours, required courses, electives, etc.

For graduate program/units, include elements (as needed) parallel to those listed for undergraduate programs above.

For Law School program/units, prepare text consistent with current catalog style.

For centers, prepare text consistent with current catalog style.

Anthropology/Sociology Combined Major (Bachelor of Arts)
6. CIP Code: 45.0201/45.1101
7. Degree Code: BA
8. Reason for deletion: Lack of student interest/persistence in completing this degree program option. Although the current enrollment indicates that there is a healthy student interest in this degree program, students usually complete the degree requirements for the Anthropology and/or the Sociology major rather than pursuing the Anthropology/Sociology combined major. Over the last 10 years, an average of 2 students complete the degree requirements for this program annually. Neither the Anthropology department nor the Sociology department is interested in retaining this program.
9. Number of students still enrolled in program: 36
10. Expected graduation date of last student: May, 2014
11. Name of courses which will be deleted as a result of this action: N/A
12. How will students in the deleted program be accommodated: Any students currently enrolled in program will be allowed to complete their program through spring 2014.

SECTION V: Proposed Changes to an Existing Program or Program Policies

Insert here a statement of the exact changes to be made:

1.) Inserting the following statement, "The Department of Art will require portfolio review for acceptance of all studio art transfer courses above the foundations level."

2.) For the Art, BA Studio Art concentration: specifying 15 hours of required coursework from outside the department of Art. For the Art, BA Art History concentration: specifying completion of 2013 Intermediate II of a world language is required, plus 9 hours of coursework from outside the department of Art.

3.) Changes to 8-semester plans for both the Art, BA Studio Art major and the Art, BA Art History Concentration to accommodate the anticipated change to the Fulbright College core/graduation requirements. The 8-semester plans reflect the requirements for the major, the 35-hour university/state core requirements and Fulbright College graduation requirements.

Check if either of these boxes apply and provide the necessary signature:

- Program change proposal adds courses offered by another academic college, and that college dean's office has been notified. The signature of the dean of that academic college is required here: _____
- Program change proposal deletes courses offered by another academic college, and that college dean's office has been notified. The signature of the dean of that academic college is required here: _____

Check all the boxes that apply and complete the required sections of the form:

- Change of Name and Code (Complete only sections I, II, V and VII.)
- Change Course Requirements: (Complete all sections of the form except "Proposed Name" in II, section III, and section IV.)
- Change Delivery Site/Method (Complete all sections of the form except "Proposed Name" in II, section III, and section IV.)
- Change Total Hours (Complete all sections of the form except "Proposed Name" in II, section III, and section IV.)
- Change in Program Policies

SECTION VI: Justification

Justify this change and state its likely effect on any other degree program (including those outside the school or college). Identify any program or program components (other than courses) to be eliminated if this program is implemented. (Program and course change forms must also be submitted for such related changes.)

BA Studio Art: Since interdisciplinary study is critical for visual arts, the Department of Art requires--in addition to the core education requirements--a minimum of 15 elective hours, approved by a departmental advisor, to be selected outside of the department.

BA Art History: Since interdisciplinary study is critical for art historians, students concentrating in art history are also required to take nine hours of electives, approved by a departmental advisor, to be selected outside of the department.

All students in Art enter into the department as BA students; however, many apply to the BFA degree which differs greatly in credit hours. The department maintains the importance of interdisciplinary studies, but in order to keep the student on track for 124 hours, any credit obligations beyond the 9-15 hours of hours required would force the student to exceed 124 credits (in the BFA), and the student may not graduate in four years. Most of the students apply to the BFA in their junior year.

The 8-semester plans need to be modified to reflect the 35-hour state core requirement, major requirements and remove references to the old Fulbright core requirements while still adhering to the Fulbright College graduation/degree requirements.

SECTION VII: Catalog Text and Format

In the box below, insert the current catalog text which is to be changed, with changes highlighted with the color yellow. Include all proposed changes identified in Section V. Only changes explicitly stated in Section V will be considered for approval by the University Course and Programs Committee, the Graduate Council and the Faculty Senate. If you are proposing a new program, give proposed text with all of the elements listed below. If you are proposing modified text, include these elements as appropriate.

Include the following elements, in order, in the catalog text for proposed undergraduate program(s) or program changes:

- State complete major/program name
- Briefly define or describe the major/program or discipline.
- Identify typical career goals or paths for graduates. (Optional)
- State admission requirements (if any) for entry or entry into upper/advanced level of major/program.
- Identify location in catalog of university, college/school, and department/program requirements which the student must meet in addition to hours in the major, but do not restate these requirements.
- State course requirements in the major and any allied areas, giving number of hours and specific courses; specify electives or elective areas and give numbers of hours and courses in elective pools or categories; identify any other course requirements.

- State any other requirements (required GPA, internship, exit exam, project, thesis, etc.).
- Identify name and requirements for each concentration (if any).
- Specify whether a minor or other program component is allowed or required and provide details.
- State eight-semester plan requirements

For minors, state requirements in terms of hours, required courses, electives, etc.

For graduate program/units, include elements (as needed) parallel to those listed for undergraduate programs above.

For Law School program/units, prepare text consistent with current catalog style.

For centers, prepare text consistent with current catalog style.

Bachelor of Arts Degree

Transfer students should confer with the departmental advisors prior to entrance for information concerning entrance requirements and transfer credits. The Department of Art will require portfolio review for acceptance of all studio art transfer courses above the foundations level.

Requirements for a Major in Art with a Concentration in Studio Art:

In addition to the university/state core requirements (see page 42) and the Fulbright College of Arts and Sciences Graduation Requirements (see page 124 under College Academic Regulations and Degree Completion Policy), the following course requirements must be met.

A minimum of 58 semester hours, including 15 hours of courses, taken outside the department of art (as approved by a departmental advisor); and 43 hours to include ARTS 1313, ARTS 1323, ARTS 1013, ARTS 2013, ARTS 2313, ARTS 4921, and at least 12 hours in art history/criticism to include: ARHS 2913 (Survey I) and 2923 (Survey II); one course from ARHS 4833 (Ancient), ARHS 4843 (Medieval), ARHS 4853 (Italian Renaissance), ARHS 4863 (Northern Renaissance), ARHS 4873 (Baroque); and one course from ARHS 4883 (19th Century European), ARHS 4893 (20th Century European), ARHS 4913 (American Art to 1900), ARHS 4923 (American Art Since 1900), ARHS 4813 (History of Photography), ARHS 4823 (History of Graphic Design). In addition to the freshman year block of courses, the art major must complete a minimum of three semesters (9 credits) in one specialty area of art and a minimum of two semesters (6 credits) in a second area.

Areas of selection are drawing, painting, sculpture, printmaking, ceramics, photography, and visual design. An exhibition of creative work of each student is required before commencement.

Art majors must complete a basic fine arts course that satisfies the University/state core requirement from outside the department of Art.

Art B.A. with a Concentration in Studio Art Eight-Semester Degree

Program

Students wishing to follow the eight-semester degree plan should see page 42 in the Academic Regulations chapter for university requirements of the program. Core requirement hours may vary by individual, based on placement and previous credit granted. Once all core requirements are met, students may substitute a three-hour (or more) general elective in place of a core area. Primary concentration requires 9 hours in one area chosen from ceramics, drawing, visual design, painting, photography, printmaking or sculpture.

SECTION V: Proposed Changes to an Existing Program or Program Policies

Insert here a statement of the exact changes to be made: Under admission requirements to the BFA: Adding a statement that says, "The Department of Art will require portfolio review for acceptance of all studio art transfer courses above the foundations level."

For the Art, BFA Studio Art major:

- 1.) Adding PHIL 2003 as a required course. Changing the total number of hours required for the major from 84 to 87. The total number of hours required for the degree remains unchanged (124).**
- 2.) The 8-semester plan has been changed to reflect this addition and the changes to the Fulbright core/graduation requirements.**

For the Art, BFA Art Education major:

- 1) The following courses have been added as requirements: Completion of 2003 Intermediate I of a world language, PHIL 2003 Intro to Philosophy, COMM 1313 Public Speaking, and PSYC 2003 General Psychology. PHIL 2003 and PSYC 2003 may also be applied to the university/state core requirements. This raises the number of hours required for the major from 64 to 76. The total number of hours required for the Art, BFA Art Education major has been reduced from 129-132 to 126, due to the change in the Fulbright core.**
- 2.) The 8-semester plan has been changed to reflect this addition and the changes to the Fulbright core/graduation requirements.**

Check if either of these boxes apply and provide the necessary signature:

- Program change proposal adds courses offered by another academic college, and that college dean's office has been notified. The signature of the dean of that academic college is required here: _____
- Program change proposal deletes courses offered by another academic college, and that college dean's office has been notified. The signature of the dean of that academic college is required here: _____

Check all the boxes that apply and complete the required sections of the form:

- Change of Name and Code (Complete only sections I, II, V and VII.)
- Change Course Requirements: (Complete all sections of the form except "Proposed Name" in II, section III, and section IV.)
- Change Delivery Site/Method (Complete all sections of the form except "Proposed Name" in II, section III, and section IV.)
- Change Total Hours (Complete all sections of the form except "Proposed Name" in II, section III, and section IV.)
- Change in Program Policies

SECTION VI: Justification

Justify this change and state its likely effect on any other degree program (including those outside the school or college). Identify any program or program components (other than courses) to be eliminated if this program is implemented. (Program and course change forms must also be submitted for such related changes.)

Justification for portfolio review requirement needed.

Art, BFA Studio Art

- 1.) PHIL 4403 Philosophy of Art is a required course for the Art, BFA degree. We feel that it would be beneficial for students to have had PHIL 2003 prior to taking PHIL 4403 Philosophy of Art.**
- 2.) The 8-semester plan must be corrected to reflect the requirements for the major, the 35-hour university/state minimum core and the Fulbright College graduation/degree requirements.**

Art, BFA Art Education

1.) Course additions:

a. 2003 Intermediate I world language--

- b. PHIL 2003--PHIL 4403 Philosophy of Art is a required course for the Art, BFA degree. We feel that it would be beneficial for students to have had PHIL 2003 prior to taking PHIL 4403 Philosophy of Art.**
- c. COMM 1313 Public Speaking is a course that is important for anyone who would be pursuing a career in teaching.**
- d. PSYC 2003 General Psychology is a prerequisite for several CIED courses.**

- 2.) The 8-semester plan must be corrected to reflect the requirements for the major, the 35-hour university/state minimum core and the Fulbright College graduation/degree requirements.**

SECTION VII: Catalog Text and Format

In the box below, insert the current catalog text which is to be changed, with changes highlighted with the color yellow. Include all proposed changes identified in Section V. Only changes explicitly stated in Section V will be considered for approval by the University Course and Programs Committee, the Graduate Council and the Faculty Senate. If you are proposing a new program, give proposed text with all of the elements listed below. If you are proposing modified text, include these elements as appropriate.

Include the following elements, in order, in the catalog text for proposed undergraduate program(s) or program changes:

- State complete major/program name
- Briefly define or describe the major/program or discipline.
- Identify typical career goals or paths for graduates. (Optional)
- State admission requirements (if any) for entry or entry into upper/advanced level of major/program.
- Identify location in catalog of university, college/school, and department/program requirements which the student must meet in addition to hours in the major, but do not restate these requirements.
- State course requirements in the major and any allied areas, giving number of hours and specific courses; specify electives or elective areas and give numbers of hours and courses in elective pools or categories; identify any other course requirements.
- State any other requirements (required GPA, internship, exit exam, project, thesis, etc.).
- Identify name and requirements for each concentration (if any).
- Specify whether a minor or other program component is allowed or required and provide details.
- State eight-semester plan requirements

For minors, state requirements in terms of hours, required courses, electives, etc.

For graduate program/units, include elements (as needed) parallel to those listed for undergraduate programs above.

For Law School program/units, prepare text consistent with current catalog style.

For centers, prepare text consistent with current catalog style.

Bachelor of Fine Arts Degree

Admission: Students earning a grade-point average of 3.00 or higher in art, after the completion of ARTS 1013, 1313, and 1323, and who have maintained an overall grade-point average of 2.00 are eligible to make application to the B.F.A. degree program. In addition to meeting the required grade-point average, all students must submit, as part of their application, a portfolio of current representative work for evaluation by the art faculty. Acceptance into the B.F.A. program is contingent upon favorable evaluation by the art faculty of the applicant's portfolio. Upon acceptance into the B.F.A. degree program, each student will be assigned a major adviser for the purpose of completing a degree plan, which must meet departmental approval.

After entry into the B.F.A. program, the student is required to complete two semesters with a minimum of three credit hours of course work in their major studio area each semester.

Transfer credit will be allowed from other accredited and recognized art departments if the credit earned is compatible with program and course requirements within the UA art department and reflects a grade of "C" or higher. This department will not accept more than 50 percent of the required B.F.A. professional degree credits from another institution. The Department of Art will require portfolio review for acceptance of all studio art transfer courses above the foundations level.

Degree Requirements: The Bachelor of Fine Arts degree will be awarded to students, who, upon the completion of the approved program, have maintained a 3.00 grade-point average within the UA art department and a 2.00 grade-point average overall. Students in the B.F.A. program whose grade point average falls below 3.0 in art classes for two consecutive semesters will be dismissed from the B.F.A. program. A faculty-supervised critique of the work of each student, once each semester in the program, is required. A senior review and exhibition will be required prior to the granting of the degree.

Off-campus Study Requirement: Each student is required to complete an approved off-campus study experience each semester in the program. This may involve a field trip to an urban center that includes visits to major art collections.

Requirements for the Bachelor of Fine Arts Degree with a Concentration

in Studio Art: In addition to the university/state core requirements (see page 42) and the Fulbright College of Arts and Sciences Graduation Requirements (see page 124 under College Academic Regulations and Degree Completion Policy), the following course requirements must be met.

A minimum of 87 semester hours including ARTS 1013, ARTS 1313, ARTS 1323, ARTS 2003, ARTS 2013, ARTS 2313, ARTS 3333, ARTS 3023 or ARTS 4343, ARTS 4921, **PHIL 2003**, PHIL 4403, plus a minimum of 18 semester hours in the selected studio major, a minimum of 23 semester hours in art electives (must include a minimum of one course in each of the following areas: painting, sculpture, printmaking, visual design, photography, and ceramics. Up to six credit hours may be taken outside of the department with approval), and at least 15 semester hours in art history including ARHS 2913, ARHS 2923, and ARHS 4943.

Program

Students wishing to follow the eight-semester degree plan should see page 42 in the Academic Regulations chapter for university requirements of the program. Core

requirement hours may vary by individual, based on placement and previous credit granted. Once all core requirements are met, students may substitute a three-hour (or more) general elective in place of a core area.

ARTS Electives must include at least one course in each of the following media areas: painting, sculpture, printmaking, visual design, photography, and ceramics.

Students who wish to apply for admission to the internship program in art education must complete the following Stages.

Stage I: Complete an evaluation for internship. Students must also meet the following criteria to be cleared for the internship:

1. Declare the major in art education in the Fulbright Advising Center, 518 Old Main.

2. Successful completion of the PRAXIS I test by meeting or exceeding the Arkansas Department of Education cut-off scores. This test should be taken after the student has completed 30 credit hours and upon completion of ENGL 1013, ENGL 1023, and MATH 1203.

3. Obtain a "C" or better in the following pre-education core courses:

CIED 1002, CIED 1011, CIED 3023, CIED 3033, ETEC 2001, ETEC 2002L.

4. Obtain a "C" or better in ARED 3613, ARED 3643, ARED 3653.

5. Satisfactory completion of the Evaluation for Internship form. The evaluation form must be completed by October 1 prior to doing a fall internship or March 1 prior to doing a spring internship. This form is available at

http://coehp.uark.edu/Evaluation_for_Art_Internship.doc.

The completed form must be returned to the Coordinator of Teacher Education, 8 Peabody Hall, no later than the stated deadline.

6. Complete the B.F.A. degree with a cumulative GPA of 2.50 or higher. The degree must be posted to your University of Arkansas transcript at the Registrar's Office prior to internship.

7. Obtain departmental clearance for internship based on successful completion of portfolios, evaluation for internship, GPA requirements, course work requirements, selected written recommendations, an interview, and/or other requirements specified by your program.

8. Complete licensure packet available from the Coordinator of Teacher Education, Peabody Hall Room 8.

All requirements in Stage I must be met to be cleared for the internship.

Please contact the Coordinator of Teacher Education, 8 Peabody Hall, College of Education and Health Professions for more information.

Stage II: Internship

1. Complete the one-semester internship at an approved site in Washington or Benton counties.

2. Complete Praxis II requirements. See your adviser for completion dates.

NOTE: Students should always consult the Coordinator of Teacher Education for any licensure requirement changes. Students will not be licensed to teach in Arkansas until they have met all requirements for licensure as set forth by the Arkansas Department of Education.

Usually licensure in another state is facilitated by qualifying for a license in Arkansas. An application in another state must be made on the application form of that state, which can be obtained by request from the State Teacher Licensure office in the capital city. An official transcript should accompany the

application. In many instances the applications are referred to the Coordinator of Teacher Education to verify program completion in teacher education.

Writing Requirement: The Fulbright College research/analytical writing requirement for art majors, B.A. and B.F.A. degrees, will be fulfilled in art history courses ARHS 4833, ARHS 4843, ARHS 4853, ARHS 4863, ARHS 4873, ARHS 4943, and ARHS 4963. It also may be an honors thesis in art history (only).

When a program name is changed, enrollment of current students reflects the new name.

SECTION III: Add a New Program/Unit

[] For new program proposals, complete Sections II and VII and use as a cover sheet for a full program proposal as described in 'Criteria and Procedures for Preparing Proposals for New Programs in Arkansas.' ADHE
http://www.arkansashighered.com/pdfs/BookAppNewProgramCriteriaandProceduresRevised2005.pdf.

[] Program proposal uses courses offered by another academic college, and that college dean's office has been notified. The signature of the dean of that academic college is required here:

No new students admitted to program after Term: Year:
Allow students in program to complete under this program until Term: Year:

SECTION V: Proposed Changes to an Existing Program or Program Policies

Insert here a statement of the exact changes to be made: 1) Adding the completion of 2003 Intermediate I level of a world language as a requirement to the Chemistry BA degree. 2) Modifying the 8-semester plans to reflect addition of these requirements and the change in the Fulbright core.

Check if either of these boxes apply and provide the necessary signature:

- Program change proposal adds courses offered by another academic college, and that college dean's office has been notified. The signature of the dean of that academic college is required here: _____
- Program change proposal deletes courses offered by another academic college, and that college dean's office has been notified. The signature of the dean of that academic college is required here: _____

Check all the boxes that apply and complete the required sections of the form:

- Change of Name and Code (Complete only sections I, II, V and VII.)
- Change Course Requirements: (Complete all sections of the form except "Proposed Name" in II, section III, and section IV.)
- Change Delivery Site/Method (Complete all sections of the form except "Proposed Name" in II, section III, and section IV.)
- Change Total Hours (Complete all sections of the form except "Proposed Name" in II, section III, and section IV.)
- Change in Program Policies

SECTION VI: Justification

Justify this change and state its likely effect on any other degree program (including those outside the school or college). Identify any program or program components (other than courses) to be eliminated if this program is implemented. (Program and course change forms must also be submitted for such related changes.)

1) In light of the international nature of the field of chemistry, the faculty of the department of chemistry and biochemistry believe that at least some knowledge of a foreign language should be part of a liberal arts degree such as the BA degree. In addition, the Committee on Professional Training of the American Chemical Society which is the accrediting organization for the program strongly recommends that a foreign language be part of a degree in chemistry.

2) Adjustments to the 8-semester plan required to reflect the requirements for the major, the 35-hour university/state minimum core and Fulbright College graduation requirements.

SECTION VII: Catalog Text and Format

In the box below, insert the current catalog text which is to be changed, with changes highlighted with the color yellow. Include all proposed changes identified in Section V. Only changes explicitly stated in Section V will be considered for approval by the University Course and Programs Committee, the Graduate Council and the Faculty Senate. If you are proposing a new program, give proposed text with all of the elements listed below. If you are proposing modified text, include these elements as appropriate.

Include the following elements, in order, in the catalog text for proposed undergraduate program(s) or program changes:

- State complete major/program name
- Briefly define or describe the major/program or discipline.
- Identify typical career goals or paths for graduates. (Optional)
- State admission requirements (if any) for entry or entry into upper/advanced level of major/program.
- Identify location in catalog of university, college/school, and department/program requirements which the student must meet in addition to hours in the major, but do not restate these requirements.
- State course requirements in the major and any allied areas, giving number of hours and specific courses; specify electives or elective areas and give numbers of hours and courses in elective pools or categories; identify any other course requirements.
- State any other requirements (required GPA, internship, exit exam, project, thesis, etc.).
- Identify name and requirements for each concentration (if any).
- Specify whether a minor or other program component is allowed or required and provide details.
- State eight-semester plan requirements

For minors, state requirements in terms of hours, required courses, electives, etc.

For graduate program/units, include elements (as needed) parallel to those listed for undergraduate programs above.

For Law School program/units, prepare text consistent with current catalog style.

For centers, prepare text consistent with current catalog style.

The Chemistry, Bachelor of Arts degree is appropriate for premedical students, prospective secondary school science teachers, and others who do not intend to pursue professional careers in chemistry.

Requirements for a B.A. degree with a Major in Chemistry: In addition to the university/state core requirements (see page 42) and the Fulbright College of Arts and Sciences Graduation Requirements (see page 124 under College Academic Regulations and Degree Completion Policy), the following course requirements must be met. Bolded courses from the list below may be applied to portions of the University/state minimum core requirements.

Completion of a world language course at the **2003 Intermediate I** level¹, **CHEM 1213/1211L**, **CHEM 1223/1221L**, (or **CHEM 1103/1101L**, **CHEM 1123/1121L**), CHEM 2263, CHEM 2261L, and 18 additional semester hours in chemistry to include CHEM 3703/3702L and 3713/3712L or CHEM 3603/3601L and 3613/3611L, and either CHEM 3453/3451L, or the combination CHEM 3504 and CHEM 3514/3512L and two additional lecture courses numbered above 3000.

PHYS 2033/2031L and **MATH 2554** or **MATH 2043** are prerequisites for CHEM 3453, and **PHYS 2074** and **MATH 2574** are prerequisites for the alternate physical chemistry course sequence CHEM 3504-3514/3512L. These physics and mathematics prerequisite requirements are substantial, and these courses and their prerequisites should be scheduled early in the student's program. Sample schedules may be obtained from the department of chemistry and biochemistry. Prospective students should consult a departmental adviser.

Chemistry B.A. Eight-Semester Degree Program

Students wishing to follow the eight-semester degree plan should see page 42 in the Academic Regulations chapter for university requirements of the program. Core requirement hours may vary by individual, based on placement and previous credit granted. Once all core requirements are met, students may substitute a three-hour (or more) general elective in place of a core area.

[] For new program proposals, complete Sections II and VII and use as a cover sheet for a full program proposal as described in 'Criteria and Procedures for Preparing Proposals for New Programs in Arkansas.' ADHE
http://www.arkansashighered.com/pdfs/BookAppNewProgramCriteriaandProceduresRevised2005.pdf.

[] Program proposal uses courses offered by another academic college, and that college dean's office has been notified. The signature of the dean of that academic college is required here:

SECTION IV: Eliminate an Existing Program/Unit

Code/Name Effective Catalog Year
No new students admitted to program after Term: Year:
Allow students in program to complete under this program until Term: Year:

SECTION V: Proposed Changes to an Existing Program or Program Policies

Insert here a statement of the exact changes to be made: Modifying the 8-semester plans to reflect the change in the Fulbright core.

Check if either of these boxes apply and provide the necessary signature:

- Program change proposal adds courses offered by another academic college, and that college dean's office has been notified. The signature of the dean of that academic college is required here: _____
- Program change proposal deletes courses offered by another academic college, and that college dean's office has been notified. The signature of the dean of that academic college is required here: _____

Check all the boxes that apply and complete the required sections of the form:

- Change of Name and Code (Complete only sections I, II, V and VII.)
- Change Course Requirements: (Complete all sections of the form except "Proposed Name" in II, section III, and section IV.)
- Change Delivery Site/Method (Complete all sections of the form except "Proposed Name" in II, section III, and section IV.)
- Change Total Hours (Complete all sections of the form except "Proposed Name" in II, section III, and section IV.)
- Change in Program Policies

SECTION VI: Justification

Justify this change and state its likely effect on any other degree program (including those outside the school or college). Identify any program or program components (other than courses) to be eliminated if this program is implemented. (Program and course change forms must also be submitted for such related changes.)

Adjustments to the 8-semester plan are required to reflect the requirements for the major (unchanged), the 35-hour university/state minimum core and Fulbright College graduation requirements.

SECTION VII: Catalog Text and Format

In the box below, insert the current catalog text which is to be changed, with changes highlighted with the color yellow. Include all proposed changes identified in Section V. Only changes explicitly stated in Section V will be considered for approval by the University Course and Programs Committee, the Graduate Council and the Faculty Senate. If you are proposing a new program, give proposed text with all of the elements listed below. If you are proposing modified text, include these elements as appropriate.

Include the following elements, in order, in the catalog text for proposed undergraduate program(s) or program changes:

- State complete major/program name
- Briefly define or describe the major/program or discipline.
- Identify typical career goals or paths for graduates. (Optional)
- State admission requirements (if any) for entry or entry into upper/advanced level of major/program.
- Identify location in catalog of university, college/school, and department/program requirements which the student must meet in addition to hours in the major, but do not restate these requirements.
- State course requirements in the major and any allied areas, giving number of hours and specific courses; specify electives or elective areas and give numbers of hours and courses in elective pools or categories; identify any other course requirements.
- State any other requirements (required GPA, internship, exit exam, project, thesis, etc.).
- Identify name and requirements for each concentration (if any).
- Specify whether a minor or other program component is allowed or required and provide details.
- State eight-semester plan requirements

For minors, state requirements in terms of hours, required courses, electives, etc.

For graduate program/units, include elements (as needed) parallel to those listed for undergraduate programs above.

For Law School program/units, prepare text consistent with current catalog style.

For centers, prepare text consistent with current catalog style.

Requirements for a B.S. degree with a Major in Chemistry:

In addition to the university/state core requirements (see page 42) and the Fulbright College of Arts and Sciences Graduation Requirements (see page 124 under College Academic Regulations and Degree Completion Policy), the following course requirements must be met. Bolded courses from the list below may be applied to portions of the University/state minimum core requirements.

A minimum of 40 semester hours in chemistry including CHEM 1213/1211L, CHEM 1223/1221L, (or CHEM 1103/1101L, CHEM 1123/1121L), CHEM 2263, CHEM 2261L, CHEM 3504, CHEM 3512L, CHEM 3514, CHEM 3703/3702L, CHEM 3713/3712L, CHEM 4123, CHEM

4213/4211L, CHEM 4723, and at least one additional advanced lecture course with 3514 as a prerequisite is required. A minimum of 18 hours of science outside of chemistry and including mathematics through MATH 2574 and physics through PHYS 2074 are required. These mathematics and physics courses are prerequisites for some advanced courses and should be scheduled early in the student's program. Some work in the biological sciences is recommended. This program meets the minimum requirements for certification by the American Chemical Society if CHEM 3813 (or CHEM 4813H/4843H or CHEM 5813/5843) is included. Sample schedules may be obtained from the department of chemistry and biochemistry. Prospective students should consult a departmental adviser.

Chemistry B.S. Eight-Semester Degree Program

Students wishing to follow the eight-semester degree plan should see page 42 in the Academic Regulations chapter for university requirements of the program. Core requirement hours may vary by individual, based on placement and previous credit granted. Once all core requirements are met, students may substitute a three-hour (or more) general elective in place of a core area.

This program meets the minimum requirements for certification by the American Chemical Society if CHEM 3813 (or CHEM 4813H/4843H or CHEM 5813/5843) is included.

PHYS 2054 Calculus Based University Physics (pre- or co-requisite MATH 2554) and PHYS 2074 (pre- or co-requisite MATH 2564), is a better choice for students interested in graduate school.

Requirements for a B.S. degree with a Major in Chemistry, International Option: The B.S. degree with a Major in Chemistry, International Option is designed to allow students from Dublin City College and the University of Regensburg to obtain dual degrees from their home institution and the University of Arkansas, Fayetteville. Admission requirements: Participants must be pursuing the equivalent of a B.S. degree in Chemistry and be students at Dublin City College or the University of Regensburg. Participants must be pre-approved by the on-site transatlantic dual-degree program coordinator of the home institution. Students must officially apply for admission to the University of Arkansas, present all required academic credentials and meet the requirements for admission of international students as found on page 18. English proficiency is a requirement for students in the Atlantis program. This English proficiency requirement may be met by any of the criteria described in the requirements for admission of international students or by personal interview with the transatlantic dual-degree program coordinator or the

coordinator's designee.

A minimum of 40 semester hours in chemistry including CHEM 1213/1211L, CHEM 1223/1221L, (or CHEM 1103/1101L, CHEM 1123/1121L), CHEM 2263, CHEM 2261L, CHEM 3504, CHEM 3512L, CHEM 3514, CHEM 3703/3702L, CHEM 3713/3712L, CHEM 4123, CHEM 4213/4211L, CHEM 4723, and at least one additional advanced lecture course with 3514 as a prerequisite is required.

A minimum of 18 hours of science outside of chemistry and including mathematics through MATH 2574 and physics through PHYS 2074 are required. These mathematics and physics courses are prerequisites for some advanced courses and should be scheduled early in the student's program. Some work in the biological sciences is recommended. This program meets the minimum requirements for certification by the American Chemical Society if CHEM 3813 (or CHEM 4813H/4843H or CHEM 5813/5843) is included.

Students in the international option are also required to complete a thesis as part of the transatlantic dual-degree program requirements. This will be fulfilled by successful completion of a minimum of 1 credit hour of CHEM 498V Senior Thesis. A minor is not required.

University of Arkansas State Core for International Option students:

All state institutions of higher education in Arkansas have a 35-hour minimum core requirement with specified hours in each of six academic areas. This core includes 6 credit hours of English Composition, 6 credit hours of Fine Arts/Humanities, 9 credit hours of Social Science, 3 credit hours of American History, 8 credit hours of science, and 3 credit hours of mathematics. The specific courses at the University of Arkansas that meet those requirements are listed on page 40. It is expected that students from Dublin City College and the University of Regensburg will most likely meet the UA State Core requirements for math and science from transfer credits. The additional English, fine arts and humanities, U.S. History, and Social Science requirements can be met through successful scores on CLEP examinations (page 48), International Baccalaureate exams (page 49), credit by examination conducted by the UA Department of Foreign Languages (cost is \$25 per exam and a grade of "B" or better on the exam is required for credit), and through Continuing Education Independent Study/Correspondence coursework. (No more than 6 hours of Independent Study/Correspondence coursework may be applied to a University of Arkansas degree in the final 30 hours of degree coursework.) It may be necessary for Dublin/Regensburg students to enroll in coursework at the University of Arkansas, Fayetteville campus during the first and/or second summer terms immediately following the spring participating semester to complete state core requirements.

Fulbright College Graduation Completion Requirements for International Option students:

1. A minimum of 124 University of Arkansas degree credit hours are required for a B.S. with a Major in Chemistry, International Option.
2. Residency Requirement – All students in the International Option must complete the minimum residency requirement of at least 30 semester hours in courses offered on the campus in Fayetteville. Fulbright College requires no fewer than 30 hours of credit must be in courses offered by Fulbright College. The College also has a "24 hour rule" that requires a student to complete a minimum of 24 credit hours at the 3000-level or higher, taken from courses in Fulbright College.
3. All other Fulbright College of Arts & Sciences Graduation requirements apply. See page 124.
4. Fulbright College of Arts & Sciences Bachelor of Science degree

requirements. See page 126.

SECTION V: Proposed Changes to an Existing Program or Program Policies

Insert here a statement of the exact changes to be made: 1. Due to changes to the undergraduate core curriculum, the departmental faculty revised the requirements for the major to include three introductory level courses (COMM 1023, 1233,

and 1313) that along with COMM 1003 will serve as an introduction to the major as well prerequisites to 2000-4000 level courses.

2. In addition, a mathematics, world language, and an additional humanities/fine arts requirement beyond the university/state core requirement is being specifically required for the major.

Check if either of these boxes apply and provide the necessary signature:

- Program change proposal adds courses offered by another academic college, and that college dean's office has been notified. The signature of the dean of that academic college is required here: _____
- Program change proposal deletes courses offered by another academic college, and that college dean's office has been notified. The signature of the dean of that academic college is required here: _____

Check all the boxes that apply and complete the required sections of the form:

- Change of Name and Code (Complete only sections I, II, V and VII.)
- Change Course Requirements: (Complete all sections of the form except "Proposed Name" in II, section III, and section IV.)
- Change Delivery Site/Method (Complete all sections of the form except "Proposed Name" in II, section III, and section IV.)
- Change Total Hours (Complete all sections of the form except "Proposed Name" in II, section III, and section IV.)
- Change in Program Policies

SECTION VI: Justification

Justify this change and state its likely effect on any other degree program (including those outside the school or college). Identify any program or program components (other than courses) to be eliminated if this program is implemented. (Program and course change forms must also be submitted for such related changes.)

1. The current requirements for the major have been in place for approximately ten years. During that time the department has grown in size and scope. With an increasing number of majors, the faculty believes that restructuring the requirements to emphasize introductory courses will provide our majors with a stronger foundation in the discipline. We will continue to require COMM 2333, Introduction to Communication Research, as a requirement.

2. The proposed addition of a mathematics, world language, and fine arts/humanities to the major reflects the faculty's desire to add depth and breadth the 35 State Minimum Core in areas that are complementary to the major in communication.

SECTION VII: Catalog Text and Format

In the box below, insert the current catalog text which is to be changed, with changes highlighted with the color yellow. Include all proposed changes identified in Section V. Only changes explicitly stated in Section V will be considered for approval by the University Course and Programs Committee, the Graduate Council and the Faculty Senate. If you are proposing a new program, give proposed text with all of the elements listed below. If you are proposing modified text, include these elements as appropriate.

Include the following elements, in order, in the catalog text for proposed undergraduate program(s) or program changes:

- State complete major/program name
- Briefly define or describe the major/program or discipline.
- Identify typical career goals or paths for graduates. (Optional)
- State admission requirements (if any) for entry or entry into upper/advanced level of major/program.
- Identify location in catalog of university, college/school, and department/program requirements which the student must meet in addition to hours in the major, but do not restate these requirements.
- State course requirements in the major and any allied areas, giving number of hours and specific courses; specify electives or elective areas and give numbers of hours and courses in elective pools or categories; identify any other course requirements.
- State any other requirements (required GPA, internship, exit exam, project, thesis, etc.).
- Identify name and requirements for each concentration (if any).
- Specify whether a minor or other program component is allowed or required and provide details.
- State eight-semester plan requirements

For minors, state requirements in terms of hours, required courses, electives, etc.

For graduate program/units, include elements (as needed) parallel to those listed for undergraduate programs above.

For Law School program/units, prepare text consistent with current catalog style.

For centers, prepare text consistent with current catalog style.

University and College Requirements for a Major in Communication:

In addition to the university/state core requirements (see page 42) and the Fulbright College of Arts and Sciences Graduation Requirements (see page 124 under College Academic Regulations and Degree Completion Policy), the following course requirements must be met. Bolded courses from the list below may be applied to portions of the University/state minimum core requirements.

3 hours **MATH 2033¹, 2043C, 2053C, 2183¹, 2554C**, or ST AT 2303¹;

3-6 hours Completion of a world language course at the 2003² level is preferred. Alternatively, 6 hours of courses from a single culture or world region including African, Asian, European, Latin American and Latino, or Middle Eastern and Islamic may be used to fulfill this requirement. Courses must be approved by a departmental advisor;

9 hours Fine arts and Humanities courses to include: **COMM 1003**, one additional University/state fine arts core course, and one **University/state humanities core course**

42 hours Communication courses:

- a. 9 hours consisting of COMM 1023, 1233 and 1313 (each with a minimum grade of "C");
- b. 3 hours of COMM 2333 (with a minimum grade of "C");
- c. 21 hours of communication courses numbered 3000-4000;
- d. 9 hours of communication electives.

Communication courses that may satisfy University Core requirements will not count toward communication electives. To graduate, students must have a cumulative grade-point average of 2.00 or above within the major.

Writing Requirement: The college writing requirement may be satisfied by a research paper achieving a grade of "C" or better submitted for an upper-division communication class and approved by the chair of the department.

Requirements for Departmental Honors in Communication: The Honors Program in communication gives an opportunity for a student to achieve an additional level of intellectual growth and a satisfaction of accomplishment.

A student engages in independent research and writing, under the supervision of a member of the communication faculty, and participates in special honors classes, seminars, and colloquia.

Faculty recognize outstanding achievement by a student by recommending that the bachelor's degree in communication be awarded with the distinction "Communication Scholar Cum Laude." Higher distinctions may be awarded to truly outstanding students based upon the whole of their academic program and quality of honors research.

To enter the Honors Program, a student must possess a 3.5 minimum grade-point average on all academic work and receive the recommendation of a faculty member in communication to the Honors Council of Fulbright College. A student may pursue an independent research program of a historical, critical, descriptive, or experimental nature, within any of the areas of rhetorical or communication theory, history of public address, interpersonal,

¹ These courses are highly recommended.

² This is usually accomplished through completion of a sequence of two language courses: 1013 and 2003. (Please note: 1003 usually will not count towards the 124 hours required for degree credit; see College Admission Requirements on page XXX for further details.)

small-group, or organizational communication, persuasion, argumentation, political communication, freedom of speech, communication education, or in any closely related areas of inquiry. A student interested in mass communications, broadcasting, or film may choose to pursue either a research project or a creative study. In addition to satisfying the general college and departmental requirements for a bachelor's degree, a student must satisfy departmental honors requirements, which include the following:

1. become an honors candidate no later than the first semester of the junior year of study,
2. enroll in COMM 399VH, Honors Course, a minimum of one hour of credit each semester during the junior-senior years,
3. achieve a 3.5 minimum grade-point average in communication,
4. take 12 hours, which may include 6 hours of thesis in Honors Studies, and
5. write and defend before a faculty examining committee a thesis based on the investigative or creative project undertaken in COMM 399VH.

For a full description of the Honors Program and its requirements, consult with an adviser in the department of communication.

Justify this change and state its likely effect on any other degree program (including those outside the school or college). Identify any program or program components (other than courses) to be eliminated if this program is implemented. (Program and course change forms must also be submitted for such related changes.)

The requirements for the minor have not been changed in over a decade. As the result of curriculum changes proposed for the B.A., the department seeks to bolster the minor in communication by increasing the number of 3000-level and above courses by three hours and eliminate two required courses. The latter change will allow students more freedom to select courses for the minor as well as providing students the opportunity to emphasize one or more areas of study in communication.

SECTION VII: Catalog Text and Format

In the box below, insert the current catalog text which is to be changed, with changes highlighted with the color yellow. Include all proposed changes identified in Section V. Only changes explicitly stated in Section V will be considered for approval by the University Course and Programs Committee, the Graduate Council and the Faculty Senate. If you are proposing a new program, give proposed text with all of the elements listed below. If you are proposing modified text, include these elements as appropriate.

Include the following elements, in order, in the catalog text for proposed undergraduate program(s) or program changes:

When a program name is changed, enrollment of current students reflects the new name.

SECTION III: Add a New Program/Unit

[] For new program proposals, complete Sections II and VII and use as a cover sheet for a full program proposal as described in 'Criteria and Procedures for Preparing Proposals for New Programs in Arkansas.' ADHE
http://www.arkansashighered.com/pdfs/BookAppNewProgramCriteriaandProceduresRevised2005.pdf.

[] Program proposal uses courses offered by another academic college, and that college dean's office has been notified. The signature of the dean of that academic college is required here:

SECTION IV: Eliminate an Existing Program/Unit

Code/Name Effective Catalog Year
No new students admitted to program after Term: Year:
Allow students in program to complete under this program until Term: Year:

SECTION V: Proposed Changes to an Existing Program or Program Policies

Insert here a statement of the exact changes to be made: The requirements for the major are being increased by 18 hours, offset by the reduction in the Fulbright core; 124 hours is still required to complete the BA in Drama. The specific new

requirements (taken from the old Fulbright core) are: 3 hrs of any modern or classical world language course at the 1013 level plus an additional 3 hours of the same language at a higher level or 3 hours in a different modern or classical world language, any higher-level math for which college algebra is a prerequisite, a University/state core fine arts course other than DRAM 1003, and 1 course to be selected from two of the following three pairs of courses: HIST 1113 or HIST 1123, WLIT 1113 or WLIT 1123, or PHIL 2003 or PHIL 2013. The 8-semester plan has been edited based on the changes to the Fulbright core and these additional requirements being added to the Drama, BA major.

Check if either of these boxes apply and provide the necessary signature:

- Program change proposal adds courses offered by another academic college, and that college dean's office has been notified. The signature of the dean of that academic college is required here: _____
- Program change proposal deletes courses offered by another academic college, and that college dean's office has been notified. The signature of the dean of that academic college is required here: _____

Check all the boxes that apply and complete the required sections of the form:

- Change of Name and Code (Complete only sections I, II, V and VII.)
- Change Course Requirements: (Complete all sections of the form except "Proposed Name" in II, section III, and section IV.)
- Change Delivery Site/Method (Complete all sections of the form except "Proposed Name" in II, section III, and section IV.)
- Change Total Hours (Complete all sections of the form except "Proposed Name" in II, section III, and section IV.)
- Change in Program Policies

SECTION VI: Justification

Justify this change and state its likely effect on any other degree program (including those outside the school or college). Identify any program or program components (other than courses) to be eliminated if this program is implemented. (Program and course change forms must also be submitted for such related changes.)

The Drama Department wishes to ensure that a broad-based liberal arts curriculum remains a part of the bachelor of arts degree requirements for drama majors. These are not "new" to the program for drama majors. These changes are portions of the "old" Fulbright core requirements that the department wishes to retain as part of the drama, bachelor of arts program.

SECTION VII: Catalog Text and Format

In the box below, insert the current catalog text which is to be changed, with changes highlighted with the color yellow. Include all proposed changes identified in Section V. Only changes explicitly stated in Section V will be considered for approval by the University Course and Programs Committee, the Graduate Council and the Faculty Senate. If you are proposing a new program, give proposed text with all of the elements listed below. If you are proposing modified text, include these elements as appropriate.

Include the following elements, in order, in the catalog text for proposed undergraduate program(s) or program changes:

- State complete major/program name
- Briefly define or describe the major/program or discipline.
- Identify typical career goals or paths for graduates. (Optional)
- State admission requirements (if any) for entry or entry into upper/advanced level of major/program.
- Identify location in catalog of university, college/school, and department/program requirements which the student must meet in addition to hours in the major, but do not restate these requirements.
- State course requirements in the major and any allied areas, giving number of hours and specific courses; specify electives or elective areas and give numbers of hours and courses in elective pools or categories; identify any other course requirements.
- State any other requirements (required GPA, internship, exit exam, project, thesis, etc.).
- Identify name and requirements for each concentration (if any).
- Specify whether a minor or other program component is allowed or required and provide details.
- State eight-semester plan requirements

For minors, state requirements in terms of hours, required courses, electives, etc.

For graduate program/units, include elements (as needed) parallel to those listed for undergraduate programs above.

For Law School program/units, prepare text consistent with current catalog style.

For centers, prepare text consistent with current catalog style.

The Department of Drama offers the Bachelor of Arts (B.A.) degree in Drama, a broad spectrum

program in the context of a liberal arts education, and the Master of Fine Arts (M.F.A.) degree in six concentrations: Acting, Directing, Playwriting, Costume Design, Scene Design and Lighting Design. (Please see the Graduate Catalog for information regarding the MFA degree.) Classes at both undergraduate and graduate levels are focused on providing a strong, professional orientation to theatre performance and technology in conjunction with appropriate research-based course work to address the required foundations in theatre history, dramatic literature and dramatic criticism.

The educational objectives of the Department of Drama are centered on producing graduates prepared to enter the competitive world of professional play production as well as a variety of teaching and research fields. In addition, a background in Drama has proven to be a valuable asset to those wishing to pursue a wide range of corporate and industrial occupations. The play production program is the "laboratory" for study in Drama. To that end the Department produces an average of 10 plays each year involving students in virtually all aspects of production. Auditions are open to all students on campus.

The Department of Drama also supports course work in Dance, offering a variety of basic and advanced studio courses.

Requirements for a Major in Drama: In addition to the university/state core requirements (see page 42) and the Fulbright College of Arts and Sciences Graduation Requirements (see page 124 under College Academic Regulations and Degree Completion Program Policy), the following course requirements must be met. Bolded courses from the list below may be applied to portions of the university/state minimum core requirements.

6¹ 3 hours of any world language at the 1013 Elementary II level; and 3 hours of continued coursework in the same world language, or 3 hours of a different world language course¹

3 MATH 2033, MATH 2043, MATH 2053, or MATH 2183 or any other higher-level math for which MATH 1203 College Algebra is a prerequisite

3 A University/state core fine arts course other than DRAM 1003 Theatre Lecture

6 1 3-hour course from two of the following three categories:

a. HIST 1113 or HIST 1123 World Civilization I or II:

b. WLIT 1113 or WLIT 1123 World Literature I or II

c. PHIL 2003 Intro to Philosophy or PHIL [2103](#) Intro to Ethics

In addition, all drama majors must complete a minimum of 40 semester hours of Drama courses to include 18 semester hours in courses numbered 3000 and above or the prescribed program for teacher licensure in speech education.

All drama majors must enroll in the following 23 hours:

¹ Please note: 1003 Elementary I world language courses may not count towards the 124 hours required for degree credit; see College Admission Requirements on page XXX for further details.

DRAM 1223 Intro. to Dramatic Art or DRAM 1003 or DRAM 1003H. *Note: Students who fulfill this requirement with DRAM 1003 or DRAM 1003H must also complete one additional university/state core fine arts course. Drama majors may not receive credit for both DRAM 1223 and DRAM 1003.*

DRAM 3943 Scene Painting (DRAM 1323/1321, 2313)

DRAM 4653 Scene Design I (1323/1321)

Group C: 3 hours to be chosen from:

DRAM 3803 Development of the Drama (DRAM 1223)

DRAM 4733 Dramatic Criticism (DRAM 3803) Fulfills Fulbright College writing requirement

DRAM 4463 African American Theatre History

DRAM 491V Special Topics In Script Analysis/Synthesis

DRAM 4953 Theatre Study In Britain or a dramatic literature, dramatic criticism or theatre history seminar as approved by the Drama adviser.

Group D: 6 hours of electives to be chosen from the following: DRAM 2683, any DRAM course 3000 or above with the exception of DRAM 3001 and 3011.

In addition, all drama majors are required to take an additional 2 credit hours of DRAM 3001 Theatre Practicum, one hour to be taken each academic year. Consult Drama Adviser for more information on these credits.

Writing Requirement: The Fulbright College research/analytical paper requirement for drama majors will be fulfilled in DRAM 4233, DRAM 4333, DRAM 4453, or DRAM 4733. Satisfactory completion of an honors project or senior thesis may fulfill the requirement.

Senior Progress Review: All drama majors are required, in the semester before graduation, to successfully complete the Senior Progress Review, a faculty assessment of each student's

accomplishments in performance and production.

Requirements for Departmental Honors in Drama: The Departmental Honors Program in Drama provides upper-division undergraduate students with an opportunity to formally participate in creative and scholarly activities in theatre. Honors candidates engage in independent study and research under the guidance of the drama faculty and participate in special honors seminars and colloquia. Outstanding student achievement will be recognized by awarding the distinction "Drama Scholar Cum Laude" at graduation. In addition to satisfying the general college requirements for the bachelor's degree with Honors, honors candidates in drama must:

1. become a candidate no later than the second semester of their junior year,
2. enroll in honors colloquia when available,
3. enroll in six hours of honors research DRAM 399VH,
4. complete and defend in oral examination an honors thesis based upon the project carried out in DRAM 399VH, and
5. achieve a cumulative grade-point average of 3.5. Higher degree distinctions are recommended only in truly exceptional cases and are based upon the candidate's entire academic program. Usually these are awarded only to students with a cumulative grade-point average of 3.50 or above, whose project demonstrates a high degree of creativity and scholarship.

Drama Eight-Semester Degree Program

Students wishing to follow the eight-semester degree plan should see page 42 in the Academic Regulations chapter for university requirements of the program. The following eight-semester plan refers to additional B.A. Core Requirement Areas (areas a, b, c, d, e, and f) found on page 202 at the end of this chapter. Core requirement hours may vary by individual, based on placement and previous credit granted. Once all core requirements are met, students may substitute a three-hour (or more) general elective in place of a core area.

All drama majors are required to take an additional two hours of DRAM 3001 Theatre Practicum, one hour to be taken each academic year. Consult Drama Adviser for more information on these credits.

SECTION V: Proposed Changes to an Existing Program or Program Policies

Insert here a statement of the exact changes to be made: For the Economics, BA:

- 1.) Adding the following course requirements to the Economics, BA major: COMM 1313 Public Speaking; MATH 2043 Survey of Calculus and MATH 2053 Finite Math, or MATH 2554 Calculus I; and WCOB 1033 Data Analysis and Interpretation or STAT 2303 Principles of Statistics.**
- 2.) Removing reference to ECON 2143 being included as satisfying the requirement for the major.**
- 3.) Adding ECON 4753 Forecasting as an allowed option to ECON 4743 Intro to Econometrics, in the list of specified requirements.**

4.) For the Economics BA w/ Emphasis in International Economics and Business--COMM 1313 has been added as a specific course requirement.

5.) Adjustments being made to both 8-semester plans to reflect changes to the Fulbright core and any specified changes to the major requirement(s).

Check if either of these boxes apply and provide the necessary signature:

- Program change proposal adds courses offered by another academic college, and that college dean's office has been notified. The signature of the dean of that academic college is required here: _____
- Program change proposal deletes courses offered by another academic college, and that college dean's office has been notified. The signature of the dean of that academic college is required here: _____

Check all the boxes that apply and complete the required sections of the form:

- Change of Name and Code (Complete only sections I, II, V and VII.)
- Change Course Requirements: (Complete all sections of the form except "Proposed Name" in II, section III, and section IV.)
- Change Delivery Site/Method (Complete all sections of the form except "Proposed Name" in II, section III, and section IV.)
- Change Total Hours (Complete all sections of the form except "Proposed Name" in II, section III, and section IV.)
- Change in Program Policies

SECTION VI: Justification

Justify this change and state its likely effect on any other degree program (including those outside the school or college). Identify any program or program components (other than courses) to be eliminated if this program is implemented. (Program and course change forms must also be submitted for such related changes.)

1.) COMM 1313 Public Speaking is important for economic majors as students will need to be able to report results of economic analysis in both written and oral form. MATH 2043 Survey of Calculus and MATH 2053 Finite Math, or MATH 2554 Calculus I and WCOB 1033 Data Analysis and Interpretation or STAT 2303 Principles of Statistics are prerequisites for ECON 4743 Introduction to Econometrics, which is a required course for the Economics, BA major. For clarity, it is important to state these requirements. ECON 4753, being added as an alternative to 4743, has similar prereq requirements.

2.) Removing ECON 2143 from the list of course requirements, because ECON 2143 (as stated in the catalog description) is not open to ECON majors.

3.) ECON 4753 Forecasting is similar to 4743 Intro to Econometrics in terms of quantitative rigor.

4. COMM 1313 is a prerequisite for WCOB 1023 which is a required course for the Economics, BA Emphasis in International Economics and Business major. In addition, public speaking is important for economic majors as students will need to be able to report results of economic analysis in both written and oral form.

5.) The 8-semester plans needed to be revised to correctly reflect the major requirements, the 35-hour state core and the Fulbright College graduation requirements.

SECTION VII: Catalog Text and Format

In the box below, insert the current catalog text which is to be changed, with changes highlighted with the color yellow. Include all proposed changes identified in Section V. Only changes explicitly stated in Section V will be considered for approval by the University Course and Programs Committee, the Graduate Council and the Faculty Senate. If you are proposing a new program, give proposed text with all of the elements listed below. If you are proposing modified text, include these elements as appropriate.

Include the following elements, in order, in the catalog text for proposed undergraduate program(s) or program changes:

- State complete major/program name
- Briefly define or describe the major/program or discipline.

- Identify typical career goals or paths for graduates. (Optional)
- State admission requirements (if any) for entry or entry into upper/advanced level of major/program.
- Identify location in catalog of university, college/school, and department/program requirements which the student must meet in addition to hours in the major, but do not restate these requirements.
- State course requirements in the major and any allied areas, giving number of hours and specific courses; specify electives or elective areas and give numbers of hours and courses in elective pools or categories; identify any other course requirements.
- State any other requirements (required GPA, internship, exit exam, project, thesis, etc.).
- Identify name and requirements for each concentration (if any).
- Specify whether a minor or other program component is allowed or required and provide details.
- State eight-semester plan requirements

For minors, state requirements in terms of hours, required courses, electives, etc.

For graduate program/units, include elements (as needed) parallel to those listed for undergraduate programs above.

For Law School program/units, prepare text consistent with current catalog style.

For centers, prepare text consistent with current catalog style.

Requirements for a Major in Economics:

In addition to the University/state core requirements (see page 42) and the Fulbright College of Arts and Sciences Graduation Requirements (see page 124 under College Academic Regulations and Degree Completion Policy), the following course requirements must be met. Bolded courses from the list below may be applied to portions of the University/state minimum core requirements.

1. 30 semester hours of ECON courses, including **ECON 2013** and **ECON 2023**, ECON 3033, ECON 3133, ECON 4743 or ECON 4753, and ECON 4033.
2. COMM 1313 Public Speaking
3. **MATH 2043 Survey of Calculus** and **MATH 2053 Finite Math**, or **MATH 2554 Calculus I**
4. WCOB 1033 Data Analysis and Interpretation or STAT 2303 Principles of Statistics

NOTE: It is strongly recommended that economics majors who plan to continue their studies at the graduate level take at least two semesters of calculus (**MATH 2554** and **MATH 2564**) and linear algebra (MATH 3083).

Economics Eight-Semester Degree Program

Students wishing to follow the eight-semester degree plan should see page 42 in the Academic Regulations chapter for University requirements of the program. Core requirement hours may vary by individual, based on placement and previous credit granted. Once all core requirements are met, students may substitute a three-hour (or more) general elective in place of a core area.

Requirements for a Major in Economics with Emphasis in International
Economics and Business:

In addition to the University/state core requirements (see page 42) and the Fulbright College of Arts and Sciences Graduation Requirements (see page 124 under College Academic Regulations and Degree Completion Policy), the following course requirements must be met. Bolded courses from the list below may be applied to portions of the University/state minimum core requirements.

1. 30 semester hours of courses, including **ECON 2013**, **ECON 2023**, ECON 3033, ECON 3133, ECON 4633, ECON 4643, and 12 hours of international economics and business electives that may be selected from ECON 3843, ECON 3853, ECON 3933, ECON 410V, ECON 468V, MGMT 4583, or other courses approved by the departmental adviser. Course pre-requisites for non-economics international business courses will count toward this 12-hour requirement.

Thus, if a student wants to take MKTG 4633 Global Marketing as an international economics and business elective, he/she also must take the prerequisite MKTG 3433 Introduction to Marketing Strategy. These two courses will satisfy 6 hours of the elective requirement,

2. 9 hours of upper-division course work in Fulbright College that focuses on a country or region of the world related to the foreign language, which might include upper-division courses in the same language, which should emphasize literature or cultural topics. Courses must be approved by the departmental adviser. Students who

meet the requirements of the Fulbright College area studies programs in Asian Studies, Middle Eastern and Islamic Studies, Latin American and Latino Studies, or European Studies will be considered to have fulfilled this requirement,

3. **MATH 2043** and **MATH 2053** or **MATH 2554** and **MATH 2564**.

4. COMM 1313 Public Speaking (prereq for WCOB 1023)

5. 9 hours of business/stat courses to include WCOB 1033 or STAT 2303, WCOB 1023 (*COMM 1313*) and 3 hours of WCOB 2013, WCOB 2023, WCOB 2033, WCOB 2043 (students must also complete WCOB 1120 or equivalent and WCOB 1012 as a prerequisite to any of the 2000-level WCOB courses), or ECON 4743 or ECON 4753.

6. 6 hours of a foreign language at the intermediate level¹, or above, and

7. 3 hours of upper-division foreign language in the same language covering business communications, or equivalent. Any student whose minimum 6-hour requirement under (#5) above includes an upper-division

course may choose to include business communications among the 6 hours of required University course work in the foreign language.

NOTE: It is strongly recommended that economics majors who plan to continue their studies at the graduate level take at least two semesters of calculus (MATH 2554 and MATH 2564) and linear algebra (MATH 3083).

¹ This is usually accomplished through completion of a sequence of world language courses: 1013 Elementary II, 2003 Intermediate I and 2013 Intermediate II. (Please note: 1003 usually will not count towards the 124 hours required for degree credit; see College Admission Requirements on page XXX for further details.)

Economics Eight-Semester Degree Program with Emphasis in International Economics and Business

Students wishing to follow the eight-semester degree plan should see page 42 in the Academic Regulations chapter for University requirements of the program. The following eight-semester plan refers to additional B.A. Core requirement hours may vary by individual, based on placement and previous credit granted. Once all core requirements are met, students may substitute a three-hour (or more) general elective in place of a core area.

Writing Requirement: The Fulbright College writing requirement for economics majors will be fulfilled by the research/analytical paper required in ECON 4033. For economics majors who elect to emphasize international economics and business, the writing requirement will be fulfilled by the research/analytical paper required in ECON 4633 or 4643.

Requirements for Departmental Honors in Economics: The Departmental Honors program provides upper-division students the

opportunity to engage in independent study or research under the guidance of an individual member of the faculty. In addition to satisfying the general college requirements for the bachelor's degree with honors, honors candidates in economics are required to complete and orally defend an honors thesis based upon independent study under ECON 399VH (for 3 to 6 hours) and to have a minimum grade-point average of 3.5. Outstanding student achievement will be recognized by awarding the bachelor's degree with the distinction "Economics Scholar Cum Laude." Higher distinctions may be awarded to truly outstanding students based upon the whole of their academic program and quality of honors research. Some courses in the Walton College of Business are given credit toward an economics major for the B.A. degree. See departmental adviser for designation.

For the combined major in economics and African-American studies, see page 132.

Requirements for a Minor in Economics: 18 hours in economics.

Required courses are ECON 3033 Microeconomic Theory, and ECON 3133 Macroeconomic Theory, plus 12 additional hours in economics, six of which must be in courses numbered 3000 or above.

NOTE: ECON 2013 and/or ECON 2023, or ECON 2143, are prerequisites to all economics courses numbered above 3000.

Economics (B.A.) Social Studies Teacher Licensure Requirements:

Please refer to the Secondary Education Requirements for Fulbright College Students on page 120. Students wanting to teach social studies in middle school should consult with a middle level adviser in the College of Education and Health Professions.

SECTION V: Proposed Changes to an Existing Program or Program Policies

Insert here a statement of the exact changes to be made: 1.) Adding the following course requirements to the Bachelor of Arts in English: PHIL 2003 Intro to Philosophy, any world language at the 2013 Intermediate II level, WLIT 1113 World Lit I and WLIT 1123 World Lit II.

2.) 8-semester plan adjusted to reflect the addition of these requirements and changes to the Fulbright core.

Check if either of these boxes apply and provide the necessary signature:

- Program change proposal adds courses offered by another academic college, and that college dean's office has been notified. The signature of the dean of that academic college is required here: _____
- Program change proposal deletes courses offered by another academic college, and that college dean's office has been notified. The signature of the dean of that academic college is required here: _____

Check all the boxes that apply and complete the required sections of the form:

- Change of Name and Code (Complete only sections I, II, V and VII.)
- Change Course Requirements: (Complete all sections of the form except "Proposed Name" in II, section III, and section IV.)
- Change Delivery Site/Method (Complete all sections of the form except "Proposed Name" in II, section III, and section IV.)
- Change Total Hours (Complete all sections of the form except "Proposed Name" in II, section III, and section IV.)
- Change in Program Policies

SECTION VI: Justification

Justify this change and state its likely effect on any other degree program (including those outside the school or college). Identify any program or program components (other than courses) to be eliminated if this program is implemented. (Program and course change forms must also be submitted for such related changes.)

1.) These courses are being added to ensure that our students have the proper intellectual and cultural foundations in order to be successful English majors. We believe that these additional courses are all essential for this purpose.

2.) Edits to the 8-semester plan are needed to reflect the correct major requirements, 35-hour state core requirements and Fulbright College graduation requirements.

SECTION VII: Catalog Text and Format

In the box below, insert the current catalog text which is to be changed, with changes highlighted with the color yellow. Include all proposed changes identified in Section V. Only changes explicitly stated in Section V will be considered for approval by the University Course and Programs Committee, the Graduate Council and the Faculty Senate. If you are proposing a new program, give proposed text with all of the elements listed below. If you are proposing modified text, include these elements as appropriate.

Include the following elements, in order, in the catalog text for proposed undergraduate program(s) or program changes:

- State complete major/program name
- Briefly define or describe the major/program or discipline.
- Identify typical career goals or paths for graduates. (Optional)
- State admission requirements (if any) for entry or entry into upper/advanced level of major/program.
- Identify location in catalog of university, college/school, and department/program requirements which the student must meet in addition to hours in the major, but do not restate these requirements.
- State course requirements in the major and any allied areas, giving number of hours and specific courses; specify electives or elective areas and give numbers of hours and courses in elective pools or categories; identify any other course requirements.
- State any other requirements (required GPA, internship, exit exam, project, thesis, etc.).
- Identify name and requirements for each concentration (if any).
- Specify whether a minor or other program component is allowed or required and provide details.
- State eight-semester plan requirements

For minors, state requirements in terms of hours, required courses, electives, etc.

For graduate program/units, include elements (as needed) parallel to those listed for undergraduate programs above.

For Law School program/units, prepare text consistent with current catalog style.

For centers, prepare text consistent with current catalog style.

Requirements for a Major in English: In addition to the university/state core requirements (see page 42) and the Fulbright College of Arts and Sciences Graduation Requirements (see page 124 under College Academic Regulations and Degree Completion Policy), the following course requirements must be met. Bolded course(s) from the list below may be applied to portions of the University/state minimum core requirements.

English majors are required to complete:

- 1.) The 35-hour University core
- 2.) **PHIL 2003 Introduction to Philosophy**
- 3.) Any world language at the 2013 Intermediate II level¹
- 4.) WLIT 1113 World Literature I and WLIT 1123 World Literature II
- 5.) 36 semester hours (not counting ENGL 0003, ENGL 1013, ENGL 1023, and ENGL 2003). These hours must include 12 hours of survey courses, including ENGL 2303; either ENGL

2313 or ENGL 2323; either ENGL 2343 or ENGL 2353; and one additional survey course chosen from ENGL 2313, ENGL 2323, ENGL 2343, and ENGL 2353. Majors must take an additional 12 hours that include ENGL 4303; one of ENGL 3713, ENGL 3723, and ENGL 3733; either ENGL 3743 or ENGL 3753; and one of ENGL 3833, ENGL 3843, ENGL 3853, and ENGL 3863. The remaining twelve hours can be taken in any English course numbered above 3000, with the stipulation that at least six of these hours must be numbered above 4000.

All English Majors are strongly encouraged to complete a minor or a second major in one of the following: African American Studies, Anthropology, Art History, Classical Studies, Communication, Drama, European Studies, Gender Studies, History, Journalism, Latin American Studies, Legal Studies, Medieval and Renaissance Studies, Middle East Studies, Music, Philosophy, Political Science, Psychology, Religious Studies, or in a world language (Arabic, French, German, Japanese, Russian, Spanish or any other language that offers a minor).

English majors are strongly encouraged to fill their elective hours with courses from the departments or programs of study listed above.

English Eight-Semester Degree Program

Students wishing to follow the eight-semester degree plan should see page 42 in the Academic Regulations chapter for university requirements of the program. Core requirement hours may vary by individual, based on placement and previous credit granted. Once all core requirements are met, students may substitute a three-hour (or more) general elective in place of a core area.

3 hours of ENGL 4303 Introduction to Shakespeare (required)

Group C: Twelve additional hours in English courses numbered above 3000, at least six of which must be numbered above 4000.

Writing Requirement: All upper-division English courses require a research or an analytical paper except ENGL 4003 and the courses in creative writing (ENGL 3013, ENGL 4013, ENGL 4023, ENGL 4073). For this reason all students who fulfill the requirements for a major in English thereby fulfill the Fulbright College writing requirement.

Requirements for a Major with a Concentration in Creative Writing:

In addition to the university/state core requirements (see page 42) and the Fulbright College of Arts and Sciences Graduation Requirements (see page 124 under College Academic Regulations and Degree Completion Policy), the following course requirements must be met.

Bolded course(s) from the list below may be applied to portions of the University/state minimum core requirements.

English majors are required to complete:

- 1.) The 35-hour University core

2.) PHIL 2003 Introduction to Philosophy

3.) Any world language at the 2013 Intermediate II level²

4.) WLIT 1113 World Literature I

5.) WLIT 1123 or any other WLIT course, or CLST 1003 or CLST 1013 or a world language literature course

6.) 36 semester hours (not counting ENGL 0003, ENGL 1013, ENGL 1023, and ENGL 2003) to include three hours of ENGL 3203 Poetry; three hours of ENGL 3213 Fiction; three hours of ENGL 2023 Creative Writing I; three hours of ENGL 3013 Creative Writing II; three hours of ENGL 4013 Poetry Workshop or ENGL 4023 Fiction Workshop; twelve hours of survey courses (three hours of ENGL 2303 and nine hours from ENGL 2313, ENGL 2323, ENGL 2343, and ENGL 2353); three hours of ENGL 4303 Introduction to Shakespeare; and six additional hours chosen from ENGL courses numbered above 3000 and WLIT courses numbered above 2333.

3 hours ENGL 3203 Poetry

3 hours ENGL 3213 Fiction

3 hours ENGL 4303 Introduction to Shakespeare

Group C: Six additional hours chosen from English or World Literature courses numbered above 3000

Requirements for Departmental Honors in English: The Departmental Honors Program in English allows upper-division undergraduates to strengthen their study of English and adapt it to their interests. Honors candidates enroll in special courses and do directed independent study and research. In addition to the college and departmental requirements for the major in English and the general college requirements for the B.A. degree, each honors candidate in English must

1. be accepted as an honors candidate by the department,
2. complete at least nine hours of honors course work, at least three hours of which must be in English,
3. enroll in at least three hours of Senior Thesis ENGL 498V and write an honors thesis, either a critical study or a creative writing project, and
4. defend the candidate's entire honors program in an oral examination.

Candidates may petition to enroll in a departmental graduate seminar.

Candidates who complete the honors program with merit will graduate with the distinction "English Scholar Cum Laude." The distinctions of Magna Cum Laude and Summa Cum Laude will be awarded only for exceptional work and will be based on the candidate's entire honors program.

Requirements for a Minor in English: 18 hours of English (not counting ENGL 0003, ENGL 1013, ENGL 1023, and ENGL 2003) to include any nine hours of survey courses (chosen from ENGL 2303, ENGL 2313, ENGL 2323, ENGL 2343, and ENGL 2353) and nine additional hours chosen from English courses numbered above 3000 and WLIT courses above 2333.

Requirements for a Combined Major in English and Journalism:

The Department of English and the Department of Journalism offer a combined major in English and Journalism. Please refer to the Department of Journalism for the specific course requirements and eight-semester degree program for the combined major.

Assessment Requirement: Every senior English major must take the program assessment exam administered by the department each spring semester to graduate. Exam results will not affect GPA, although the student's score will be noted on his or her permanent academic record. This requirement may be waived in extraordinary circumstances by the department's Director of Undergraduate Studies. Contact your adviser for more information.

English (B.A.) Teacher Licensure Requirements:

Please refer to the Secondary Education Requirements for Fulbright College Students on page 120.

Students wanting to teach English in middle school should consult with a middle-level adviser in the College of Education and Health Professions.

SECTION V: Proposed Changes to an Existing Program or Program Policies

Insert here a statement of the exact changes to be made: These courses will be incorporated into the requirements for all Journalism majors, including the combined major in English and Journalism. These 30 hours are:

3 hrs from WLIT 1113, 1123 or advanced literature course, or language literature course

3 hrs of Math beyond college algebra to be chosen from MATH 2033, MATH 2043, MATH 2053 Finite, MATH 2183 or any higher-level mathematics

3 hrs of Philosophy to be chosen from PHIL 2003 Intro to Philosophy; PHIL 2103 Intro to Ethics; or an advanced philosophy course (such as PHIL 3103 Ethics and the Professions)

3 hrs of COMM 1313 Fundamentals of Communication

3 hrs of Foreign Language, specifically WLLC 2003 Intermediate I (prereqs may be required)

3 hrs of Economics, specifically ECON 2143. A combination of ECON 2013 Principles of Macroeconomics, and ECON 2023 Principles of Microeconomics will be allowed.

6 hrs of Political Science, to include PLSC 2003 American National Government, and a second course (recommended courses are: PLSC 3233 The American Congress, PLSC 4233 The American Chief Executive, or FIIR 2813 Intro to International Relations)

3 hrs of History at the Advanced level (that is, 3000-4000)

3 hrs of "cultural" or "diversity" studies, to be selected from a list of specified courses or as approved by the department

Combined major in English/Journalism--this text has been moved from the ENGL department section to the JOUR department section. The 8-semester plan has been edited in light of the changes to the Fulbright core and the new JOUR requirements that have been added for all JOUR majors.

Check if either of these boxes apply and provide the necessary signature:

- Program change proposal adds courses offered by another academic college, and that college dean's office has been notified. The signature of the dean of that academic college is required here: _____
- Program change proposal deletes courses offered by another academic college, and that college dean's office has been notified. The signature of the dean of that academic college is required here: _____

Check all the boxes that apply and complete the required sections of the form:

- Change of Name and Code (Complete only sections I, II, V and VII.)
- Change Course Requirements: (Complete all sections of the form except "Proposed Name" in II, section III, and section IV.)
- Change Delivery Site/Method (Complete all sections of the form except "Proposed Name" in II, section III, and section IV.)
- Change Total Hours (Complete all sections of the form except "Proposed Name" in II, section III, and section IV.)
- Change in Program Policies

SECTION VI: Justification

Justify this change and state its likely effect on any other degree program (including those outside the school or college). Identify any program or program components (other than courses) to be eliminated if this program is implemented. (Program and course change forms must also be submitted for such related changes.)

1. These 30 hours of additional coursework for the Journalism BA enable the Journalism department to meet the strong liberal arts curriculum requirements mandated by the national Accrediting Council for Education in Journalism and Mass Communication.

2. Because each department is determining which aspects of the old Fulbright core to incorporate into its own major requirements, the English department and the Journalism department discussed how to handle the differences between their two proposed departmental changes, and it was decided to adopt the Journalism department's course additions for the combined major. As a result, the requirements will be more easily understood with placement of the major requirements in the journalism section of the catalog. Students reviewing the English department section of the catalog will be referred to the JOUR department's catalog copy to find the requirements for the combined major and the 8-semester plan.

SECTION VII: Catalog Text and Format

In the box below, insert the current catalog text which is to be changed, with changes highlighted with the color yellow. Include all proposed changes identified in Section V. Only changes explicitly stated in Section V will be considered for approval by the University Course and Programs Committee, the Graduate Council and the Faculty Senate. If you are proposing a new program, give proposed text with all of the elements listed below. If you are proposing modified text, include these elements as appropriate.

Include the following elements, in order, in the catalog text for proposed undergraduate program(s) or program changes:

- State complete major/program name
- Briefly define or describe the major/program or discipline.
- Identify typical career goals or paths for graduates. (Optional)
- State admission requirements (if any) for entry or entry into upper/advanced level of major/program.

- Identify location in catalog of university, college/school, and department/program requirements which the student must meet in addition to hours in the major, but do not restate these requirements.
- State course requirements in the major and any allied areas, giving number of hours and specific courses; specify electives or elective areas and give numbers of hours and courses in elective pools or categories; identify any other course requirements.
- State any other requirements (required GPA, internship, exit exam, project, thesis, etc.).
- Identify name and requirements for each concentration (if any).
- Specify whether a minor or other program component is allowed or required and provide details.
- State eight-semester plan requirements

For minors, state requirements in terms of hours, required courses, electives, etc.

For graduate program/units, include elements (as needed) parallel to those listed for undergraduate programs above.

For Law School program/units, prepare text consistent with current catalog style.

For centers, prepare text consistent with current catalog style.

Combined Major in Journalism and English: The combined major in journalism and English is recommended for those students who have a strong interest in these two related fields.

Requirements for a Combined Major in Journalism and English: All university students must fulfill the minimum University/state core requirements (see page 41). A minimum of 84-85 hours in non-journalism courses must be applied toward the 124 hours required by the college for a Bachelor of Arts degree.

Bolded courses from the list below may be counted toward some part of the University/state minimum core requirements, as applicable.

3 **MATH 2033 Mathematical Thought, MATH 2043 Survey of Calculus, MATH 2053 Finite Mathematics, or MATH 2183 Mathematical Reasoning, or higher level math**

3-6 **Intermediate I (course number 2003)** of a world language. The number of credit hours taken to complete this level of proficiency depends on placement level in the language course sequence. Elementary Language courses numbered 1003 generally do not count toward the 124 minimum credit hours required for graduation. Consult page XXX under college admission requirements for details.

3 **WLIT 1113 World Literature I, or WLIT 1123 World Literature II**, or an advanced literature course, or a language literature course;

3 **PHIL 2003 Intro to Philosophy or PHIL 2103 Intro to Ethics** or any philosophy course at the 3000-level or higher (recommended: PHIL 3103 Ethics and the Professions);

6 **PLSC 2003 American National Government** and a second PLSC course (recommended courses include: PLSC 2813 Intro to International Relations, PLSC 3233 The American Congress, and PLSC 4233 The American Chief Executive);

3-6 **ECON 2143 Basic Economics: Theory and Practice.** A combination of **ECON 2013 Principles of Macroeconomics and ECON 2023 Principles of Microeconomics** will be allowed in place of ECON 2143;

3 COMM 1313 Fundamentals of Communication;

3 ENGL 2013 Essay Writing;

3 3000-4000 level HIST course;

3 Cultural/Diversity Requirement: 3 hours of cultural/diversity studies to be selected from the following or as approved by the Lemke Department of Journalism:

- ANTH 4533 Middle East Cultures
- COMM 4343 Intercultural Communication
- HIST 3233 African American History to 1877
- HIST 3243 African American History Since 1877
- HIST 3263 History of the American Indian
- JOUR 405V Special Journalism Seminar—approved topics such as “African Americans in Film” and “History of the Black Press”
- SCWK 3193 Human Diversity and Social Work
- SOCI 3033 American Minorities (SOCI 2013 prerequisite)
- SOCI 3193 Race, Class and Gender in America (SOCI 2013 prerequisite)

The journalism requirement for the combined major is 24 semester hours including JOUR 1023, JOUR 1033, and JOUR 3633. The remaining 15 hours are filled from one of the two following options:

Print: JOUR 2013, JOUR 3013, JOUR 3023, JOUR 3123, and one additional journalism course.

Broadcast: JOUR 2023/2031L, JOUR 3072/3071L, JOUR 4863, JOUR 4873, and one additional journalism course

The English requirements for this combined major are as follows: 24 hours of English courses (not counting ENGL 0003, ENGL 1013,

ENGL 1023, and ENGL 2003) to include any nine hours of survey courses (chosen from ENGL 2303, ENGL 2313, ENGL 2323, ENGL 2343, and ENGL 2353), and 15 additional hours chosen from English courses numbered above 3000 and WLIT courses above 2333. In addition, students are strongly recommended to complete up through the 2013 Intermediate II level of a world language.

Writing Requirement: [All upper division English courses require a research or an analytical paper except ENGL 4003 and the courses in creative writing \(ENGL 3013, ENGL 4013, ENGL 4023, ENGL 4073\). For this reason, all students who fulfill the requirements for the combined major in Journalism and English thereby fulfill the Fulbright College writing requirement.](#)

Assessment Requirement: Every senior English major must take the program assessment exam administered by the department each spring semester to graduate. Exam results will not affect GPA, although the student's score will be noted on his or her permanent academic record. This requirement may be waived in extraordinary circumstances by the department's Director of Undergraduate Studies. Contact your adviser for more information.

Check all the boxes that apply and complete the required sections of the form:

- Change of Name and Code (Complete only sections I, II, V and VII.)
- Change Course Requirements: (Complete all sections of the form except "Proposed Name" in II, section III, and section IV.)
- Change Delivery Site/Method (Complete all sections of the form except "Proposed Name" in II, section III, and section IV.)
- Change Total Hours (Complete all sections of the form except "Proposed Name" in II, section III, and section IV.)
- Change in Program Policies

SECTION VI: Justification

Justify this change and state its likely effect on any other degree program (including those outside the school or college). Identify any program or program components (other than courses) to be eliminated if this program is implemented. (Program and course change forms must also be submitted for such related changes.)

The Department of World Languages, Literatures & Cultures wishes to ensure that a broad-based liberal arts curriculum remain a part of the bachelor of arts degree requirements for all language majors. These requirements are not new to the bachelor of arts degree program requirements for world language majors. They are simply requirements that our department wishes to retain under the revised Fulbright core curriculum. The Department of World Languages, Literatures & Cultures wishes to 1.) retain COMM 1313 as a requirement; 2.) retain the "old" Fulbright College Fine Arts/Humanities core, which is 3 credits above and beyond the specified state/university core by specifically requiring six hours of humanities; 3.) retain the World Civ I and II requirement.

In addition, we wish to reinstate the ENGL 2003 Advanced Composition or 2013 Essay Writing requirement. In order to maintain a broad-based liberal arts curriculum as a part of our degree program, we feel it important to provide students an opportunity to develop their writing skills in English either in the form of day-to-day writing activities as found in ENGL 2003 or through more academic writing activities as found in ENGL 2013.

SECTION VII: Catalog Text and Format

In the box below, insert the current catalog text which is to be changed, with changes highlighted with the color yellow. Include all proposed changes identified in Section V. Only changes explicitly stated in Section V will be considered for approval by the University Course and Programs Committee, the Graduate Council and the Faculty Senate. If you are proposing a new program, give proposed text with all of the elements listed below. If you are proposing modified text, include these elements as appropriate.

Include the following elements, in order, in the catalog text for proposed undergraduate program(s) or program changes:

- State complete major/program name
- Briefly define or describe the major/program or discipline.
- Identify typical career goals or paths for graduates. (Optional)
- State admission requirements (if any) for entry or entry into upper/advanced level of major/program.
- Identify location in catalog of university, college/school, and department/program requirements which the student must meet in addition to hours in the major, but do not restate these requirements.
- State course requirements in the major and any allied areas, giving number of hours and specific courses; specify electives or elective areas and give numbers of hours and courses in elective pools or categories; identify any other course requirements.
- State any other requirements (required GPA, internship, exit exam, project, thesis, etc.).
- Identify name and requirements for each concentration (if any).
- Specify whether a minor or other program component is allowed or required and provide details.
- State eight-semester plan requirements

For minors, state requirements in terms of hours, required courses, electives, etc.

For graduate program/units, include elements (as needed) parallel to those listed for undergraduate programs above.

For Law School program/units, prepare text consistent with current catalog style.

For centers, prepare text consistent with current catalog style.

Requirements for a Major in Classical Studies: The college offers a major in classical studies leading to the Bachelor of Arts degree.

In addition to the state/university core requirements (see page 42) and the Fulbright College of Arts and Sciences Graduation Requirements (see page 124 under College Academic Regulations and Degree Completion Program Policy), the following departmental and major course requirements must be met. Bolded courses from the list below may be applied to portions of the University/state minimum core requirements.

3 COMM 1313 Fundamentals of Communication

3 ENGL 2003 Advanced Composition or ENGL 2013 Essay Writing

6¹ Humanities, 3 of which must come from either **PHIL 2003** or **WLIT 1113**; the remaining 3 hours may be fulfilled by any other state/university humanities core course

6¹ World Civilization (Social Sciences) to be fulfilled by **HIST 1113 and 1123**

Students should also complete appropriate courses from the following:

1. 15 hours of Ancient Greek or 15 hours of Latin.

2. 18 hours of additional work in classical languages and/or specific classical studies-related electives, to be selected from the following courses: ARCH 2233, ARHS 4833², ARHS 4843², CLST 1003, CLST 1013, HIST 4003, HIST 4013, HIST 4023, HIST 4043, HIST 4053, PHIL 4003³, PHIL 4013³, PHIL 4023.

No more than nine hours of electives from the medieval period may be applied to the major requirements.

3. Three hours of a classical studies colloquium (CLST 4003H).

Classical Studies Eight-Semester Degree Program

Students wishing to follow the eight-semester degree plan should see page 42

in the Academic Regulations chapter for university requirements of the program.

The following eight-semester plan refers to both University Core and additional departmental course requirements as presented above. Hours may vary by individual, based on placement and previous credit

granted. Once all university and major requirements are met, students may substitute a three-hour

¹ Honors students who complete the HUMN 1114, 1124, 2114, 2124 (H2P) sequence will have fulfilled the World Civilization HIST 1113 and 1123 requirement for this major as well as the major's 6-hour Humanities requirement (equivalent of WLIT 1113 and 1123).

Requirements for a Minor in Classical Studies: Students should select appropriate courses from the following areas:

1. 9 hours of Ancient Greek or Latin courses numbered above 2000,
2. 6 hours of additional work in classical languages and/or specific classical studies-related electives, to be selected from the following courses:
ARCH 2233, ARHS 4833, ARHS 4843, CLST 1003, CLST 1013,
HIST 4003, HIST 4013, HIST 4023, HIST 4043, HIST 4053,
PHIL 4003, PHIL 4013, PHIL 4023.
3. Three hours of a classical studies colloquium (CLST 4003H).

Requirements for Honors in Classical Studies: The Honors Program in Classical Studies gives students of high ability the opportunity to strengthen their study of classics by intensifying their experience with ancient languages and cultures.

In addition to the requirements for graduation with a major in classical studies and the general college requirements for a B.A. degree, honors candidates

in classical studies must

1. be accepted as honors candidates by the Classical Studies Committee,
2. complete at least three semesters in a second classical language,
3. enroll in at least two 1-hour units of CLST 399VH and pursue independent-study topics under the guidance of classical studies faculty,
4. enroll for two hours of CLST 399VH and write an honors thesis, and
5. defend and discuss their entire honors program in an oral examination.

Successful completion of the requirements will be recognized by the award of the distinction "Classical Studies Scholar Cum Laude" at graduation. Higher degree distinctions are recommended only in truly exceptional cases and are based upon the whole of the candidate's program of honors studies.

The following course requirements are being added to the French, BA degree program:

3 **COMM 1313 Fundamentals of Communication**

3 **ENGL 2003 Advanced Composition or ENGL 2013 Essay Writing**

6 **Six hours of language-related courses to be fulfilled by completing six hours of a single world language different than the major, or six hours from any combination of department- approved WLLC courses (such as WLLC 2413, WLLC 3173, WLLC 4023, WLLC 4033), classical studies (CLST) courses, or language-related area/ethnic or gender studies courses.**

6 **Humanities, 3 of which must come from either PHIL 2003 or WLIT 1113; the remaining 3 hours may be fulfilled by any other state/university humanities core course**

6 **World Civilization (Social Sciences) to be fulfilled by HIST 1113 and 1123**

Changes are being made to the 8-semester plan to reflect these changes and to reflect the changes to the Fulbright College core.

Check if either of these boxes apply and provide the necessary signature:

- Program change proposal adds courses offered by another academic college, and that college dean's office has been notified. The signature of the dean of that academic college is required here: _____
- Program change proposal deletes courses offered by another academic college, and that college dean's office has been notified. The signature of the dean of that academic college is required here: _____

Check all the boxes that apply and complete the required sections of the form:

- Change of Name and Code (Complete only sections I, II, V and VII.)
- Change Course Requirements: (Complete all sections of the form except "Proposed Name" in II, section III, and section IV.)
- Change Delivery Site/Method (Complete all sections of the form except "Proposed Name" in II, section III, and section IV.)
- Change Total Hours (Complete all sections of the form except "Proposed Name" in II, section III, and section IV.)
- Change in Program Policies

SECTION VI: Justification

Justify this change and state its likely effect on any other degree program (including those outside the school or college). Identify any program or program components (other than courses) to be eliminated if this program is implemented. (Program and course change forms must also be submitted for such related changes.)

The Department of World Languages, Literatures & Cultures wishes to ensure that a broad-based liberal arts curriculum remain a part of the bachelor of arts degree requirements for all language majors. These requirements are not new to the bachelor of arts degree program requirements for world language majors. They are simply requirements that our department wishes to retain under the revised Fulbright core curriculum. The Department of World Languages, Literatures & Cultures wishes to 1.) retain COMM 1313 as a requirement; 2.) retain the "old" Fulbright College Fine Arts/Humanities core, which is 3 credits above and beyond the specified state/university core by specifically requiring six hours of humanities; 3.) retain the World Civ I and II requirement.

In addition, we wish to reinstate the ENGL 2003 Advanced Composition or 2013 Essay Writing requirement. In order to maintain a broad-based liberal arts curriculum as a part of our degree program, we feel it important to provide students an opportunity to develop their writing skills in English either in the form of day-to-day writing activities as found in ENGL 2003 or through more academic writing activities as found in ENGL 2013.

The 6 hours of WLLC courses or additional world language hours are being required because we want our students to have as well rounded an education with their language studies as possible. WLLC courses students can take include linguistics, language teaching and technology, language pedagogy, any of which will enhance their knowledge of communication and teaching in a second language.

Students may also choose to take 6 hours in an additional language, an international area or in classical studies. This will provide them with knowledge of an additional language and culture, knowledge of how other languages function similarly or differently to their own major language, enhanced knowledge of their area, and simply make them more rounded as a language major. In any of these instances, such enhanced knowledge as it relates to language learning will make them more marketable or better prepared for graduate school or the MAT program.

SECTION VII: Catalog Text and Format

In the box below, insert the current catalog text which is to be changed, with changes highlighted with the color yellow. Include all proposed changes identified in Section V. Only changes explicitly stated in Section V will be considered for approval by the University Course and Programs Committee, the Graduate Council and the Faculty Senate. If you are proposing a new program, give proposed text with all of the elements listed below. If you are proposing modified text, include these elements as appropriate.

Include the following elements, in order, in the catalog text for proposed undergraduate program(s) or program changes:

- State complete major/program name
- Briefly define or describe the major/program or discipline.
- Identify typical career goals or paths for graduates. (Optional)
- State admission requirements (if any) for entry or entry into upper/advanced level of major/program.
- Identify location in catalog of university, college/school, and department/program requirements which the student must meet in addition to hours in the major, but do not restate these requirements.
- State course requirements in the major and any allied areas, giving number of hours and specific courses; specify electives or elective areas and give numbers of hours and courses in elective pools or categories; identify any other course requirements.
- State any other requirements (required GPA, internship, exit exam, project, thesis, etc.).
- Identify name and requirements for each concentration (if any).
- Specify whether a minor or other program component is allowed or required and provide details.
- State eight-semester plan requirements

For minors, state requirements in terms of hours, required courses, electives, etc.

For graduate program/units, include elements (as needed) parallel to those listed for undergraduate programs above.

For Law School program/units, prepare text consistent with current catalog style.

For centers, prepare text consistent with current catalog style.

World Languages, Literatures and Cultures (WLLC)

The world languages requirement among the basic courses is satisfied based on each separate department's undergraduate degree program. Students should consult their adviser to confirm the total number of courses needed to satisfy their departmental world languages requirement.

Students who, on the basis of prior knowledge of language, omit one or more courses in the basic language sequence (1013-2013) may receive college credit for omitted courses if they validate their higher placement by passing an advanced course with a grade of "C" or above. Credit will be awarded at the request of the student when filed by application to the World Languages Department office.

Restrictions: (a) Conversation courses (3033, 4033) and correspondence courses may not be used to validate such prior knowledge, (b) No degree credit (graduation credit) is awarded for a world languages 1003 course to students in Fulbright College continuing the language begun in high school, either by validation or regular registration. Also, for Fulbright College students who do not present the Fulbright College admission requirement of two units (years) of a single modern or classical language, the first semester of language study will be considered remedial and will not count towards the 124 hours required for graduation (although the course will appear as University credit and the grade received will be computed in the grade-point average). Students transferring from other institutions are expected to meet the same entrance standard.

Requirements for a Major in French: In addition to the state/university core requirements (see page 42) and the Fulbright College of Arts and Sciences Graduation Requirements (see page 124 under College Academic Regulations and Degree Completion Program Policy), the following departmental and major course requirements must be met. Bolded courses from the list below may be applied to portions of the University/state minimum core requirements.

3 COMM 1313 Fundamentals of Communication

French literature courses at the 4000-level.

French Eight-Semester Degree Program

Students wishing to follow the eight-semester degree plan should see page 42 in the Academic Regulations chapter for university requirements of the program.

The following eight-semester plan refers to both University Core and additional departmental requirements as presented above. Hours may vary by individual, based on placement and previous credit granted. Once all core and departmental requirements are met, students may substitute a three-hour (or more) general elective in place of a core area.

SECTION IV: Eliminate an Existing Program/Unit

Code/Name Effective Catalog Year
No new students admitted to program after Term: Year:
Allow students in program to complete under this program until Term: Year:

SECTION V: Proposed Changes to an Existing Program or Program Policies

Insert here a statement of the exact changes to be made:
The following course requirements are being added to the German, BA degree program:

3 **COMM 1313 Fundamentals of Communication**

3 **ENGL 2003 Advanced Composition or ENGL 2013 Essay Writing**

6 **Six hours of language-related courses to be fulfilled by completing six hours of a single world language different than the major, or six hours from any combination of department- approved WLLC courses (such as WLLC 2413, WLLC 3173, WLLC 4023, WLLC 4033), classical studies (CLST) courses, or language-related area/ethnic or gender studies courses.**

6 **Humanities, 3 of which must come from either PHIL 2003 or WLIT 1113; the remaining 3 hours may be fulfilled by any other state/university humanities core course**

6 **World Civilization (Social Sciences) to be fulfilled by HIST 1113 and 1123**

Changes are being made to the 8-semester plan to reflect these changes and to reflect the changes to the Fulbright College core. The total number of degree credit hours required for a BA in German remain unchanged.

The phrase "six hours of literature" will be removed from the German upper-level requirements.

Check if either of these boxes apply and provide the necessary signature:

- Program change proposal adds courses offered by another academic college, and that college dean's office has been notified. The signature of the dean of that academic college is required here: _____
- Program change proposal deletes courses offered by another academic college, and that college dean's office has been notified. The signature of the dean of that academic college is required here: _____

Check all the boxes that apply and complete the required sections of the form:

- Change of Name and Code (Complete only sections I, II, V and VII.)
- Change Course Requirements: (Complete all sections of the form except "Proposed Name" in II, section III, and section IV.)
- Change Delivery Site/Method (Complete all sections of the form except "Proposed Name" in II, section III, and section IV.)
- Change Total Hours (Complete all sections of the form except "Proposed Name" in II, section III, and section IV.)
- Change in Program Policies

SECTION VI: Justification

Justify this change and state its likely effect on any other degree program (including those outside the school or college). Identify any program or program components (other than courses) to be eliminated if this program is implemented. (Program and course change forms must also be submitted for such related changes.)

The Department of World Languages, Literatures & Cultures wishes to ensure that a broad-based liberal arts curriculum remain a part of the bachelor of arts degree requirements for all language majors. These requirements are not new to the bachelor of arts degree program requirements for world language majors. They are simply requirements that our department wishes to retain under the revised Fulbright core curriculum. The Department of World Languages, Literatures & Cultures wishes to 1.) retain COMM 1313 as a requirement; 2.) retain the "old" Fulbright College Fine Arts/Humanities core, which is 3 credits above and beyond the specified state/university core by specifically requiring six hours of humanities; 3.) retain the World Civ I and II requirement.

In addition, we wish to reinstate the ENGL 2003 Advanced Composition or 2013 Essay Writing requirement. In order to maintain a broad-based liberal arts curriculum as a part of our degree program, we feel it important to provide students an opportunity to develop their writing skills in English either in the form of day-to-day writing activities as found in ENGL 2003 or through more academic writing activities as found in ENGL 2013.

The 6 hours of WLLC courses or additional world language hours are being required because we want our students to have as well rounded an education with their language studies as possible. WLLC courses students can take include linguistics, language teaching and technology, language pedagogy, any of which will enhance their knowledge of communication and teaching in a second language.

Students may also choose to take 6 hours in an additional language, an international area or in classical studies. This will provide them with knowledge of an additional language and culture and knowledge of how other languages function similarly or differently to their own major language. This enhanced knowledge of their area, and simply make them more rounded as a language major. In any of these instances, such enhanced knowledge as it relates to language learning will provide them with further skills in the job market and/or better prepare them for graduate school.

We are removing the phrase "and six hours of literature" from the GERM major requirements. The total number of upper-level GERM classes remains unchanged, but will allow students more flexibility in their upper-level GERM electives and sequencing of classes.

SECTION VII: Catalog Text and Format

In the box below, insert the current catalog text which is to be changed, with changes highlighted with the color yellow. Include all proposed changes identified in Section V. Only changes explicitly stated in Section V will be considered for approval by the University Course and Programs Committee, the Graduate Council and the Faculty Senate. If you are proposing a new program, give proposed text with all of the elements listed below. If you are proposing modified text, include these elements as appropriate.

Include the following elements, in order, in the catalog text for proposed undergraduate program(s) or program changes:

- State complete major/program name
- Briefly define or describe the major/program or discipline.
- Identify typical career goals or paths for graduates. (Optional)
- State admission requirements (if any) for entry or entry into upper/advanced level of major/program.
- Identify location in catalog of university, college/school, and department/program requirements which the student must meet in addition to hours in the major, but do not restate these requirements.
- State course requirements in the major and any allied areas, giving number of hours and specific courses; specify electives or elective areas and give numbers of hours and courses in elective pools or categories; identify any other course requirements.
- State any other requirements (required GPA, internship, exit exam, project, thesis, etc.).
- Identify name and requirements for each concentration (if any).
- Specify whether a minor or other program component is allowed or required and provide details.
- State eight-semester plan requirements

For minors, state requirements in terms of hours, required courses, electives, etc.

For graduate program/units, include elements (as needed) parallel to those listed for undergraduate programs above.

For Law School program/units, prepare text consistent with current catalog style.

For centers, prepare text consistent with current catalog style.

Requirements for a Major in German: In addition to the state/university core requirements (see page 42) and the Fulbright College of Arts and Sciences Graduation Requirements (see page 124 under College Academic Regulations and Degree Completion Program Policy), the following departmental and major course requirements must be met. Bolded courses from the list below may be applied to portions of the University/state minimum core requirements.

3 COMM 1313 Fundamentals of Communication

3 ENGL 2003 Advanced Composition or ENGL 2013 Essay Writing

6 [Six hours of language-related courses to be fulfilled by completing six hours of a single world language different than the major, or six hours from any combination of department- approved WLLC courses \(such as WLLC 2413, WLLC 3173, WLLC 4023, WLLC 4033\), classical studies \(CLST\) courses, or language-related area/ethnic or gender studies courses.](#)

6¹ Humanities, 3 of which must come from either **PHIL 2003** or **WLIT 1113**; the remaining 3 hours may be fulfilled by any other state/university humanities core course

6¹ World Civilization (Social Sciences) to be fulfilled by **HIST 1113 and 1123**

24 hours in German in courses numbered 3000 or above with a minimum grade of "C" in each course. Specific courses required are GERM 3003 (*GERM 1003², GERM 1013, 2003, and 2013 or equivalent are prerequisites*), GERM 3013, GERM 4003, GERM 4213, and three hours of conversation (GERM 3033 or GERM 4033). GERM 5000-level classes such as GERM 5223 (Early German Literature),

¹ Honors students who complete the HUMN 1114, 1124, 2114, 2124 (H2P) sequence will have fulfilled the World Civilization HIST 1113 and 1123 requirement for this major as well as the major's 6-hour Humanities requirement (equivalent of WLIT 1113 and 1123).

² Please note: 1003 usually will not count towards the 124 hours required for degree credit; see College Admission Requirements on page XXX for further details.

GERM 5273 (Enlightenment through Classicism), and GERM 5363 (Literature after 1945) may be taken by undergraduates with exceptional language skills after approval by the undergraduate advisor and a petition to the graduate school.

SECTION V: Proposed Changes to an Existing Program or Program Policies

Insert here a statement of the exact changes to be made: The following course requirements are being added to the Spanish, BA degree program:

3 **COMM 1313 Fundamentals of Communication**

3 **ENGL 2003 Advanced Composition or ENGL 2013 Essay Writing**

6 **Six hours of language-related courses to be fulfilled by completing six hours of a single world language different than the major, or six hours from any combination of department- approved WLLC courses (such as WLLC 2413, WLLC 3173, WLLC 4023, WLLC 4033), classical studies (CLST) courses, or language-related area/ethnic or gender studies courses.**

6 **Humanities, 3 of which must come from either PHIL 2003 or WLIT 1113; the remaining 3 hours may be fulfilled by any other state/university humanities core course**

6 **World Civilization (Social Sciences) to be fulfilled by HIST 1113 and 1123**

Changes are being made to the 8-semester plan to reflect these changes and to reflect the changes to the Fulbright College core (which is becoming equivalent to the university/state core).

Check if either of these boxes apply and provide the necessary signature:

- Program change proposal adds courses offered by another academic college, and that college dean's office has been notified. The signature of the dean of that academic college is required here: _____
- Program change proposal deletes courses offered by another academic college, and that college dean's office has been notified. The signature of the dean of that academic college is required here: _____

Check all the boxes that apply and complete the required sections of the form:

- Change of Name and Code (Complete only sections I, II, V and VII.)
- Change Course Requirements: (Complete all sections of the form except "Proposed Name" in II, section III, and section IV.)
- Change Delivery Site/Method (Complete all sections of the form except "Proposed Name" in II, section III, and section IV.)
- Change Total Hours (Complete all sections of the form except "Proposed Name" in II, section III, and section IV.)
- Change in Program Policies

SECTION VI: Justification

Justify this change and state its likely effect on any other degree program (including those outside the school or college). Identify any program or program components (other than courses) to be eliminated if this program is implemented. (Program and course change forms must also be submitted for such related changes.)

The Department of World Languages, Literatures & Cultures wishes to ensure that a broad-based liberal arts curriculum remain a part of the bachelor of arts degree requirements for all language majors. These requirements are not new to the bachelor of arts degree program requirements for world language majors. They are simply requirements that our department wishes to retain under the revised Fulbright core curriculum. The Department of World Languages, Literatures & Cultures wishes to 1.) retain COMM 1313 as a requirement; 2.) retain the "old" Fulbright College Fine Arts/Humanities core, which is 3 credits above and beyond the specified state/university core by specifically requiring six hours of humanities; 3.) retain the World Civ I and II requirement.

In addition, we wish to reinstate the ENGL 2003 Advanced Composition or 2013 Essay Writing requirement. In order to maintain a broad-based liberal arts curriculum as a part of our degree program, we feel it important to provide students an opportunity to develop their writing skills in English either in the form of day-to-day writing activities as found in ENGL 2003 or through more academic writing activities as found in ENGL 2013.

The 6 hours of WLLC courses or additional world language hours are being required because we want our students to have as well rounded an education with their language studies as possible. WLLC courses students can take include linguistics, language teaching and technology, language pedagogy, any of which will enhance their knowledge of communication and teaching in a second language.

Students may also choose to take 6 hours in an additional language, an international area or in classical studies. This will provide them with knowledge of an additional language and culture, knowledge of how other languages function similarly or differently to their own major language, enhanced knowledge of their area, and simply make them more rounded as a language major. In any of these instances, such enhanced knowledge as it relates to language learning will make them more marketable or better prepared for graduate school or the MAT program.

SECTION VII: Catalog Text and Format

In the box below, insert the current catalog text which is to be changed, with changes highlighted with the color yellow. Include all proposed changes identified in Section V. Only changes explicitly stated in Section V will be considered for approval by the University Course and Programs Committee, the Graduate Council and the Faculty Senate. If you are proposing a new program, give proposed text with all of the elements listed below. If you are proposing modified text, include these elements as appropriate.

Include the following elements, in order, in the catalog text for proposed undergraduate program(s) or program changes:

- State complete major/program name
- Briefly define or describe the major/program or discipline.
- Identify typical career goals or paths for graduates. (Optional)
- State admission requirements (if any) for entry or entry into upper/advanced level of major/program.
- Identify location in catalog of university, college/school, and department/program requirements which the student must meet in addition to hours in the major, but do not restate these requirements.
- State course requirements in the major and any allied areas, giving number of hours and specific courses; specify electives or elective areas and give numbers of hours and courses in elective pools or categories; identify any other course requirements.
- State any other requirements (required GPA, internship, exit exam, project, thesis, etc.).
- Identify name and requirements for each concentration (if any).
- Specify whether a minor or other program component is allowed or required and provide details.
- State eight-semester plan requirements

For minors, state requirements in terms of hours, required courses, electives, etc.

For graduate program/units, include elements (as needed) parallel to those listed for undergraduate programs above.

For Law School program/units, prepare text consistent with current catalog style.

For centers, prepare text consistent with current catalog style.

Requirements for a Major in Spanish:

In addition to the state/university core requirements (see page 42) and the Fulbright College of Arts and Sciences Graduation Requirements (see page 124 under College Academic Regulations and Degree Completion Program Policy), the following departmental and major course requirements must be met. Bolded courses from the list below may be applied to portions of the University/state minimum core requirements.

3 COMM 1313 Fundamentals of Communication

3 ENGL 2003 Advanced Composition (see catalog course description for exemption requirements) or ENGL 2013 Essay Writing

6 Six hours of language-related courses to be fulfilled by completing six hours of a single world language different than the major, or six hours from any combination of department- approved WLLC courses (such as WLLC 2413, WLLC 3173, WLLC 4023, WLLC 4033), classical studies (CLST) courses, or language-related area/ethnic or gender studies courses.

SECTION V: Proposed Changes to an Existing Program or Program Policies

Insert here a statement of the exact changes to be made: Adding 6 hours in a single world language (at the Elementary II 1013 level or higher) to the requirements for a major in earth science.

Check if either of these boxes apply and provide the necessary signature:

- Program change proposal adds courses offered by another academic college, and that college dean's office has been notified. The signature of the dean of that academic college is required here: _____
- Program change proposal deletes courses offered by another academic college, and that college dean's office has been notified. The signature of the dean of that academic college is required here: _____

Check all the boxes that apply and complete the required sections of the form:

- Change of Name and Code (Complete only sections I, II, V and VII.)
- Change Course Requirements: (Complete all sections of the form except "Proposed Name" in II, section III, and section IV.)
- Change Delivery Site/Method (Complete all sections of the form except "Proposed Name" in II, section III, and section IV.)
- Change Total Hours (Complete all sections of the form except "Proposed Name" in II, section III, and section IV.)
- Change in Program Policies

SECTION VI: Justification

Justify this change and state its likely effect on any other degree program (including those outside the school or college). Identify any program or program components (other than courses) to be eliminated if this program is implemented. (Program and course change forms must also be submitted for such related changes.)

Geology, Geography and Earth Science students must be competitive on a global market. Most of our graduates will find employment with the energy sector, environmental sector and geoinformatics, which are all global industries. Exposure to other languages at a conversational level provides students an ability to efficiently integrate in many parts of the world and learn sufficient language skills to be conversant with their counterparts from around the world.

SECTION VII: Catalog Text and Format

In the box below, insert the current catalog text which is to be changed, with changes highlighted with the color yellow. Include all proposed changes identified in Section V. Only changes explicitly stated in Section V will be considered for approval by the University Course and Programs Committee, the Graduate Council and the Faculty Senate. If you are proposing a new program, give proposed text with all of the elements listed below. If you are proposing modified text, include these elements as appropriate.

Include the following elements, in order, in the catalog text for proposed undergraduate program(s) or program changes:

- State complete major/program name
- Briefly define or describe the major/program or discipline.
- Identify typical career goals or paths for graduates. (Optional)
- State admission requirements (if any) for entry or entry into upper/advanced level of major/program.
- Identify location in catalog of university, college/school, and department/program requirements which the student must meet in addition to hours in the major, but do not restate these requirements.
- State course requirements in the major and any allied areas, giving number of hours and specific courses; specify electives or elective areas and give numbers of hours and courses in elective pools or categories; identify any other course requirements.
- State any other requirements (required GPA, internship, exit exam, project, thesis, etc.).
- Identify name and requirements for each concentration (if any).
- Specify whether a minor or other program component is allowed or required and provide details.
- State eight-semester plan requirements

For minors, state requirements in terms of hours, required courses, electives, etc.

For graduate program/units, include elements (as needed) parallel to those listed for undergraduate programs above.

For Law School program/units, prepare text consistent with current catalog style.

For centers, prepare text consistent with current catalog style.

Requirements for the B.S. Degree with a Major in Earth Science:

In addition to the university/state core requirements (see page 42) and the Fulbright College of Arts and Sciences Graduation Requirements (see page 124 under College Academic Regulations and Degree Completion Policy), the following course requirements must be met. Bolded courses from the list below may be applied to portions of the University/state minimum core requirements.

Basic Courses

Hours

Biology	8
Chemistry or Physics	8
GEOL 1113/1111L	4
GEOL 1133/1131L	4
MATH (2043, 2053, 2183 or 2554)	3-4

GEOL 2313, GEOL 3413, GEOL 4033 and GEOL 4924	13
At least 6 additional hours, at the 3000 level or above, in either geography or geology.	6
Total Hours (depending on choice of MATH by student)	65-66

In addition, all earth science majors must satisfy the senior-level writing requirement as specified by the geosciences department.

In addition, all earth science majors must satisfy the senior-level writing requirement as specified by the geosciences department.

Earth Science (B.S.) Teacher Licensure in Life/Earth Science or Physical/Earth Science Requirements: Students wanting to teach science in middle or secondary school should consult with an adviser in the College of Education and Health Professions.

Earth Science Eight-Semester Degree Program
Students wishing to follow the eight-semester degree plan should see page 42 in the Academic Regulations chapter for university requirements of the program. Core requirement hours may vary by individual, based on placement and previous credit granted. Once all core requirements are met, students may substitute a three-hour (or more) general elective in place of a core area.

For centers, prepare text consistent with current catalog style.

Requirements for a Major in Geography:

In addition to the university/state core requirements (see page 42) and the Fulbright College of Arts and Sciences Graduation Requirements (see page 124 under College Academic Regulations and Degree Completion Policy), the following course requirements must be met. Bolded courses from the list below may be applied to portions of the University/state minimum core requirements.

- 3 **GEOG 1123**
- 3 **GEOG 2003**
- 8 GEOL 1113/1111L and GEOL 1133/1131L
- 6 Six hours in a single world language at the 1013¹ Elementary II level or higher
- 3 GEOS 3023

In addition, a minimum of 15 hours of GEOG courses at the 3000 level or above, with a balance between regional and topical courses.

Students who expect to enter graduate school are encouraged to register for GEOG 410V their senior year. Electives in closely related fields are considered a part of the program and, upon prior approval of the department, six hours may be counted toward the major. Those planning to teach in secondary schools should note that they can both earn their degree in geography and qualify for a teaching certificate; they should consult with the department as early as possible.

Writing Requirement: The college writing requirement is to be met by completion of a term paper deemed satisfactory by the student's adviser and instructor of an upper-level geography course. The college writing requirement may also be met by the completion of an honors thesis.

Geography Eight-Semester Degree Program

Students wishing to follow the eight-semester degree plan should see page 42 in the Academic Regulations chapter for university requirements of the program. Check if either of these boxes apply and provide the necessary signature:

- Program change proposal adds courses offered by another academic college, and that college dean's office has been notified. The signature of the dean of that academic college is required here: _____
- Program change proposal deletes courses offered by another academic college, and that college dean's office has been notified. The signature of the dean of that academic college is required here: _____

Check all the boxes that apply and complete the required sections of the form:

- Change of Name and Code (Complete only sections I, II, V and VII.)
- Change Course Requirements: (Complete all sections of the form except "Proposed Name" in II, section III, and section IV.)
- Change Delivery Site/Method (Complete all sections of the form except "Proposed Name" in II, section III, and section IV.)
- Change Total Hours (Complete all sections of the form except "Proposed Name" in II, section III, and section IV.)
- Change in Program Policies

SECTION VI: Justification

Justify this change and state its likely effect on any other degree program (including those outside the school or college). Identify any program or program components (other than courses) to be eliminated if this program is implemented. (Program and course change forms must also be submitted for such related changes.)

Geology, Geography and Earth Science students must be competitive on a global market. Most of our graduates will find employment with the energy sector, environmental sector and geoinformatics, which are all global industries. Exposure to other languages at a conversational level provides students an ability to efficiently integrate in many parts of the world and learn sufficient language skills to be conversant with their counterparts from around the world.

SECTION VII: Catalog Text and Format

In the box below, insert the current catalog text which is to be changed, with changes highlighted with the color yellow. Include all proposed changes identified in Section V. Only changes explicitly stated in Section V will be considered for approval by the University Course and Programs Committee, the Graduate Council and the Faculty Senate. If you are proposing a new program, give proposed text with all of the elements listed below. If you are proposing modified text, include these elements as appropriate.

Include the following elements, in order, in the catalog text for proposed undergraduate program(s) or program changes:

- State complete major/program name
- Briefly define or describe the major/program or discipline.
- Identify typical career goals or paths for graduates. (Optional)
- State admission requirements (if any) for entry or entry into upper/advanced level of major/program.
- Identify location in catalog of university, college/school, and department/program requirements which the student must meet in addition to hours in the major, but do not restate these requirements.
- State course requirements in the major and any allied areas, giving number of hours and specific courses; specify electives or elective areas and give numbers of hours and courses in elective pools or categories; identify any other course requirements.
- State any other requirements (required GPA, internship, exit exam, project, thesis, etc.).
- Identify name and requirements for each concentration (if any).
- Specify whether a minor or other program component is allowed or required and provide details.
- State eight-semester plan requirements

For minors, state requirements in terms of hours, required courses, electives, etc.

For graduate program/units, include elements (as needed) parallel to those listed for undergraduate programs above.

For Law School program/units, prepare text consistent with current catalog style.

For centers, prepare text consistent with current catalog style.

Requirements for a Major in Geology leading to the B.S. Degree:

In addition to the university/state core requirements (see page 42) and the Fulbright College of Arts and Sciences Graduation Requirements (see page 124 under College Academic Regulations and Degree Completion Policy), the following course requirements must be met. Bolded courses from the list below may be applied to portions of the University/state minimum core requirements.

- 8 **PHYS 2013/2011L** and **PHYS 2033/2031L** or **PHYS 2054** and **PHYS 2074**
- 8 **MATH 2554** and **MATH 2564**
- 6 Six hours in a single world language at the 1013¹ Elementary II level or higher
- 3 Three hours of upper-level science as approved by advisor

And a minimum of 40 semester hours of GEOL, GEOG or GEOS courses to include:

GEOL 1113/1111L (or GEOL 3002), **GEOL 1133/1131L**, GEOL 2313, GEOG 3383, GEOL 3413, GEOL 3514, GEOL 4223, GEOL 4063 or GEOL 4433, GEOL 4863, GEOL 4924, GEOL 4666, and an additional 9 hours of geology courses selected from GEOL or GEOS courses numbered 3000 or higher.

Writing Requirement: A scholarly writing assignment will be included in all geology courses numbered 2000 and above. Those papers submitted in geology courses 3000 and above will fulfill the Fulbright College writing requirement.

Geology B.S. Nine-Semester Degree Program

Students wishing to follow the nine-semester degree plan should see page 42 in the Academic Regulations chapter for university requirements of the program. The following nine-semester plan refers to additional B.S. Core

Requirement Areas (areas a, b, c, d, and e) found on page 205 at the end of this chapter. Core requirement hours may vary by individual, based on placement and previous credit granted. Once all core requirements are met, students may substitute a three-hour (or more) general elective in place of a core area. This program does require a summer field camp after the junior year.

Justify this change and state its likely effect on any other degree program (including those outside the school or college). Identify any program or program components (other than courses) to be eliminated if this program is implemented. (Program and course change forms must also be submitted for such related changes.)

Pursuant to the changes in the Fulbright College core, the Department of History proposes the following changes to its BA.

1.) We wish to require students to complete or show proficiency in a world language through the Intermediate II (2013) level. History takes its majors into a global world, where they are expected to be global citizens. Students who work on Latin American History by necessity should study Spanish; those who work on American Diplomatic History need to immerse themselves in another culture; those whose research interests embrace classical antiquity simply must work in either classical Greek or Latin. History encourages its majors to become proficient in languages—even beyond the 2013 level—because such proficiency makes them more marketable.

2.) We wish to require students to complete a 3-hour introduction to area studies course from the following menu: AAST 1003, AMST 2003, CLST 1003, CLST 1013, EUST 2013, HUMN 2003, FIIR 2813, LAST 2013, MEST 2013. With the changes to the Fulbright core, students will have ample room in their curricula to add minors, co-majors, or even majors. The above list represents programs most closely related to History. For example, students interested in the classical world will be

encouraged at the level of advising to pursue course work in Classical Studies. Majors working largely in the field of Middle Eastern History will be urged to continue coursework in Arabic and in Middle Eastern Studies. The linking of History with Area Studies programs offers majors choices in terms of which fields to pursue but also gives them focus in choosing electives.

In addition to the program modifications initiated by the change to the Fulbright core, we wish to update the list of courses found in Groups 1, 2 and 3. New courses have been added to the HIST curriculum over the years, and the catalog copy needs to be changed to reflect these additions. Two courses needed to be removed from Group 2 due to error.

SECTION VII: Catalog Text and Format

In the box below, insert the current catalog text which is to be changed, with changes highlighted with the color yellow. Include all proposed changes identified in Section V. Only changes explicitly stated in Section V will be considered for approval by the University Course and Programs Committee, the Graduate Council and the Faculty Senate. If you are proposing a new program, give proposed text with all of the elements listed below. If you are proposing modified text, include these elements as appropriate.

Include the following elements, in order, in the catalog text for proposed undergraduate program(s) or program changes:

- State complete major/program name
- Briefly define or describe the major/program or discipline.
- Identify typical career goals or paths for graduates. (Optional)
- State admission requirements (if any) for entry or entry into upper/advanced level of major/program.
- Identify location in catalog of university, college/school, and department/program requirements which the student must meet in addition to hours in the major, but do not restate these requirements.
- State course requirements in the major and any allied areas, giving number of hours and specific courses; specify electives or elective areas and give numbers of hours and courses in elective pools or categories; identify any other course requirements.
- State any other requirements (required GPA, internship, exit exam, project, thesis, etc.).
- Identify name and requirements for each concentration (if any).
- Specify whether a minor or other program component is allowed or required and provide details.
- State eight-semester plan requirements

For minors, state requirements in terms of hours, required courses, electives, etc.

For graduate program/units, include elements (as needed) parallel to those listed for undergraduate programs above.

For Law School program/units, prepare text consistent with current catalog style.

For centers, prepare text consistent with current catalog style.

Requirements for a Major in History: Minimum of 45 semester hours to include:

Courses listed in more than one group may fill only one group requirement. In consultation with an adviser, students who are history majors are encouraged to design a program of study with both breadth and depth.

History majors are strongly encouraged, but not required, to take a minor or combined major in one of the following:

African American Studies

American Studies

Art History

Asian Studies

Classical Studies

European Studies

Gender Studies

International Relations

Latin American Studies

Medieval & Renaissance Studies

Middle Eastern Studies

Religious Studies

World Languages, Literatures, and Culture

Writing Requirement: To fulfill the Fulbright College writing requirement, each history major will submit, prior to graduation, a substantial research or analytical paper, with a grade of "A" or "B" from an upper-division history course (3000, 4000, 5000 level) to his or her departmental adviser. The required senior capstone seminar, HIST 4893, is designed to give history majors the opportunity and guidance to produce a paper to meet the Fulbright College requirement, but students may also submit a paper from another course. Satisfactory completion of an thesis may also fulfill this requirement.

Requirements for Departmental Honors in History: Admission to the

Departmental Honors Program in History is open to history majors with a minimum grade-point average of 3.5 in all their work. Prospective Departmental Honors students must take 12 hours in Honors Studies, of which 6 hours must include HIST 3973H Honors Methods (Spring semester, junior year and HIST 399VH, Honors History Thesis (Fall or Spring semester, senior year).

During the senior year, the honors candidate will complete the program by writing and defending an honors thesis. Successful completion of the program will be recognized by the award of the distinction "History Scholar Cum Laude" at graduation.

Higher degree distinctions are recommended only in truly exceptional cases and are based on the candidate's entire program of honors studies.

History Eight-Semester Degree Program

Students who elect to follow the eight-semester degree plan should see

page 42 in the Academic Regulations chapter for university requirements of

the program. State/University Core and world language requirement hours may vary by individual, based on placement and previous credit granted. Once all state/university core requirements and the world language 2013 requirement are met, students may substitute a three-hour (or more) general elective in place of a core or world language area.

SECTION V: Proposed Changes to an Existing Program or Program Policies

Insert here a statement of the exact changes to be made: Specifying that at least one World Civilization course and at least one US History course are required for the minor in addition to 15 hours of upper-level history courses, of which 6 hours must be at the 4000-level.

Check if either of these boxes apply and provide the necessary signature:

- Program change proposal adds courses offered by another academic college, and that college dean's office has been notified. The signature of the dean of that academic college is required here: _____
- Program change proposal deletes courses offered by another academic college, and that college dean's office has been notified. The signature of the dean of that academic college is required here: _____

Check all the boxes that apply and complete the required sections of the form:

- Change of Name and Code (Complete only sections I, II, V and VII.)
- Change Course Requirements: (Complete all sections of the form except "Proposed Name" in II, section III, and section IV.)
- Change Delivery Site/Method (Complete all sections of the form except "Proposed Name" in II, section III, and section IV.)
- Change Total Hours (Complete all sections of the form except "Proposed Name" in II, section III, and section IV.)
- Change in Program Policies

SECTION VI: Justification

Justify this change and state its likely effect on any other degree program (including those outside the school or college). Identify any program or program components (other than courses) to be eliminated if this program is implemented. (Program and course change forms must also be submitted for such related changes.)

Until now, the Fulbright BA core required six hours of World Civilization and six hours of social sciences. In light of Act 182 and the proposed changes to the Fulbright core, the new Fulbright core requirements consolidate those twelve hours of requirements into nine hours of social science that allows World Civilization I or II to partially satisfy the new requirement, but does not specifically require either HIST 1113 World Civilization I or HIST 1123 World Civilization II. Furthermore, it is possible to satisfy the new Fulbright core (same as the University/state core) requirement for social sciences without taking a US History course. We want to ensure that HIST minors have at least one semester of World Civilization and one semester of US History.

SECTION VII: Catalog Text and Format

In the box below, insert the current catalog text which is to be changed, with changes highlighted with the color yellow. Include all proposed changes identified in Section V. Only changes explicitly stated in Section V will be considered for approval by the University Course and Programs Committee, the Graduate Council and the Faculty Senate. If you are proposing a new program, give proposed text with all of the elements listed below. If you are proposing modified text, include these elements as appropriate.

Include the following elements, in order, in the catalog text for proposed undergraduate program(s) or program changes:

- State complete major/program name
- Briefly define or describe the major/program or discipline.
- Identify typical career goals or paths for graduates. (Optional)
- State admission requirements (if any) for entry or entry into upper/advanced level of major/program.
- Identify location in catalog of university, college/school, and department/program requirements which the student must meet in addition to hours in the major, but do not restate these requirements.
- State course requirements in the major and any allied areas, giving number of hours and specific courses; specify electives or elective areas and give numbers of hours and courses in elective pools or categories; identify any other course requirements.
- State any other requirements (required GPA, internship, exit exam, project, thesis, etc.).
- Identify name and requirements for each concentration (if any).
- Specify whether a minor or other program component is allowed or required and provide details.
- State eight-semester plan requirements

For minors, state requirements in terms of hours, required courses, electives, etc.

For graduate program/units, include elements (as needed) parallel to those listed for undergraduate programs above.

For Law School program/units, prepare text consistent with current catalog style.

For centers, prepare text consistent with current catalog style.

**Requirements for a Minor in History:
21 semester hours to include the following:**

HIST 1113 or HIST 1123 (or HUMN 1114H or HUMN 1124H)

HIST 2003 or HIST 2013

15 hours of upper-level credit, at least 6 hours of which are at the 4000-level.

A student must notify the department of his or her intent to minor.

SECTION V: Proposed Changes to an Existing Program or Program Policies

Insert here a statement of the exact changes to be made: These courses will be incorporated into the Journalism Bachelor of Arts requirements as a result of changes to the Fulbright College core. They represent 30 hours of coursework. These are the specific courses:

3 hrs from WLIT 1113, 1123 or advanced literature course, or language literature course

3 hrs of Math beyond college algebra to be chosen from MATH 2033, MATH 2043, MATH 2053 Finite, MATH 2183 or any higher-level mathematics

3 hrs of Philosophy to be chosen from PHIL 2003 Intro to Philosophy; PHIL 2103 Intro to Ethics; or an advanced philosophy course (such as PHIL 3103 Ethics and the Professions)

3 hrs of COMM 1313 Fundamentals of Communication

3 hrs of Foreign Language, specifically any world language at the 2003 Intermediate I level (prereqs may be required)

3 hrs of Economics, specifically ECON 2143. A combination of ECON 2013 Principles of Macroeconomics, and ECON 2023 Principles of Microeconomics will be allowed.

6 hrs of Political Science, to include PLSC 2003 American National Government, and a second course (recommended courses are: PLSC 3233 The American Congress, PLSC 4233 The American Chief Executive, or FIIR 2813 Intro to International Relations)

3 hrs of History at the Advanced level (that is, 3000-4000)

3 hrs of "cultural" or "diversity" studies, to be selected from a list of specified courses or as approved by the department

Check if either of these boxes apply and provide the necessary signature:

- Program change proposal adds courses offered by another academic college, and that college dean's office has been notified. The signature of the dean of that academic college is required here: _____
- Program change proposal deletes courses offered by another academic college, and that college dean's office has been notified. The signature of the dean of that academic college is required here: _____

Check all the boxes that apply and complete the required sections of the form:

- Change of Name and Code (Complete only sections I, II, V and VII.)
- Change Course Requirements: (Complete all sections of the form except "Proposed Name" in II, section III, and section IV.)
- Change Delivery Site/Method (Complete all sections of the form except "Proposed Name" in II, section III, and section IV.)
- Change Total Hours (Complete all sections of the form except "Proposed Name" in II, section III, and section IV.)
- Change in Program Policies

SECTION VI: Justification

Justify this change and state its likely effect on any other degree program (including those outside the school or college). Identify any program or program components (other than courses) to be eliminated if this program is implemented. (Program and course change forms must also be submitted for such related changes.)

These 30 hours of additional coursework for the Journalism BA enable the Journalism department to meet the strong liberal arts curriculum requirements mandated by the national Accrediting Council for Education in Journalism and Mass Communication.

SECTION VII: Catalog Text and Format

In the box below, insert the current catalog text which is to be changed, with changes highlighted with the color yellow. Include all proposed changes identified in Section V. Only changes explicitly stated in Section V will be considered for approval by the University Course and Programs Committee, the Graduate Council and the Faculty Senate. If you are proposing a new program, give proposed text with all of the elements listed below. If you are proposing modified text, include these elements as appropriate.

Include the following elements, in order, in the catalog text for proposed undergraduate program(s) or program changes:

- State complete major/program name
- Briefly define or describe the major/program or discipline.
- Identify typical career goals or paths for graduates. (Optional)
- State admission requirements (if any) for entry or entry into upper/advanced level of major/program.
- Identify location in catalog of university, college/school, and department/program requirements which the student must meet in addition to hours in the major, but do not restate these requirements.
- State course requirements in the major and any allied areas, giving number of hours and specific courses; specify electives or elective areas and give numbers of hours and courses in elective pools or categories; identify any other course requirements.
- State any other requirements (required GPA, internship, exit exam, project, thesis, etc.).
- Identify name and requirements for each concentration (if any).
- Specify whether a minor or other program component is allowed or required and provide details.

- State eight-semester plan requirements

For minors, state requirements in terms of hours, required courses, electives, etc.

For graduate program/units, include elements (as needed) parallel to those listed for undergraduate programs above.

For Law School program/units, prepare text consistent with current catalog style.

For centers, prepare text consistent with current catalog style.

The purpose of the Walter J. Lemke Department of Journalism is to provide students with knowledge of the history, theory, and ethics of mass communications, to educate students in journalistic skills, including the ability to express themselves logically and clearly, and to guide them in securing specialized knowledge of society appropriate to journalistic careers.

Requirements for a B.A. degree in Journalism: All university students must fulfill the minimum University/state core requirements (see page 41). A minimum of 84-85 hours in non-journalism courses must be applied toward the 124 hours required by the college for a Bachelor of Arts degree.

Bolded courses from the list below may be counted toward some part of the University/state minimum core requirements, as applicable.

3 **MATH 2033 Mathematical Thought, MATH 2043 Survey of Calculus, MATH 2053 Finite Mathematics, or MATH 2183 Mathematical Reasoning**, or higher level math

3-6 **Intermediate I (course number 2003)** of a world language. The number of credit hours taken to complete this level of proficiency depends on placement level in the language course sequence. Elementary Language courses numbered 1003 generally do not count toward the 124 minimum credit hours required for graduation. Consult page XXX under college admission requirements for details.

3 **WLIT 1113 World Literature I, or WLIT 1123 World Literature II**, or an advanced literature course, or a language literature course;

3 **PHIL 2003 Intro to Philosophy or PHIL 2103 Intro to Ethics** or any philosophy course at the 3000-level or higher (recommended: **PHIL 3103 Ethics and the Professions**);

6 **PLSC 2003 American National Government** and a second PLSC course (recommended courses include: PLSC 2813 Intro to International Relations, PLSC 3233 The American Congress, and PLSC 4233 The American Chief Executive);

3-6 **ECON 2143 Basic Economics: Theory and Practice**. A combination of ECON 2013 Principles of Macroeconomics and ECON 2023 Principles of Microeconomics will be allowed in place of ECON 2143;

3 COMM 1313 Fundamentals of Communication;

3 ENGL 2013 Essay Writing;

3 3000-4000 level HIST course;

3 Cultural/Diversity Requirement: 3 hours of cultural/diversity studies to be selected from the following or as approved by the Lemke Department of Journalism:

- ANTH 4533 Middle East Cultures
- COMM 4343 Intercultural Communication
- HIST 3233 African American History to 1877
- HIST 3243 African American History Since 1877
- HIST 3263 History of the American Indian
- JOUR 405V Special Journalism Seminar—approved topics such as “African Americans in Film” and “History of the Black Press”
- SCWK 3193 Human Diversity and Social Work
- SOCI 3033 American Minorities (SOCI 2013 prerequisite)
- SOCI 3193 Race, Class and Gender in America (SOCI 2013 prerequisite)

A minimum of 33 semester hours in journalism, including JOUR 1023, JOUR 1033, and JOUR 3633. A minimum grade of “C” is required in all journalism courses that serve as prerequisites for advanced journalism courses. In certain courses a minimum grade of “B” is required.

Journalism majors must also fulfill the requirements for either the news/editorial option, the advertising/public relations option, or the broadcast option. Students must select a sequence when they enter the department. Specific non-journalism courses in addition to the journalism courses are required only for the advertising/public relations sequence. The requirements for each sequence are as follows:

News/Editorial: JOUR 2013, JOUR 3013, JOUR 3123, and either JOUR 3023 or JOUR 4553 are required, plus any four additional journalism courses for which journalism course prerequisites are required. It is recommended that one course choice be an internship.

Broadcast: JOUR 2032/2031L, JOUR 3072/3071L, JOUR 4863, and JOUR 4873 are required, plus any four additional journalism courses for which journalism course prerequisites are required. It is recommended that one course choice be an internship and another choice be JOUR 4883/4880L.

Advertising/Public Relations: JOUR 3723, JOUR 3743, JOUR 4143, JOUR 4423, and JOUR 4453 are required, plus any three

additional journalism courses for which journalism course prerequisites are required. It is recommended that one course choice be an internship. Also required are MKTG 3433 and MKTG 3553. Students seeking admission to the Ad/PR Sequence must have an overall GPA of 2.5 or higher: 1) to be admitted to the Ad/PR Sequence, and 2) to enroll in JOUR 3723 and JOUR 3743. Ad/PR Sequence students are required to earn a grade of "B" or higher in both JOUR 3723 and JOUR 3743 to qualify to take all upper level Ad/PR sequence courses.

Students may retake JOUR 3723 and JOUR 3743 only once to earn a grade of "B" or higher.

Writing Requirement: Students may meet the college writing requirement by producing a satisfactory honors thesis, or research/analytical paper.

The research/analytical paper may be written in any journalism course numbered JOUR 3133 or higher or by registering for JOUR 498V. Rules governing the research/analytical paper may be obtained from the journalism department or from any journalism professor.

Students should consult with their faculty advisers to make sure they meet all requirements.

Journalism Eight-Semester Degree Programs

Students wishing to follow the eight-semester degree plan should see page 42 in the Academic Regulations chapter for university requirements of the program. The journalism major includes three sequences: News/Editorial, Broadcast, and Advertising/Public Relations. Each is shown below.

Core requirement hours may vary by individual, based on placement and previous credit granted. Once all university/state core requirements are met, students may substitute a three-hour (or more) general elective in place of a core area.

Insert here a statement of the exact changes to be made: These courses will be incorporated into the requirements for all journalism majors, including the combined major in Journalism/Political Science. They represent 30 hours of coursework.

These are the specific courses:

3 hrs from WLIT 1113, 1123 or advanced literature course, or language literature course

3 hrs of Math beyond college algebra to be chosen from MATH 2033, MATH 2043, MATH 2053 Finite, MATH 2183 or any higher-level mathematics

3 hrs of Philosophy to be chosen from PHIL 2003 Intro to Philosophy; PHIL 2103 Intro to Ethics; or an advanced philosophy course (such as PHIL 3103 Ethics and the Professions)

3 hrs of COMM 1313 Fundamentals of Communication

3 hrs of Foreign Language, specifically a world language course at the 2003 Intermediate I level (prereqs may be required)

3 hrs of Economics, specifically ECON 2143. A combination of ECON 2013 Principles of Macroeconomics, and ECON 2023 Principles of Microeconomics will be allowed.

6 hrs of Political Science, to include PLSC 2003 American National Government, and a second course (recommended courses are: PLSC 3233 The American Congress, PLSC 4233 The American Chief Executive, or FIIR 2813 Intro to International Relations)

3 hrs of History at the Advanced level (that is, 3000-4000)

3 hrs of "cultural" or "diversity" studies, to be selected from a list of specified courses or as approved by the department

Certain PLSC courses have been removed because they are inactive and no longer in the catalog.

The 8-semester plan has been adjusted in light of the changes to the Fulbright core and the incorporation of these new overall degree requirements for the Journalism program.

Check if either of these boxes apply and provide the necessary signature:

- Program change proposal adds courses offered by another academic college, and that college dean's office has been notified. The signature of the dean of that academic college is required here: _____
- Program change proposal deletes courses offered by another academic college, and that college dean's office has been notified. The signature of the dean of that academic college is required here: _____

Check all the boxes that apply and complete the required sections of the form:

- Change of Name and Code (Complete only sections I, II, V and VII.)
- Change Course Requirements: (Complete all sections of the form except "Proposed Name" in II, section III, and section IV.)
- Change Delivery Site/Method (Complete all sections of the form except "Proposed Name" in II, section III, and section IV.)
- Change Total Hours (Complete all sections of the form except "Proposed Name" in II, section III, and section IV.)
- Change in Program Policies

SECTION VI: Justification

Justify this change and state its likely effect on any other degree program (including those outside the school or college). Identify any program or program components (other than courses) to be eliminated if this program is implemented. (Program and course change forms must also be submitted for such related changes.)

1. These 30 hours of additional coursework for the Journalism BA enable the Journalism department to meet the strong liberal arts curriculum requirements mandated by the national Accrediting Council for Education in Journalism and Mass Communication.

2. Courses being removed from Journalism/PLSC combined needed to remove old listings that are no longer offered.

SECTION VII: Catalog Text and Format

In the box below, insert the current catalog text which is to be changed, with changes highlighted with the color yellow. Include all proposed changes identified in Section V. Only changes explicitly stated in Section V will be considered for approval by the University Course and Programs Committee, the Graduate Council and the Faculty Senate. If you are proposing a new program, give proposed text with all of the elements listed below. If you are proposing modified text, include these elements as appropriate.

Include the following elements, in order, in the catalog text for proposed undergraduate program(s) or program changes:

- State complete major/program name
- Briefly define or describe the major/program or discipline.
- Identify typical career goals or paths for graduates. (Optional)
- State admission requirements (if any) for entry or entry into upper/advanced level of major/program.
- Identify location in catalog of university, college/school, and department/program requirements which the student must meet in addition to hours in the major, but do not restate these requirements.

- State course requirements in the major and any allied areas, giving number of hours and specific courses; specify electives or elective areas and give numbers of hours and courses in elective pools or categories; identify any other course requirements.
- State any other requirements (required GPA, internship, exit exam, project, thesis, etc.).
- Identify name and requirements for each concentration (if any).
- Specify whether a minor or other program component is allowed or required and provide details.
- State eight-semester plan requirements

For minors, state requirements in terms of hours, required courses, electives, etc.

For graduate program/units, include elements (as needed) parallel to those listed for undergraduate programs above.

For Law School program/units, prepare text consistent with current catalog style.

For centers, prepare text consistent with current catalog style.

Combined Majors

Combined Major in Journalism and Political Science: The combined major in journalism and political science has been developed for students who wish to combine their strong interests in both journalism and political science. There are two journalism options available: Public Affairs Reporting and Political Advertising and Promotion.

Requirements for the Combined Major in Journalism and Political Science:

All university students must fulfill the minimum University/state core requirements (see page 41). A minimum of 84-85 hours in non-journalism courses must be applied toward the 124 hours required by the college for a Bachelor of Arts degree. Bolded courses from the list below may be counted toward some part of the University/state minimum core requirements, as applicable.

3 **MATH 2033 Mathematical Thought, MATH 2043 Survey of Calculus, MATH 2053 Finite Mathematics, or MATH 2183 Mathematical Reasoning, or higher level math**

3-6 **Intermediate I (course number 2003)** of a world language. The number of credit hours taken to complete this level of proficiency depends on placement level in the language course sequence. Elementary Language courses numbered 1003 generally do not count toward the 124 minimum credit hours required for graduation. Consult page XXX under college admission requirements for details.

3 **WLIT 1113 World Literature I, or WLIT 1123 World Literature II**, or an advanced literature course, or a language literature course;

3 **PHIL 2003 Intro to Philosophy or PHIL 2103 Intro to Ethics** or any philosophy course at the 3000-level or higher (recommended: PHIL 3103 Ethics and the Professions);

6 **PLSC 2003 American National Government** and a second PLSC course (recommended courses include: PLSC 2813 Intro to International Relations, PLSC 3233 The American Congress, and PLSC 4233 The American Chief Executive);

3-6 **ECON 2143 Basic Economics: Theory and Practice.** A combination of **ECON 2013 Principles of Macroeconomics and ECON 2023 Principles of Microeconomics** will be allowed in place of ECON 2143;

3 COMM 1313 Fundamentals of Communication;

3 ENGL 2013 Essay Writing;

3 3000-4000 level HIST course;

3 Cultural/Diversity Requirement: 3 hours of cultural/diversity studies to be selected from the following or as approved by the Lemke Department of Journalism:

- ANTH 4533 Middle East Cultures
- COMM 4343 Intercultural Communication
- HIST 3233 African American History to 1877
- HIST 3243 African American History Since 1877
- HIST 3263 History of the American Indian
- JOUR 405V Special Journalism Seminar—approved topics such as “African Americans in Film” and “History of the Black Press”
- SCWK 3193 Human Diversity and Social Work
- SOCI 3033 American Minorities (SOC 2013 prerequisite)
- SOCI 3193 Race, Class and Gender in America (SOC 2013 prerequisite)

The journalism requirement may be satisfied by 24 semester hours of courses, including JOUR 1023, JOUR 1033, and JOUR 3633. The remaining hours are filled from the following options.

Those wishing to emphasize Public Affairs Reporting can choose from either print or broadcast news:

Print News: JOUR 2013, JOUR 3013, JOUR 3023, JOUR 4043, and one additional journalism course.

Broadcast News: JOUR 2032/2031L, JOUR 3073, JOUR 4043, JOUR 4863, and JOUR 4873.

Those wishing to emphasize Political Advertising and Promotion take the following courses: JOUR 3723, JOUR 3743, JOUR 4043, and 6

hours of advanced journalism courses. Students should check course prerequisites.

The political science requirement may be satisfied by 24 semester hours of courses, including PLSC 2003, PLSC 2013, PLSC 4373, and 15 additional hours of advanced political science courses elected from one or the other of two

field concentrations. Those wishing to emphasize American political affairs may elect the additional hours from the following:

PLSC 3103 PLSC 3153 PLSC 3183

PLSC 3223 PLSC 3233 PLSC 3243 PLSC 3253

PLSC 3603 PLSC 3853 PLSC 3923H PLSC 3913

PLSC 399VH PLSC 4193 PLSC 4203 PLSC 4213

PLSC 4243 PLSC 4253 PLSC 4813

PLSC 4823

Alternatively, a foreign affairs concentration may be pursued by electing the advanced hours from the following courses:

PLSC 3503 PLSC 3523 PLSC 3573 PLSC 3603 PLSC 3803 PLSC 3813

PLSC 3823 PLSC 3853 PLSC 3923H PLSC 394V

PLSC 3963 PLSC 399VH PLSC 4513 PLSC 4563

PLSC 4573 PLSC 4593 PLSC 4803 PLSC 4843

PLSC 4873

Department of English

TRANMF - MFA, Translation - Attachments 4A and 4B

Proposal requests to delete the MFA in Translation
as specified in Sections IV and VI of Attachment 4A.

CRWRMF - MFA, Creative Writing - Attachment 4C

Proposal requests to add an area of interest to the Creative Writing program
for those students interested in Translation as specified in Section V
of Attachment 4C.

12 hours of science, with at least 4 hours coming from biological sciences and 4 hours from physical sciences. (8 of these hours will fulfill the state/university core).

9 hours of Fine Arts/Humanities, with at least 3 hours from each of the following areas: Fine Arts, Philosophy, and World Literature (six of these can count towards the state/university core)

3-9 hours of Foreign Language: Completion of Intermediate I of a world language at the 2003 level (# of hours depends on placement)

3-4 hours of Computer Science: CSCE 1013 or 2004

MATH 2803 added as a requirement.

Check if either of these boxes apply and provide the necessary signature:

- Program change proposal adds courses offered by another academic college, and that college dean's office has been notified. The signature of the dean of that academic college is required here: _____
- Program change proposal deletes courses offered by another academic college, and that college dean's office has been notified. The signature of the dean of that academic college is required here: _____

Check all the boxes that apply and complete the required sections of the form:

- Change of Name and Code (Complete only sections I, II, V and VII.)
- Change Course Requirements: (Complete all sections of the form except "Proposed Name" in II, section III, and section IV.)
- Change Delivery Site/Method (Complete all sections of the form except "Proposed Name" in II, section III, and section IV.)
- Change Total Hours (Complete all sections of the form except "Proposed Name" in II, section III, and section IV.)
- Change in Program Policies

SECTION VI: Justification

Justify this change and state its likely effect on any other degree program (including those outside the school or college). Identify any program or program components (other than courses) to be eliminated if this program is implemented. (Program and course change forms must also be submitted for such related changes.)

The Mathematics Department wishes to ensure that a broad-based liberal arts curriculum remains a part of the bachelor of arts degree requirements for math majors. These are not "new" to the math, bachelor of arts degree program. These changes are essentially "old" Fulbright core requirements that the department wishes to retain as part of the mathematics, bachelor of arts program that would otherwise be lost if the due to the Fulbright Core being reduced to the equivalent of the state/university core. The Mathematics Department wishes to 1.) retain the "old" Fulbright College science requirement of 12 hours of science (a minimum of 4 credits to come from natural sciences and 4 from physical sciences), which is 4 credits above and beyond the specified state/university core. 2.) We wish to retain the "old" Fulbright College Fine Arts/Humanities core, which is 3 credits above and beyond the specified state/university core, requiring students to select 3 credit hours from each of the following areas: fine arts, philosophy, and world literature. 3.) We wish to retain a foreign language requirement for the bachelor of arts degree, to be met by demonstrating proficiency at the Intermediate I 2003 level.

As programming skills are closely allied with rigorous mathematical thought and are increasingly relevant in our technological society, we would also like to introduce a minimum Computer Science requirement, requiring students to complete either CSCE 1013 or CSCE 2004.

MATH 2803 is intended to fill a critical gap in our curriculum between our low-level elementary courses and the more abstract upper-level courses. We have found that students often have not developed a concept of mathematics beyond the systematic and mechanical application of procedures. Proof and abstract thought are the true cornerstones of mathematics and we are seeking to introduce these tools earlier in the curriculum.

SECTION VII: Catalog Text and Format

In the box below, insert the current catalog text which is to be changed, with changes highlighted with the color yellow. Include all proposed changes identified in Section V. Only changes explicitly stated in Section V will be considered for approval by the University Course and Programs Committee, the Graduate Council and the Faculty Senate. If you are proposing a new program, give proposed text with all of the elements listed below. If you are proposing modified text, include these elements as appropriate.

Include the following elements, in order, in the catalog text for proposed undergraduate program(s) or program changes:

- State complete major/program name
- Briefly define or describe the major/program or discipline.
- Identify typical career goals or paths for graduates. (Optional)
- State admission requirements (if any) for entry or entry into upper/advanced level of major/program.
- Identify location in catalog of university, college/school, and department/program requirements which the student must meet in addition to hours in the major, but do not restate these requirements.

- State course requirements in the major and any allied areas, giving number of hours and specific courses; specify electives or elective areas and give numbers of hours and courses in elective pools or categories; identify any other course requirements.
- State any other requirements (required GPA, internship, exit exam, project, thesis, etc.).
- Identify name and requirements for each concentration (if any).
- Specify whether a minor or other program component is allowed or required and provide details.
- State eight-semester plan requirements

For minors, state requirements in terms of hours, required courses, electives, etc.

For graduate program/units, include elements (as needed) parallel to those listed for undergraduate programs above.

For Law School program/units, prepare text consistent with current catalog style.

For centers, prepare text consistent with current catalog style.

The Department of Mathematical Sciences is committed to high level mathematics instruction, preparing students for careers in secondary education, actuarial science and industry, and for entrance into graduate studies in mathematics and statistics. The Bachelor of Arts degree is often sought by future secondary education majors or by students wishing a broader exposure to the humanities. The Bachelor of Science degree is sought by students who intend to go on to graduate studies or who would like a deeper and broader understanding of higher mathematics. Enrollment in or completion of any course at the level of MATH 2554 or higher is required to enter into the Mathematics program.

Requirements for a Major in Mathematics, B.A. Degree: Students must complete 124 degree credit hours to include the minimum University/state core requirements (see page 41), the Fulbright College of Arts and Sciences Graduation Requirements (see page 124 under College Academic Regulations and Degree Completion Program Policy), and the following liberal arts and major course requirements. Bolded courses from the list below may be applied to portions of the University/state minimum core requirements.

A minimum of 63 hours:

12 Twelve total hours from the following science courses, at least 4 hours from each of the following two areas:

- Biological Sciences--**ANTH 1013/1011L, BIOL 1543/1541L, BIOL 1603/1601L, BIOL 1613/1611L, BIOL 2013/2011L;**
- Physical Sciences--**ASTR 2003/2001L, CHEM 1103/1101L, CHEM 1123/1121L, GEOL 1113/1111L, GEOL 1133/1131L, PHYS 2054, PHYS 2074**

3 Philosophy course to be selected from: **PHIL 2003, PHIL 2103, PHIL 2203 or PHIL 3103;**

3 World literature course to be selected from: **WLIT 1113, WLIT 1123, CLST 1003 or CLST 1013,** a foreign language literature course, any other world literature course;

3-6 Any world language at the **Intermediate I 2003¹** level.

3-4 Computer Science course **CSC E 1013 or CSC E 2004**

Major Course Requirements:

MATH 2603, MATH 2574 (*MATH 2554 and MATH 2564 are prerequisites*), MATH 2701, MATH 2803, MATH 4932 and 18 semester hours of courses in mathematics numbered above 3000, including MATH 3093, and MATH 3113, and completion of a senior writing project under the direction of a faculty member; this is typically carried out in MATH 4932. An honors senior thesis will satisfy this requirement.

Mathematics B.A. Eight-Semester Degree Program

Students wishing to follow the eight-semester degree plan should see page 42 in the Academic Regulations chapter for university requirements of the program. The following eight-semester plan refers to additional B.A. Core Requirement Areas (areas a, b, c, d, e, and f) found on page 202 at the end of this chapter. Core requirement hours may vary by individual, based on placement and previous credit granted. Once all core requirements are met, students may substitute a three-hour (or more) general elective in place of a core area.

3 World literature course to be selected from WLIT 1113, WLIT 1123, CLST 1003 or CLST 1013, a foreign language literature course, or any other world literature course;

3 Any world language at the Elementary II 1013 level

Also adding MATH 2803 and CSCE 2014 as required courses.

Cleaned up option descriptions for clarity to students and consistency across catalog copy and 8-semester plans and ISIS plan codes

Modified 8-semester plans for all BS options in light of changes to the Fulbright core and these major changes.

Check if either of these boxes apply and provide the necessary signature:

- Program change proposal adds courses offered by another academic college, and that college dean's office has been notified. The signature of the dean of that academic college is required here: _____
- Program change proposal deletes courses offered by another academic college, and that college dean's office has been notified. The signature of the dean of that academic college is required here: _____

Check all the boxes that apply and complete the required sections of the form:

- Change of Name and Code (Complete only sections I, II, V and VII.)
- Change Course Requirements: (Complete all sections of the form except "Proposed Name" in II, section III, and section IV.)
- Change Delivery Site/Method (Complete all sections of the form except "Proposed Name" in II, section III, and section IV.)
- Change Total Hours (Complete all sections of the form except "Proposed Name" in II, section III, and section IV.)
- Change in Program Policies

SECTION VI: Justification

Justify this change and state its likely effect on any other degree program (including those outside the school or college). Identify any program or program components (other than courses) to be eliminated if this program is implemented. (Program and course change forms must also be submitted for such related changes.)

In light of the changes to the Fulbright Core, the Mathematics Department wishes to ensure that a broad-based liberal arts curriculum remains a part of the bachelor of arts degree requirements for math majors. The science requirement for the BS in math is essentially the same as before, with the addition of a 3000-level science class and requiring.

We wish to retain the "old" Fulbright College Fine Arts/Humanities core, which is 3 credits above and beyond the specified state/university core for humanities by requiring students to select 3 credit hours from both philosophy and world literature.

We wish to retain a foreign language requirement for the bachelor of arts degree, to be met by demonstrating proficiency at the Elementary II level.

As programming skills are closely allied with rigorous mathematical thought and are increasingly relevant in our technological society, we would also like to require both CSCE 2004 and 2014 for our BS students.

MATH 2803 is intended to fill a critical gap in our curriculum between our low-level elementary courses and the more abstract upper-level courses. We have found that students often have not developed a concept of mathematics beyond the systematic and mechanical application of procedures. Proof and abstract thought are the true cornerstones of mathematics and we are seeking to introduce these tools earlier in the curriculum.

SECTION VII: Catalog Text and Format

In the box below, insert the current catalog text which is to be changed, with changes highlighted with the color yellow. Include all proposed changes identified in Section V. Only changes explicitly stated in Section V will be considered for approval by the University Course and Programs Committee, the Graduate Council and the Faculty Senate. If you are proposing a new program, give proposed text with all of the elements listed below. If you are proposing modified text, include these elements as appropriate.

Include the following elements, in order, in the catalog text for proposed undergraduate program(s) or program changes:

- State complete major/program name
- Briefly define or describe the major/program or discipline.
- Identify typical career goals or paths for graduates. (Optional)
- State admission requirements (if any) for entry or entry into upper/advanced level of major/program.
- Identify location in catalog of university, college/school, and department/program requirements which the student must meet in addition to hours in the major, but do not restate these requirements.
- State course requirements in the major and any allied areas, giving number of hours and specific courses; specify electives or elective areas and give numbers of hours and courses in elective pools or categories; identify any other course requirements.
- State any other requirements (required GPA, internship, exit exam, project, thesis, etc.).
- Identify name and requirements for each concentration (if any).
- Specify whether a minor or other program component is allowed or required and provide details.
- State eight-semester plan requirements

For minors, state requirements in terms of hours, required courses, electives, etc.

For graduate program/units, include elements (as needed) parallel to those listed for undergraduate programs above.

For Law School program/units, prepare text consistent with current catalog style.

For centers, prepare text consistent with current catalog style.

Requirements for a Major in Mathematics, B.S. Degree: Students must complete 124 degree credit hours to include the minimum University/state core requirements (see page 41), the Fulbright College of Arts and Sciences Graduation Requirements (see page 124 under College Academic Regulations and Degree Completion Program Policy), and the following liberal arts and major course requirements. Bolded courses from the list below may be applied to portions of the University/state minimum core requirements.

19-20 Two of the following sequences of science courses and one advanced-level course from BIOL, CHEM, CSCE, GEOL or PHYS:

- **BIOL 1543/1541L** and one of **BIOL 1603/1601L**, **BIOL 1613/1611L**, **BIOL 2013/2011L**, or **BIOL 2533/2531L**
- CHEM 1103/1101L and CHEM 1123/1121L
- GEOL 1113/1111L and GEOL 1133/1131L
- PHYS 2054 and PHYS 2074

3 Philosophy course to be selected from: PHIL 2003, PHIL 2103, PHIL 2203, or PHIL 3103

3 World literature course to be selected from WLIT 1113, WLIT 1123, CLST 1003 or CLST 1013, a foreign language literature course, or any other world literature course;

3 Any world language at the Elementary II 1013 level¹

As a part of the requirements for a B.S. degree with a major in mathematics, the student must complete the following 34 hours: MATH 2603, MATH 2574, MATH 2701, MATH 2803, MATH 3093, MATH 3113, MATH 3404, MATH 4513, MATH 4932, CSCE 2004, CSCE 2014, and the completion of a senior writing project under the direction of a faculty member; this is typically carried out in MATH 4932. An honors senior thesis will satisfy this requirement. In addition, for the B.S. degree in mathematics, the student is required to complete one of the following three options:

1. A program for the student who wishes to prepare for either applied work in mathematics or graduate work in some field other than mathematics or statistics (Option 1, Applied),
2. A program for the student who is seeking a broad background in mathematics or who wishes to study mathematics at the graduate level (Option 2, Pure),
3. A program for the student who wishes to emphasize statistics or who intends to study statistics at the graduate level (Option 3, Statistics).

Option 1 (Applied): 12-13 hours to include: MATH 3423, either MATH 4353 and 4363, or STAT 3013 and 4003/4001L, plus three semester hours of electives from mathematics and statistics courses numbered above 3000. Strongly recommended electives in this program are MATH 4523 and MATH 4443.

Option 2 (Pure): 12 hours to include: MATH 4523, MATH 4443, MATH 4113 and three hours of electives from mathematics and statistics courses numbered above 3000.

¹ Please note: if 1003 is taken as a prerequisite for 1013, 1003 usually will not count towards the 124 hours required for college degree credit; see College Admission Requirements on page XXX for further details.

Option 3 (Statistics): 16 hours to include: MATH 4353, STAT 3013, STAT 4003, STAT 4001L, STAT 4033, STAT 4043. Strongly recommended electives in this program are STAT 5103 and STAT 5113.

All mathematics and statistics electives used in fulfilling the requirements for the bachelor of science in mathematics must be approved by the student's adviser.

A 2.00 cumulative grade-point average on all work completed in the department of mathematical sciences will be required for graduation with a B.A. or B.S. degree.

Mathematics B.S. Eight-Semester Degree Programs

Students wishing to follow the eight-semester degree plan should see page 42 in the Academic Regulations chapter for university requirements of the program. The B.S. degree in mathematics includes three options: Applied, Pure, and Statistics. The eight-semester plan for each is shown below.

Requirements may vary by individual, based on placement and previous credit granted. Once all state/university core and liberal arts requirements are met, students may substitute a three-hour (or more) general elective in place of a core course.

GRADUATE PROGRAM CHANGES

Department of English

TRANMF - MFA, Translation - Attachments 4A and 4B

Proposal requests to delete the MFA in Translation
as specified in Sections IV and VI of Attachment 4A.

CRWRMF - MFA, Creative Writing - Attachment 4C

Proposal requests to add an area of interest to the Creative Writing program
for those students interested in Translation as specified in Section V
of Attachment 4C.

Civilization I and II, PHIL 2003 Intro to Philosophy and WLIT 1113 World Literature I. This adds 15-21 hours to the major, depending on placement level in a world language. Nine of those hours can be applied to the 35-hour state core. 2.) The 8-semester plan is being adjusted to reflect these requirements and the change to the Fulbright Core.

Check if either of these boxes apply and provide the necessary signature:

- Program change proposal adds courses offered by another academic college, and that college dean's office has been notified. The signature of the dean of that academic college is required here: _____
- Program change proposal deletes courses offered by another academic college, and that college dean's office has been notified. The signature of the dean of that academic college is required here: _____

Check all the boxes that apply and complete the required sections of the form:

- Change of Name and Code (Complete only sections I, II, V and VII.)
- Change Course Requirements: (Complete all sections of the form except "Proposed Name" in II, section III, and section IV.)
- Change Delivery Site/Method (Complete all sections of the form except "Proposed Name" in II, section III, and section IV.)
- Change Total Hours (Complete all sections of the form except "Proposed Name" in II, section III, and section IV.)
- Change in Program Policies

SECTION VI: Justification

Justify this change and state its likely effect on any other degree program (including those outside the school or college). Identify any program or program components (other than courses) to be eliminated if this program is implemented. (Program and course change forms must also be submitted for such related changes.)

It is the belief of the music faculty that the courses being added to the requirements for the music major are necessary for a well-rounded, liberal arts education and are needed to supplement the 35-hour minimum university/state core. The 8-semester plan needs to be revised to correctly reflect the major requirements, the 35-hour university/state core and the Fulbright College graduation requirements.

SECTION VII: Catalog Text and Format

In the box below, insert the current catalog text which is to be changed, with changes highlighted with the color yellow. Include all proposed changes identified in Section V. Only changes explicitly stated in Section V will be considered for approval by the University Course and Programs Committee, the Graduate Council and the Faculty Senate. If you are proposing a new program, give proposed text with all of the elements listed below. If you are proposing modified text, include these elements as appropriate.

Include the following elements, in order, in the catalog text for proposed undergraduate program(s) or program changes:

- State complete major/program name
- Briefly define or describe the major/program or discipline.
- Identify typical career goals or paths for graduates. (Optional)
- State admission requirements (if any) for entry or entry into upper/advanced level of major/program.
- Identify location in catalog of university, college/school, and department/program requirements which the student must meet in addition to hours in the major, but do not restate these requirements.
- State course requirements in the major and any allied areas, giving number of hours and specific courses; specify electives or elective areas and give numbers of hours and courses in elective pools or categories; identify any other course requirements.
- State any other requirements (required GPA, internship, exit exam, project, thesis, etc.).
- Identify name and requirements for each concentration (if any).
- Specify whether a minor or other program component is allowed or required and provide details.
- State eight-semester plan requirements

For minors, state requirements in terms of hours, required courses, electives, etc.

For graduate program/units, include elements (as needed) parallel to those listed for undergraduate programs above.

For Law School program/units, prepare text consistent with current catalog style.

For centers, prepare text consistent with current catalog style.

Requirements for a Major in Music leading to a Bachelor of Arts Degree:
This program is for undergraduates who wish to major in music as part of a liberal arts program.

In addition to the university/state core requirements (see page 42) and the Fulbright College of Arts and Sciences Graduation

Requirements (see page 124 under College Academic Regulations and Degree Completion Policy), the following course requirements must be met. Bolded courses from the list below may be applied to portions of the University/state minimum core requirements

- 3-9 Completion of 2013 Intermediate II of any world language¹
6 **HIST 1113 World Civilization I** and **HIST 1123 World Civilization II**
3 **PHIL 2003 Introduction to Philosophy**
3 **WLIT 1113 World Literature I**

and

A minimum of 42 semester hours in music to include:

MUTH 1603, MUTH 1621, MUTH 1631, MUTH 2603, MUTH 2621, MUTH 2631, MUTH 3603, MUTH 3613, MUHS 3703, MUHS 3713, MUHS 4253, MUAC 1221, MUAC 1231, 8 hours (normally one or two hours per semester) of applied study on voice or on one instrument and 4 hours (4 semesters) of ensemble to be selected with the consent of their advisers.

A Bachelor of Arts degree with a combination of music-drama major may be obtained. See the chairman of the music department for the specific courses required for the degree.

8-semester plan:

Sample Music B.A. Eight-Semester Degree Program

Students wishing to follow the eight-semester degree plan should see page 42 in the Academic Regulations chapter for university requirements of the program, and should consult their music adviser for an eight-semester plan that is specific to their vocal, instrumental or theoretical emphasis area in music. Core requirement hours may vary by individual, based on placement and previous credit granted. Once all core requirements are met, students may substitute a three-hour (or more) general elective in place of a core area.

Insert here a statement of the exact changes to be made: 1.) Completion of 1013 Elementary II of a world language. HIST 1113 and HIST 1123 are being added as specific requirements to the music major, bachelor of music degree. 2.) Changes to the 8-semester plan to reflect this requirement and changes to the Fulbright core.

Check if either of these boxes apply and provide the necessary signature:

- Program change proposal adds courses offered by another academic college, and that college dean's office has been notified. The signature of the dean of that academic college is required here: _____
- Program change proposal deletes courses offered by another academic college, and that college dean's office has been notified. The signature of the dean of that academic college is required here: _____

Check all the boxes that apply and complete the required sections of the form:

- Change of Name and Code (Complete only sections I, II, V and VII.)
- Change Course Requirements: (Complete all sections of the form except "Proposed Name" in II, section III, and section IV.)
- Change Delivery Site/Method (Complete all sections of the form except "Proposed Name" in II, section III, and section IV.)
- Change Total Hours (Complete all sections of the form except "Proposed Name" in II, section III, and section IV.)
- Change in Program Policies

SECTION VI: Justification

Justify this change and state its likely effect on any other degree program (including those outside the school or college). Identify any program or program components (other than courses) to be eliminated if this program is implemented. (Program and course change forms must also be submitted for such related changes.)

Musicians need to have at least basic knowledge of one world language, and the world civilization courses are important to have as a foundation for upper-level music history courses. The eight-semester plan needs to be adjusted to correctly reflect the major requirements, the 35-hour university/state core and the Fulbright College graduation requirements.

SECTION VII: Catalog Text and Format

In the box below, insert the current catalog text which is to be changed, with changes highlighted with the color yellow. Include all proposed changes identified in Section V. Only changes explicitly stated in Section V will be considered for approval by the University Course and Programs Committee, the Graduate Council and the Faculty Senate. If you are proposing a new program, give proposed text with all of the elements listed below. If you are proposing modified text, include these elements as appropriate.

Include the following elements, in order, in the catalog text for proposed undergraduate program(s) or program changes:

- State complete major/program name
- Briefly define or describe the major/program or discipline.
- Identify typical career goals or paths for graduates. (Optional)
- State admission requirements (if any) for entry or entry into upper/advanced level of major/program.
- Identify location in catalog of university, college/school, and department/program requirements which the student must meet in addition to hours in the major, but do not restate these requirements.
- State course requirements in the major and any allied areas, giving number of hours and specific courses; specify electives or elective areas and give numbers of hours and courses in elective pools or categories; identify any other course requirements.
- State any other requirements (required GPA, internship, exit exam, project, thesis, etc.).
- Identify name and requirements for each concentration (if any).
- Specify whether a minor or other program component is allowed or required and provide details.
- State eight-semester plan requirements

For minors, state requirements in terms of hours, required courses, electives, etc.

For graduate program/units, include elements (as needed) parallel to those listed for undergraduate programs above.

For Law School program/units, prepare text consistent with current catalog style.

For centers, prepare text consistent with current catalog style.

Requirements for a Major in Music leading to a Bachelor of Music Degree:

In addition to the university/state core requirements (see page 42) and the Fulbright College of Arts and Sciences Graduation Requirements (see page 124 under College Academic Regulations and Degree Completion Policy), the following course requirements must be met. Bolded courses from the list below may be applied to portions of the University/state minimum core requirements.

Students must complete a world language course at the 1013 Elementary II level¹, **HIST 1113 World Civilization I** and **HIST 1123 World Civilization II** and all of the following:

MUTH 1603, MUTH 1621, MUTH 1631, MUTH 2603, MUTH 2621, MUTH 2631, MUTH 3603 (except for music education majors), MUTH 3613, MUTH 4703 (except for music education majors), MUHS 3703, MUHS 3713, MUHS 4253 (except for music education majors), MUPD 3801, MUAC 2111, MUAC 2121 plus the following specific requirements for one of the following major areas of emphasis. All students must complete four semesters of MUAP 110V with a grade of "A" or "B" before enrolling in MUAP 310V.

Piano Performance Major: Applied Piano 28 hours, of which 16 must be at the upper level (including MUAP 3201, 4201); Secondary MUAP or MUAC (2); MUHS 4803, MUHS 4813; MUTH 4322; MUPD 3811 or MUPD 3861; MUPD 4863; MUEN 3411 (2), MUEN 3451 (6), electives (may be non-music): 4.

Voice Performance Major: Applied Voice 24 hours, of which 12 must be at the upper level (including MUAP 3201, MUAP 4201); Secondary MUAP or MUAC (4); MUAC 1121, MUAC 1141, MUAC 1151, MUPD

3861, MUHS 4763, MUHS 4773; Ensemble: 8 hours (see adviser for ensemble selection); electives (may be non-music): 4.

(NOTE: 9 hours additional world language is also required, world language study must include French, German, and Italian.)

String Performance Major: Applied 28 hours, of which 16 must be at the upper level (including MUAP 3201, MUAP 4201); Secondary MUAP or MUAC (4); MUHS 4703, MUEN 3431 (8), MUEN 3501 (4); electives (may be non-music): 10.

Woodwind, Brass, or Percussion Performance Major: Applied 24 hours, of which 12 must be at the upper level (including MUAP 3201, MUAP 4201); Secondary MUAP or MUAC (4); MUTH 4612, MUHS 4733. Large Ensembles (8); Small Ensembles (4); electives (may be non-music): 11.

Guitar Performance Major: Applied 28 hours, of which 16 must be at the upper level (including MUAP 3201, MUAP 4201); Secondary MUAP or MUAC (4); MUHS 4703, MUTH 4612; Ensemble: 8 hours (see adviser for ensemble selections); electives (may be non-music): 11.

Theory or Composition Major: MUAP 110V/310V (major-level applied 16 hours), MUAC 1221, MUAC 1231, MUAC 2221, MUAC 2231 (unless waived), MUPD 3811 or MUPD 3861, MUTH 4612, Ensemble: 8 hours (see adviser for ensemble selections). Students majoring in Theory or Composition must receive a grade of "B" or higher in MUTH 2603, MUTH 3603, and MUTH 3613.

Composition: MUTH 164V, MUTH 364V (14), MUAP 4201; electives (may be non-music): Theory: MUTH 164V, MUTH 364V (6), MUTH 498V (3); electives (may be non-music): demonstration of piano skills appropriate for a composer or theorist.

Music Education: (all emphases; in addition to requirements for the Bachelor of Music degree listed above) MUTH 4612; 14 MUAP/MUAC (applied, including recital – see below); MUAC 1221, MUAC 1231, MUAC 2221, MUAC 2231 (except for piano majors – see below); 8 MUEN (see below); MUED 2012, MUED 3021, MUED 3833 and MUED 4112; plus the following specific requirements by emphasis.

Students who wish to apply for admission to the internship program in music education must complete the following stages.

Stage I: Complete an Evaluation for Internship

Students must meet the following criteria to be cleared for the internship:

1. Declare the major in music education in the Fulbright Advising Center, 518 Old Main.
2. Successful completion of the PRAXIS I test by meeting or exceeding the Arkansas Department of Education cut-off scores. This test should be taken after the student has completed 30 credit hours and upon completion of ENGL 1013, ENGL 1023, and MATH 1203.
3. Obtain a "C" or better in the following pre-education core courses: CIED 3023, CIED 3033 (*PSYC 2003 is a prerequisite*).
4. Obtain a "C" or better in MUED 2012, MUED 3021, MUED 3833, MUED 4112, and one of MUED 4273, or 4283, or 4293.
5. Satisfactory completion of the Evaluation for Internship form. The evaluation form must be completed by October 1 prior to doing a fall internship or March 1 prior to doing a spring internship. The completed form must be returned to the Coordinator of Teacher Education, 8 Peabody Hall, no later than the stated deadline.
6. Complete the B.M. degree with a cumulative GPA of 2.50 or higher.

The degree must be eligible to be posted to your University of Arkansas transcript at the Registrar's Office prior to internship.

7. Obtain departmental clearance for internship based on successful completion of portfolios, evaluation for internship, GPA requirements, course work requirements, selected written recommendations, an interview, and/or other requirements specified by your program.

All requirements in Stage I must be met to be cleared for the internship.

Please contact the Coordinator of Teacher Education, 8 Peabody Hall, College of Education and Health Professions for more information.

Stage II: Internship

1. Complete the one-semester internship at an approved site in Washington or Benton counties.
2. Complete PRAXIS II requirements. See your adviser for completion dates.

NOTE: Students should always consult the Coordinator of Teacher Education for any licensure requirement changes. Students will not be licensed to teach in Arkansas until they have met all requirements for

Requirements for a Major in Music leading to a Bachelor of Music Degree with Elective Studies in Business:

In addition to the university/state core requirements (see page 42) and the Fulbright College of Arts and Sciences Graduation Requirements (see page 124 under College Academic Regulations and Degree Completion Policy), the following course requirements must be met.

Students must complete a world language course at the 1013 Elementary II level² and all of the following:

MUTH 1603, MUTH 1621, MUTH 1631, MUTH 2603, MUTH 2621, MUTH 2631, MUTH 3613; MUHS 3703, MUHS 3713, MUHS 4253; MUPD 3801; MUAC 2111, MUAC 2121, MUAC 1221, MUAC 1231, MUAC 2221, MUAC 2231; 14 MUAP to consist of 8 MUAP 110V, 5 MUAP 310V, MUAP 3201; 7 MUEN to be selected with the consent of the student's adviser; plus the student must declare one concentration for a Business Administration Minor for Non-Business Students and fulfill all requirements for that declared minor.

Sample Music B.M. Eight-Semester Degree Program for Music Education

Students wishing to follow the eight-semester degree plan should see page 42 in the Academic Regulations chapter for university requirements of the program, and should consult their music adviser for an eight-semester plan that

is specific to their vocal, instrumental or theoretical emphasis area in music. Core requirement hours may vary by individual, based on placement and previous credit granted. Once all core requirements are met, students may substitute a three-hour (or more) general elective in place of a core area.

For this sample, the Music Activity Course Group requires seven 1-hour classes: MUAC 1331, 1341, 1351, 1361, 1371, 2141, and either 1301 or 1311.

Level: Undergraduate Graduate Law Effective Catalog Year 2011

Program changes are effective with the next available catalog. See Academic Policy Series 1622.20

Current Name **Philosophy, BA**

College, School, Division **ARSC**

Department Code **PHIL**

Current Code (6 digit Alpha) **PHILBA**

Proposed Code (6 digit Alpha) _____

Prior approval from the Office of the Registrar is required.

Interdisciplinary Program

CIP Code **38.0101**

Prior assignment from Office of Institutional Research is required.

Proposed Name _____

When a program name is changed, enrollment of current students reflects the new name.

SECTION III: Add a New Program/Unit

For new program proposals, complete Sections II and VII and use as a cover sheet for a full program proposal as described in 'Criteria and Procedures for Preparing Proposals for New Programs in Arkansas.' ADHE

<http://www.arkansashighered.com/pdfs/BookAppNewProgramCriteriaandProceduresRevised2005.pdf>.

Program proposal uses courses offered by another academic college, and that college dean's office has been notified. The signature of the dean of that academic college is required here: _____

SECTION IV: Eliminate an Existing Program/Unit

Code/Name _____ Effective Catalog Year _____

No new students admitted to program after Term: ____ Year: _____

Allow students in program to complete under this program until Term: ____ Year: _____

SECTION V: Proposed Changes to an Existing Program or Program Policies

Insert here a statement of the exact changes to be made: Adding the following course requirements to the Bachelor of Arts in Philosophy:

1.) 3 hours to be selected from CLST 1003, HIST 1113 or HIST 1123

2.) Completion of 2013 Intermediate II of any world language.

The overall number of credit hours required for a BA degree in Philosophy remains unchanged at 124.

Adjusting the 8-semester plans to reflect the addition of these requirements and the change in the Fulbright core.

Check if either of these boxes apply and provide the necessary signature:

- Program change proposal adds courses offered by another academic college, and that college dean's office has been notified. The signature of the dean of that academic college is required here: _____
- Program change proposal deletes courses offered by another academic college, and that college dean's office has been notified. The signature of the dean of that academic college is required here: _____

Check all the boxes that apply and complete the required sections of the form:

- Change of Name and Code (Complete only sections I, II, V and VII.)
- Change Course Requirements: (Complete all sections of the form except "Proposed Name" in II, section III, and section IV.)
- Change Delivery Site/Method (Complete all sections of the form except "Proposed Name" in II, section III, and section IV.)
- Change Total Hours (Complete all sections of the form except "Proposed Name" in II, section III, and section IV.)
- Change in Program Policies

SECTION VI: Justification

Justify this change and state its likely effect on any other degree program (including those outside the school or college). Identify any program or program components (other than courses) to be eliminated if this program is implemented. (Program and course change forms must also be submitted for such related changes.)

The proposed addition of a world language reflects the faculty's desire to add depth and breadth to the 35 State Minimum Core for philosophy majors. The requirement of a course in world civilization or classical studies is intended to provide our majors with a background in a period of history in which philosophy flourished. The revision of the 8-semester plan is needed in light of the changes to the Fulbright College core curriculum/graduation requirements.

SECTION VII: Catalog Text and Format

In the box below, insert the current catalog text which is to be changed, with changes highlighted with the color yellow. Include all proposed changes identified in Section V. Only changes explicitly stated in Section V will be considered for approval by the University Course and Programs Committee, the Graduate Council and the Faculty Senate. If you are proposing a new program, give proposed text with all of the elements listed below. If you are proposing modified text, include these elements as appropriate.

Include the following elements, in order, in the catalog text for proposed undergraduate program(s) or program changes:

- State complete major/program name
- Briefly define or describe the major/program or discipline.
- Identify typical career goals or paths for graduates. (Optional)
- State admission requirements (if any) for entry or entry into upper/advanced level of major/program.
- Identify location in catalog of university, college/school, and department/program requirements which the student must meet in addition to hours in the major, but do not restate these requirements.
- State course requirements in the major and any allied areas, giving number of hours and specific courses; specify electives or elective areas and give numbers of hours and courses in elective pools or categories; identify any other course requirements.
- State any other requirements (required GPA, internship, exit exam, project, thesis, etc.).
- Identify name and requirements for each concentration (if any).
- Specify whether a minor or other program component is allowed or required and provide details.
- State eight-semester plan requirements

For minors, state requirements in terms of hours, required courses, electives, etc.

For graduate program/units, include elements (as needed) parallel to those listed for undergraduate programs above.

For Law School program/units, prepare text consistent with current catalog style.

For centers, prepare text consistent with current catalog style.

Requirements for a Major in Philosophy:

Students must complete 124 degree credit hours to include the minimum University/state core requirements (see page 41), the Fulbright

College of Arts and Sciences Graduation Requirements (see page 124 under College Academic Regulations and Degree Completion Program Policy), and following course requirements for the major. Bolded courses from the list below may be applied to portions of the University/state minimum core requirements.

3 3 hours from **CLST 1003**, **HIST 1113** or **HIST 1123**

3-9 2013 Intermediate II¹ of any world language

SECTION V: Proposed Changes to an Existing Program or Program Policies

Insert here a statement of the exact changes to be made: Updating the 8-semester plan to reflect changes to the Fulbright Core.

Check if either of these boxes apply and provide the necessary signature:

- Program change proposal adds courses offered by another academic college, and that college dean's office has been notified. The signature of the dean of that academic college is required here: _____
- Program change proposal deletes courses offered by another academic college, and that college dean's office has been notified. The signature of the dean of that academic college is required here: _____

Check all the boxes that apply and complete the required sections of the form:

- Change of Name and Code (Complete only sections I, II, V and VII.)
- Change Course Requirements: (Complete all sections of the form except "Proposed Name" in II, section III, and section IV.)
- Change Delivery Site/Method (Complete all sections of the form except "Proposed Name" in II, section III, and section IV.)
- Change Total Hours (Complete all sections of the form except "Proposed Name" in II, section III, and section IV.)
- Change in Program Policies

SECTION VI: Justification

Justify this change and state its likely effect on any other degree program (including those outside the school or college). Identify any program or program components (other than courses) to be eliminated if this program is implemented. (Program and course change forms must also be submitted for such related changes.)

The 8-semester plan must be adjusted since it makes references to requirements specific to the old Fulbright core. These changes will reflect requirements in the 35-hour university/state minimum core as well as Fulbright College graduation requirements.

SECTION VII: Catalog Text and Format

In the box below, insert the current catalog text which is to be changed, with changes highlighted with the color yellow. Include all proposed changes identified in Section V. Only changes explicitly stated in Section V will be considered for approval by the University Course and Programs Committee, the Graduate Council and the Faculty Senate. If you are proposing a new program, give proposed text with all of the elements listed below. If you are proposing modified text, include these elements as appropriate.

Include the following elements, in order, in the catalog text for proposed undergraduate program(s) or program changes:

- State complete major/program name
- Briefly define or describe the major/program or discipline.
- Identify typical career goals or paths for graduates. (Optional)
- State admission requirements (if any) for entry or entry into upper/advanced level of major/program.
- Identify location in catalog of university, college/school, and department/program requirements which the student must meet in addition to hours in the major, but do not restate these requirements.
- State course requirements in the major and any allied areas, giving number of hours and specific courses; specify electives or elective areas and give numbers of hours and courses in elective pools or categories; identify any other course requirements.
- State any other requirements (required GPA, internship, exit exam, project, thesis, etc.).
- Identify name and requirements for each concentration (if any).
- Specify whether a minor or other program component is allowed or required and provide details.
- State eight-semester plan requirements

For minors, state requirements in terms of hours, required courses, electives, etc.

For graduate program/units, include elements (as needed) parallel to those listed for undergraduate programs above.

For Law School program/units, prepare text consistent with current catalog style.

For centers, prepare text consistent with current catalog style.

Requirements for a B.A. Degree with a Major in Physics:

This track is for students desiring a broader program in the arts, sciences, and social sciences while majoring in physics. This program is recommended for pre-medical, journalism, pre-business, pre-law and other students planning careers in fields for which a physics education would be beneficial. For B.A. students seeking teaching licensure, see the Teacher Licensure Requirements below. This program requires a total of 124 semester hours.

In addition to the university/state core requirements (see page 42) and the Fulbright College of Arts and Sciences Graduation Requirements (see page 124 under College Academic Regulations and Degree Completion Program Policy),

the following course requirements must be met.

The student must present 24 semester hours in physics or astronomy, including PHYS 2013/2011L, PHYS 2033/2031L, PHYS 3603/3601L, PHYS 4991, and 11 semester hours chosen from PHYS 220V and/or any physics or astronomy courses at the 3000 level or above. The student must also present MATH 1284C (or MATH 1203 and MATH 1213) and MATH 2554 (or MATH 2043) as well as two additional courses at the 2000 level or above in mathematics or statistics. An additional 9 semester hours at the 3000 level or above must be taken from a single special emphasis area chosen with the adviser's approval. The special emphasis area may be chosen in any single degree-granting department at the University of Arkansas. For B.A. students seeking teacher licensure, the special emphasis area may involve courses from more than one degree-granting department at the University of Arkansas with the approval of their adviser.

Physics B.A. Eight-Semester Degree Program

Students wishing to follow the eight-semester degree plan should see page 42 in the Academic Regulations chapter for university requirements of the program as well as page 126 of this chapter for College requirements. Core requirement hours may vary by individual, based on placement and previous credit granted. Once all core requirements are met, students may substitute a three-hour (or more) general elective in place of a core area.

The Physics B.A. program includes requirements for a special emphasis area. In this case, journalism was used as an example. Courses in Boldface indicate courses recommended by the Department of Journalism as the journalism foundation needed for science reporting. It is recommended that the free electives be chosen in a second science, or in journalism.

Check if either of these boxes apply and provide the necessary signature:

- Program change proposal adds courses offered by another academic college, and that college dean's office has been notified. The signature of the dean of that academic college is required here: _____
- Program change proposal deletes courses offered by another academic college, and that college dean's office has been notified. The signature of the dean of that academic college is required here: _____

Check all the boxes that apply and complete the required sections of the form:

- Change of Name and Code (Complete only sections I, II, V and VII.)
- Change Course Requirements: (Complete all sections of the form except "Proposed Name" in II, section III, and section IV.)
- Change Delivery Site/Method (Complete all sections of the form except "Proposed Name" in II, section III, and section IV.)
- Change Total Hours (Complete all sections of the form except "Proposed Name" in II, section III, and section IV.)
- Change in Program Policies

SECTION VI: Justification

Justify this change and state its likely effect on any other degree program (including those outside the school or college). Identify any program or program components (other than courses) to be eliminated if this program is implemented. (Program and course change forms must also be submitted for such related changes.)

The 8-semester plan needs to be updated to remove references to requirements specific to the former Fulbright core.

SECTION VII: Catalog Text and Format

In the box below, insert the current catalog text which is to be changed, with changes highlighted with the color yellow. Include all proposed changes identified in Section V. Only changes explicitly stated in Section V will be considered for approval by the University Course and Programs Committee, the Graduate Council and the Faculty Senate. If you are proposing a new program, give proposed text with all of the elements listed below. If you are proposing modified text, include these elements as appropriate.

Include the following elements, in order, in the catalog text for proposed undergraduate program(s) or program changes:

- State complete major/program name
- Briefly define or describe the major/program or discipline.
- Identify typical career goals or paths for graduates. (Optional)
- State admission requirements (if any) for entry or entry into upper/advanced level of major/program.
- Identify location in catalog of university, college/school, and department/program requirements which the student must meet in addition to hours in the major, but do not restate these requirements.
- State course requirements in the major and any allied areas, giving number of hours and specific courses; specify electives or elective areas and give numbers of hours and courses in elective pools or categories; identify any other course requirements.
- State any other requirements (required GPA, internship, exit exam, project, thesis, etc.).
- Identify name and requirements for each concentration (if any).
- Specify whether a minor or other program component is allowed or required and provide details.
- State eight-semester plan requirements

For minors, state requirements in terms of hours, required courses, electives, etc.

For graduate program/units, include elements (as needed) parallel to those listed for undergraduate programs above.

For Law School program/units, prepare text consistent with current catalog style.

For centers, prepare text consistent with current catalog style.

Requirement for B.S. Degree with a Major in Physics:

In addition to the university/state core requirements (see page 42) and the Fulbright College of Arts and Sciences Graduation Requirements (see page 124 under College Academic Regulations and Degree Completion Program Policy), the following course requirements must be met.

The student must present a minimum of 40 semester hours in physics including PHYS 2054, PHYS 2074, PHYS 2094, PHYS 3414, PHYS 3614, PHYS 4073, PHYS 4991 and courses in one of five concentrations:

Professional: PHYS 3113, PHYS 4333, and 10 semester hours numbered 3000 and above in physics or astronomy.

Optics: PHYS 3544, any 1 course selected from PHYS 4734 or PHYS 4774, and 8 semester hours numbered 3000 and above in physics or astronomy.

Electronics: PHYS 220V (up to 2 hours), PHYS 320V (2 or more hours), PHYS 4333, and 6 semester hours numbered 3000 and above in physics or astronomy.

Computational: PHYS 3113 and 13 semester hours including courses numbered 3000 and above in physics, astronomy, advanced computer science, or mathematics chosen with the adviser's permission.

Biophysics: PHYS 3113 and 13 semester hours including courses numbered 3000 and above in physics, astronomy, biology, and chemistry chosen with the adviser's permission.

For all five of the possible concentrations the following mathematics courses are required: MATH 2554, MATH 2564, MATH 2574, MATH 3404, and MATH 3423. CSCE 3513, CSCE 4423, or MEEG 2703 can be substituted for MATH 3423 with the adviser's approval. In addition, CHEM 1103/1101L and CHEM 1123/1121L, or an approved 8 hours of laboratory-based courses in CSCE 2004 and CSCE 2014 are required.

Majors must propose participation in a research experience project no later than the end of their junior year of study. A written report of the results must be submitted during Senior Seminar (PHYS 4991).

Physics B.S. Eight-Semester Degree Program

Students wishing to follow the eight-semester degree plan should see page 42 in the Academic Regulations chapter for university requirements of the program as well as page 126 of this chapter for College requirements. Physics offers five concentrations: biophysics, computational, electronics, optics and professional. The eight-semester plan for each concentration is listed below.

Core requirement hours may vary by individual, based on placement and previous credit granted. Once all core requirements are met, students may substitute a three-hour (or more) general elective in place of a core area. Well prepared students may skip BIOL 1543/1541L, and go immediately into the biology core courses. Students should consult their advisers.

Allow students in program to complete under this program until Term: Year:

SECTION V: Proposed Changes to an Existing Program or Program Policies

Insert here a statement of the exact changes to be made: To include two options as part of the major: 1.) Foreign Language Skills Option/Track and the 2.) Mathematical/Logical Reasoning Skills Option/Track. Modifications to 8-semester plan are also being made in light of this change and the change to the Fulbright core.

Check if either of these boxes apply and provide the necessary signature:

- Program change proposal adds courses offered by another academic college, and that college dean's office has been notified. The signature of the dean of that academic college is required here: _____
- Program change proposal deletes courses offered by another academic college, and that college dean's office has been notified. The signature of the dean of that academic college is required here: _____

Check all the boxes that apply and complete the required sections of the form:

- Change of Name and Code (Complete only sections I, II, V and VII.)
- Change Course Requirements: (Complete all sections of the form except "Proposed Name" in II, section III, and section IV.)
- Change Delivery Site/Method (Complete all sections of the form except "Proposed Name" in II, section III, and section IV.)
- Change Total Hours (Complete all sections of the form except "Proposed Name" in II, section III, and section IV.)
- Change in Program Policies

SECTION VI: Justification

Justify this change and state its likely effect on any other degree program (including those outside the school or college). Identify any program or program components (other than courses) to be eliminated if this program is implemented. (Program and course change forms must also be submitted for such related changes.)

The majority of Political Science students are attracted to the field because they can pursue classes that introduce them to domestic and international affairs. In addition, the degree provides a good foundation to pursue an advanced graduate degree, professional master's program or law degree. We feel it is important for all of our majors, especially those that are going on to pursue advanced degrees, to have sufficient language instruction besides English and/or possess analytical skills to critically read assigned materials, analyze qualitative and quantitative information, and write at an advanced level.

SECTION VII: Catalog Text and Format

In the box below, insert the current catalog text which is to be changed, with changes highlighted with the color yellow. Include all proposed changes identified in Section V. Only changes explicitly stated in Section V will be considered for approval by the University Course and Programs Committee, the Graduate Council and the Faculty Senate. If you are proposing a new program, give proposed text with all of the elements listed below. If you are proposing modified text, include these elements as appropriate.

Include the following elements, in order, in the catalog text for proposed undergraduate program(s) or program changes:

- State complete major/program name
- Briefly define or describe the major/program or discipline.
- Identify typical career goals or paths for graduates. (Optional)
- State admission requirements (if any) for entry or entry into upper/advanced level of major/program.
- Identify location in catalog of university, college/school, and department/program requirements which the student must meet in addition to hours in the major, but do not restate these requirements.
- State course requirements in the major and any allied areas, giving number of hours and specific courses; specify electives or elective areas and give numbers of hours and courses in elective pools or categories; identify any other course requirements.
- State any other requirements (required GPA, internship, exit exam, project, thesis, etc.).
- Identify name and requirements for each concentration (if any).
- Specify whether a minor or other program component is allowed or required and provide details.
- State eight-semester plan requirements

For minors, state requirements in terms of hours, required courses, electives, etc.

For graduate program/units, include elements (as needed) parallel to those listed for undergraduate programs above.

For Law School program/units, prepare text consistent with current catalog style.

For centers, prepare text consistent with current catalog style.

Requirements for B.A. Degree with a Major in Political Science:
30 semester hours of PLSC courses, at least 21 of which must be above 3000.

1. Students are required to take both PLSC 2003 American National Government and PLSC 2013 Introduction to Comparative Politics.
2. Students must choose one of the following:
PLSC 2813 Introduction to International Relations
PLSC 3103 Introduction to Public Administration
3. Students fulfill the remaining requirements from among any of the available political science courses. At least 21 hours must be 3000-4000 level courses. No more than 9 hours may come from PLSC 300V, 394V, 498V, or 499VH.

Additional Course Requirements (3 – 12 hours): Students must satisfy either Requirement A or Requirement B.

Requirement A: Students must demonstrate proficiency in a single modern or classical language other than English by completion of a world language course numbered 2013 (Intermediate II). This is usually accomplished through completion of a sequence of four language courses: 1003, 1013, 2003 and 2013. (Please note: 1003 usually will not count towards the 124 hours required for degree credit; see College Admission Requirements on page XXX for further details.)

Students may seek credit for any omitted courses in the language sequence (based on placement at a higher level), by passing an advanced language course with a grade of “C” or above. Such credit will be awarded at the request of the student by filing application to the World Languages, Literatures, and Cultures (WLLC) Department. Students with advanced knowledge of a language may also contact the WLLC Department regarding credit by exam.

Students pursuing this track must complete an approved university/state core humanities course in addition to the world language 2003 Intermediate I course, if credit for 2003 is earned.

Or

Requirement B: Students must complete these three requirements: (1) PHIL 2003 or 2203; (2) STAT 2303 or WCOB 1033; and (3) MATH 2033, 2043, 2053, 2183, or 2554. Students pursuing this track must complete an approved university/state core humanities course in addition to either the PHIL 2003 or PHIL 2203 course used to satisfy this requirement.

Writing Requirement: The college writing requirement is fulfilled by submitting an acceptable research/analytical paper to the department for approval at least four weeks prior to graduation. The paper may be derived from completion of an honors essay (PLSC 499VH), a senior thesis (PLSC 498V), or some other advanced course in political science. The student is urged to consult with his or her faculty adviser no later than early in the first semester of the senior year.

Requirements for Departmental Honors in Political Science: The Departmental Honors Program in Political Science offers junior and senior students the opportunity to enroll in enriched and advanced courses and to do independent research in their senior year. Honors candidates are eligible for honors colloquia, honors courses, some advanced seminars, and an independent studies project, usually in close collaboration with one or more members of the faculty.

In addition to satisfying the general college honors requirements for the bachelor’s degree, honors candidates in political science must successfully complete a total of 36 hours of Political Science credit, including 12 hours of honors course work. Six of the 12 hours will be honors essay credit (PLSC 499VH) and will be taken during the senior year. Successful completion and defense of senior essay or thesis is a major part of the Political Science Honors Program, and students should begin discussing it with the Honors Adviser during their junior year. The preferred methods for satisfying the remaining six hours is to enroll in an honors colloquium (3923H) in political science or another department, by enrolling in a graduate-level seminar in political science, or by enrolling in PLSC 399VH (honors course).

Under exceptional circumstances, students may satisfy honors requirements by enrolling in PLSC 394V, by enrolling in honors sections in other departments, or by enrolling in colloquia or graduate seminars in other departments, each of which requires approval by the department chairperson.

Successful completion of the requirements will be recognized by the award of the distinction “Political Science Scholar Cum Laude” at graduation. Higher degree distinctions are recommended only in truly exceptional cases and are based upon the whole of the candidate’s program of honors studies. For full details consult the chairperson of the political science department.

Political Science Eight-Semester Degree Program

Students wishing to follow the eight-semester degree plan should also see page

42 in the Academic Regulations chapter for university requirements of the program as well as page 125 of this chapter for College requirements. Core requirement hours may vary by individual, based on placement and previous credit granted. Once all core requirements are met, students may substitute a three-hour (or more) general or advanced elective in place of a core course.

† Meets 40-hour advanced credit hour requirement. See College Academic Regulations on page 124 of this chapter

‡ Meets 24-hour rule (24 hours of 3000-4000 level courses in Fulbright College), in addition to meeting the 40-hour rule. See College Academic Regulations on page 124 of this chapter.

*Track A students must satisfy the university/state humanities core requirement with a course other than an intermediate I language course taken in progress to fulfill the Track A language requirement. Track B students must satisfy the university/state humanities core requirement with a course other than the PHIL course used to satisfy the Track B requirement.

Political Science (B.A.) Social Studies Teaching Licensure Requirements:

Please refer to the Secondary Education Requirements for Fulbright College Students on page 120.

Students wanting to teach social studies in middle school should consult with a middle level adviser in the College of Education and Health Professions.

Combined Majors

Political Science and African-American Studies: For the requirements for a combined major in political science and African-American studies, see page 132.

Political Science and Journalism: The combined major in political science and journalism is recommended for those students who have a strong interest in the reporting of public affairs as a career. For requirements, please refer to the combined major in Journalism and Political Science on page ###.

Students should consult with their adviser in each department.

Political Science and Latin American and Latino Studies: For the requirements for a combined major in political science and Latin American studies, see page 174.

Requirements for a Minor in Political Science: 18 hours including PLSC 2003 or PLSC 2013. At least 9 of these hours must be in courses numbered 3000 or above, and courses must be chosen from at least two of the five political science fields. Students should consult with an adviser in the department for the selection of appropriate courses.

Minor in Legal Studies: This minor will introduce undergraduate students to the study and application of law by taking law-related courses in a number of disciplines. It provides a focus for students who are interested in the law, whose careers will require a measure of legal knowledge, or for those considering entering law school.

Requirements for a Minor in Legal Studies: 15 semester hours from the following:

AGEC 3503 BLAW 3033 CMJS 3003 CMJS 3503

COMM 4113 FDSC 3202 JOUR 3633 OMGT 4313

PHIL 4143 PLSC 3243 PLSC 3813 PLSC 4193

PLSC 4253

Students should consult with their advisers each semester.

For requirements for the M.A. degree in political science, the M.P.A degree, or the combined J.D./M.P.A. degree, see the Graduate School Catalog

http://www.arkansashighered.com/pdfs/BookAppNewProgramCriteriaandProceduresRevised2005.pdf.

[] Program proposal uses courses offered by another academic college, and that college dean's office has been notified. The signature of the dean of that academic college is required here:

SECTION IV: Eliminate an Existing Program/Unit

Code/Name Effective Catalog Year
No new students admitted to program after Term: Year:
Allow students in program to complete under this program until Term: Year:

SECTION V: Proposed Changes to an Existing Program or Program Policies

Insert here a statement of the exact changes to be made: Adding the following requirements to the Psychology, BA:

1) Completion of 2003 Intermediate I of any world language, with a minimum of three hours in that language; 2) either PHIL 2003 or PHIL 2013; 3) a "C" in either MATH 2043, 2053 or 2554 (prerequisite to PSYC 2013).

Check if either of these boxes apply and provide the necessary signature:

- Program change proposal adds courses offered by another academic college, and that college dean's office has been notified. The signature of the dean of that academic college is required here: _____
- Program change proposal deletes courses offered by another academic college, and that college dean's office has been notified. The signature of the dean of that academic college is required here: _____

Check all the boxes that apply and complete the required sections of the form:

- Change of Name and Code (Complete only sections I, II, V and VII.)
- Change Course Requirements: (Complete all sections of the form except "Proposed Name" in II, section III, and section IV.)
- Change Delivery Site/Method (Complete all sections of the form except "Proposed Name" in II, section III, and section IV.)
- Change Total Hours (Complete all sections of the form except "Proposed Name" in II, section III, and section IV.)
- Change in Program Policies

SECTION VI: Justification

Justify this change and state its likely effect on any other degree program (including those outside the school or college). Identify any program or program components (other than courses) to be eliminated if this program is implemented. (Program and course change forms must also be submitted for such related changes.)

1.) A minimal knowledge of the language and culture of another group is important for the major.

2.) Because the roots of Psychology are in Philosophy, it is important that students are familiar with those roots. In addition, Philosophy will introduce majors to important topics in Psychology. Much of the research in Psychology involves other cultures and researchers from other cultures.

3.) MATH 2043, 2053 or 2554 are prerequisites for PSYC 2013 effective fall 2011. This prerequisite change was initiated earlier this fall, because we have data indicating that students who enter the statistics course having had one of the three math courses are more prepared, do better, and are less likely to withdraw than those who have not had one of those classes. With the additional prerequisite, we will be able teach the class at a level more appropriate and useful for our majors.

SECTION VII: Catalog Text and Format

In the box below, insert the current catalog text which is to be changed, with changes highlighted with the color yellow. Include all proposed changes identified in Section V. Only changes explicitly stated in Section V will be considered for approval by the University Course and Programs Committee, the Graduate Council and the Faculty Senate. If you are proposing a new program, give proposed text with all of the elements listed below. If you are proposing modified text, include these elements as appropriate.

Include the following elements, in order, in the catalog text for proposed undergraduate program(s) or program changes:

- State complete major/program name
- Briefly define or describe the major/program or discipline.
- Identify typical career goals or paths for graduates. (Optional)
- State admission requirements (if any) for entry or entry into upper/advanced level of major/program.
- Identify location in catalog of university, college/school, and department/program requirements which the student must meet in addition to hours in the major, but do not restate these requirements.
- State course requirements in the major and any allied areas, giving number of hours and specific courses; specify electives or elective areas and give numbers of hours and courses in elective pools or categories; identify any other course requirements.
- State any other requirements (required GPA, internship, exit exam, project, thesis, etc.).
- Identify name and requirements for each concentration (if any).
- Specify whether a minor or other program component is allowed or required and provide details.
- State eight-semester plan requirements

For minors, state requirements in terms of hours, required courses, electives, etc.

For graduate program/units, include elements (as needed) parallel to those listed for undergraduate programs above.

For Law School program/units, prepare text consistent with current catalog style.

For centers, prepare text consistent with current catalog style.

Requirements for B.A. Degree with a Major in Psychology: Students must complete 124 degree credit hours to include the minimum

University/state core requirements (see page 41), the Fulbright College of Arts and Sciences Graduation Requirements (see page 124 under College Academic Regulations and Degree Completion Program Policy), and following course requirements for the major. Bolded courses from the list below may be applied to portions of the University/state minimum core requirements.

A minimum of 42 semester hours, including

3-6 2003 Intermediate I of any world language¹

3 PHIL 2003 or PHIL 2013

3-4 MATH 2043, 2053 or 2554 with a grade of "C" or better (prerequisite for PSYC 2013)

and 33 semester hours in psychology to include:

PSYC 2003, PSYC 2013, and PSYC 3073; six hours chosen from PSYC 3013, PSYC 3023, PSYC 3093, PSYC 4053, or PSYC 4063; six hours chosen from PSYC 3103, PSYC 4073, PSYC 4123, PSYC 4143, PSYC 4183, PSYC 4193; three hours chosen from PSYC 328V or PSYC 4283; the remaining nine hours are electives and may be chosen from any psychology course in this catalog, with no more than a total of six hours in 206V, 207V and 399VH combined. A grade of "C" or better is required in all psychology courses used to satisfy the 33 hours of psychology courses. In addition, a 2.00 cumulative grade-point average is required on all work completed in the Department of Psychology.

Students who want to pursue graduate training in psychology are advised to begin preparations early in their undergraduate careers.

Grade-point average, scores on the Graduate Record Examinations, effective communications

skills, preparation in the natural sciences and mathematics, and research experience (e.g., honors project, directed readings, laboratory experience) are the major criteria considered by admissions committees. To gain this research experience students are strongly encouraged to take the advanced research course, PSYC 328V.

Students with applied, paraprofessional, or human-service interests who plan to enter the job market with a B.A. in psychology are strongly encouraged to take relevant courses in other areas of interest, including, but not limited to, anthropology, sociology, social work, human development and family studies, education, and business administration.

Students interested in business applications of psychology (e.g., marketing, management) are similarly encouraged to take related courses in the Sam M. Walton College of Business; minors are also available in several areas of business. For more information concerning psychology as a major or careers in psychology and related fields, please contact the Psychology Advising Coordinator, Memorial Hall, room 203.

Writing Requirement: Students majoring in psychology will satisfy the Fulbright College writing requirement by successful completion (a grade of at least a "C") in either PSYC 328V or PSYC 4283, each of which requires a final research paper written in American Psychological Association style.

Requirements for Graduation with Honors in Psychology: Both the four-year and the Departmental Honors Program in Psychology provide undergraduate students with an opportunity to formally participate in scholarly psychology activities. Honors candidates carry out independent study and research under the guidance of the psychology faculty and participate in special honors classes, seminars, and colloquia. In addition to satisfying the general college honors requirements, honors candidates in psychology are required to complete and orally defend an honors thesis based upon the independent study carried out in PSYC 399VH. In order to successfully complete the required thesis, students should choose an honors adviser as early as possible. An adviser should be selected, and an Honors Agreement completed, no later than the first semester in a student's junior year. Students must register for, and complete, a minimum of 6 hours of PSYC 399VH.

PSYC 399VH may be taken for 1 to 6 hours of credit each semester and repeated for a maximum of 12 hours. Nine hours are ordinarily needed to complete the research project and to prepare the honors thesis. Honors candidates in psychology are encouraged to enroll in as many honors classes, seminars, and colloquia as possible, or as required by the honors program in which they are enrolled. Students graduating with honors typically graduate cum Laude. Higher degree distinctions (Magna cum Laude, Summa cum Laude) are awarded by the Honors Council, recommended only in truly exceptional cases, and are based upon the whole of the candidate's program of honors studies.

Psychology Eight-Semester Degree Program

Students wishing to follow the eight-semester degree plan should see page 42 in the Academic Regulations chapter for university core requirements of the program. Courses in psychology groups A, B and C and capstone courses are listed after the program plan.

- Change in Program Policies

SECTION VI: Justification

Justify this change and state its likely effect on any other degree program (including those outside the school or college). Identify any program or program components (other than courses) to be eliminated if this program is implemented. (Program and course change forms must also be submitted for such related changes.)

Fully stated admission/retention/termination policies in the undergraduate catalog are necessary for liability purposes.

SECTION VII: Catalog Text and Format

In the box below, insert the current catalog text which is to be changed, with changes highlighted with the color yellow. Include all proposed changes identified in Section V. Only changes explicitly stated in Section V will be considered for approval by the University Course and Programs Committee, the Graduate Council and the Faculty Senate. If you are proposing a new program, give proposed text with all of the elements listed below. If you are proposing modified text, include these elements as appropriate.

Include the following elements, in order, in the catalog text for proposed undergraduate program(s) or program changes:

- State complete major/program name
- Briefly define or describe the major/program or discipline.
- Identify typical career goals or paths for graduates. (Optional)
- State admission requirements (if any) for entry or entry into upper/advanced level of major/program.
- Identify location in catalog of university, college/school, and department/program requirements which the student must meet in addition to hours in the major, but do not restate these requirements.
- State course requirements in the major and any allied areas, giving number of hours and specific courses; specify electives or elective areas and give numbers of hours and courses in elective pools or categories; identify any other course requirements.
- State any other requirements (required GPA, internship, exit exam, project, thesis, etc.).
- Identify name and requirements for each concentration (if any).
- Specify whether a minor or other program component is allowed or required and provide details.
- State eight-semester plan requirements

For minors, state requirements in terms of hours, required courses, electives, etc.

For graduate program/units, include elements (as needed) parallel to those listed for undergraduate programs above.

For Law School program/units, prepare text consistent with current catalog style.

For centers, prepare text consistent with current catalog style.

The social work program is fully accredited at the baccalaureate level by the Council on Social Work Education. The principal objective of the social work program is to prepare students for beginning generalist social work practice. ~~Contact the undergraduate coordinator for admission and retention requirements.~~

Criteria for Admission to BSW Program and Professional Social Work Core

Although a student may declare social work as a major at any point, admission to the BSW Program is required before a student is allowed to take the following courses that comprise the Professional Social Work Core:

1. SCWK 4333 Social Work Practice I
2. SCWK 4343 Social Work Practice II
3. SCWK 4733 Social Work Practice III

- | | | |
|----|-----------|--|
| 4. | SCWK 4434 | Field Experience/Social Work Internship I |
| 5. | SCWK 4412 | Field Seminar I |
| 6. | SCWK 4444 | Field Experience/Social Work Internship II |
| 7. | SCWK 4422 | Field Seminar II |

Each student must meet the following minimum academic course requirements and complete the application process outlined below.

Minimum Academic Course Requirements

- Cumulative GPA of 2.0.
- Completion of the following 9 courses, each with a grade of “C” or better.
 COMM 1313 Fundamentals of Communication
 ENGL 1013 English Composition I
 PLSC 2003 American National Government
 PSYC 2003 General Psychology
 SCWK 2133 Introduction to Social Work
 SCWK 3193 Human Diversity and Social Work
 SCWK 4093 Human Behavior and the Social Environment I
 SCWK 4153 Social Welfare Policy
 SOCI 2013 General Sociology
- Completion of BIOL 1543/1541L Principles of Biology and Lab or ANTH 1013/ANTH 1011L Biological Anthropology and Lab with a grade of “D” or better.
- Students must have at least a 2.5 GPA in the ten courses listed above.

Application Process

The application process must be completed by the end of the semester prior to the semester in which the student will enroll in Social Work Practice I. The application packet includes the following materials:

- Application Form.** This form becomes the cover sheet for the application packet. Application forms are available from the on-line BSW Student Handbook (see appendices) or from the social work office.
- Volunteer Experience Form.** This form provides documentation of satisfactory completion of the volunteer experience assignment in Introduction to Social Work or equivalent and submission of a positive “Supervisor’s Reference Form” from the supervisor of the experience.
- Personal Statement.** This narrative statement should include: motivation for becoming a social worker; relevant work, volunteer or life experiences; strengths and limitations for effective social work practice; personal commitment and agreement to abide by the values and ethics of the social work profession; career goals and indication of fields of practice preference or areas where you would not feel comfortable working.
- Ethical Principles/Guidelines for UA Social Work Students.** By signing this statement you are acknowledging that you have read, understand and agree to abide by and behave in accordance with the “Ethical Principles/Guidelines for Social Work Students.” This statement is contained in the admissions packet, and is available from the on-line BSW Student Handbook (see appendices) or from the social work office. A copy of this signed statement will be included in your advising file.
- Two reference letters.** The letters of reference will assess the applicant’s academic qualification, motivation and potential for success in the professional social work core. (See Appendices for additional details).
- Copy of current transcript documenting the minimum academic course requirements listed above.**

The above materials are submitted to the BSW Program Director and reviewed by the BSW Admission Committee. If the Admissions Committee has any questions concerning the content of the materials, the student may be asked to interview with a faculty member to resolve any questions or to provide additional information.

Upon completion of the materials review and interview (if necessary), the student will be informed in writing by the BSW Program Director of his or her admission status.

There are three possible admission decisions:

- Unconditional admission:** These students have demonstrated through their application materials (and interview, if required) that they have the motivation and potential for competent professional social work practice and that they agree

to uphold and conduct themselves in accordance with the values and ethics of professional social work practice. In addition, these students have at least a 2.5 GPA in the pre-professional core courses and have an overall GPA of 2.0.

2. **Conditional admission:** These students may continue in the major for a given period of time (usually one to two semesters) during which certain conditions must be met. Students may be admitted conditionally with a lower GPA than 2.0 overall, but the student must attain a 2.0 overall GPA during the time period required by the University for being removed from academic probation. Conditional admission related to non-GPA issues may be granted if the student agrees in writing to correct the concern. Examples of non-GPA concerns for which corrective action may be required include writing skills, assertiveness, stress management, or working with diverse populations.
3. **Non-acceptance:** A decision of non-acceptance will be made when the student is found to be unsuited for professional social work practice. There are two criteria for non-acceptance: 1) the lack of acceptable academic performance necessary to successfully complete the requirements of the social work program, and/or 2) the inability to demonstrate commitment to social work values and ethics as they are reflected in the “Ethical Principles and Guidelines for UA Social Work Students” document that is available on-line in the BSW Student Handbook and included with the forms for applying to the professional social work core (see Appendices). A decision of non-acceptance will result in the student’s inability to progress in the social work program. In the event of non-acceptance, assistance with a transfer to another major will be provided upon request.

Criteria for Retention and Continuation

In addition to the admission process, the BSW Program also has requirements for retention and continuation in the major.

Retention

1. Maintenance of an overall GPA of 2.0.
2. Maintenance of a 2.5 GPA in social work courses.
3. Students must abide by and behave in accordance with the “Ethical Principles/Guidelines for UA Social Work Students”.
4. Not engaging in any activity or behavior which, according to University policy or regulations, would result in dismissal from the University community. Such activity or behavior includes, but is not limited to, sexual harassment, physical or sexual assault, and academic dishonesty. (See Undergraduate Studies Catalog for description of Academic Dishonesty, and Undergraduate Studies Catalog, Appendix C: Student Handbook for details).

Continuation & Grading Policies. A grade of C or better must be earned in all social work courses. If a student receives a grade of D or F in one of the professional social work core courses, the course must be retaken with a grade of C or better prior to taking the course for which that course serves as a prerequisite.

1. Once matriculated into the BSW program, BSW students who earn a D or F will be allowed to repeat this course one time. Students can repeat up to two different social work courses.
2. A student may repeat a course from which they earned a W no more than one time.
3. Any professional social work core course in which the student receives a grade of I (Incomplete) must be satisfactorily completed (with a grade of C or better) prior to entering the course for which the course receiving the Incomplete is a prerequisite.

Criteria For Termination

Students will be terminated from the BSW Program for the following reasons:

1. Failure to maintain minimum GPA requirements (2.0 cumulative overall, 2.5 for all social work courses).
2. Failure to earn a C or better in a professional social work core course after the second attempt.
3. Engaging in any activity or behavior which, according to University policy or regulations, would result in dismissal from the University community. Such activity or behavior includes, but is not limited to, sexual harassment, physical or sexual assault, and academic dishonesty. (See Undergraduate Studies Catalog, description of Academic Dishonesty and, Undergraduate Studies Catalog, Appendix C: Student Handbook for details).

Students may be terminated from the BSW Program for the following reasons:

1. Engaging in any activity or behavior incompatible with the "Ethical Principles/Guidelines for UA Social Work Students" (available on-line in the BSW Student Handbook and with the materials for application to the professional social work core; see Appendices). Such violations will initiate a review by the School of Social Work Student, Standards and Support Committee and may result in termination by the School of Social Work Director or a decision that termination is contingent upon completion of a corrective action specified by the School of Social Work Director.

SECTION V: Proposed Changes to an Existing Program or Program Policies

Insert here a statement of the exact changes to be made: The following courses are being added as specific requirements for the Bachelor of Social Work degree: COMM 1313, ENGL 2003 (or 2013), PHIL 2003 or 2013, HIST 1113 and 1123, and 6 hours of world language courses at the 1013 Elementary II level and higher.

Check if either of these boxes apply and provide the necessary signature:

- Program change proposal adds courses offered by another academic college, and that college dean's office has been notified. The signature of the dean of that academic college is required here: _____
- Program change proposal deletes courses offered by another academic college, and that college dean's office has been notified. The signature of the dean of that academic college is required here: _____

Check all the boxes that apply and complete the required sections of the form:

- Change of Name and Code (Complete only sections I, II, V and VII.)
- Change Course Requirements: (Complete all sections of the form except "Proposed Name" in II, section III, and section IV.)
- Change Delivery Site/Method (Complete all sections of the form except "Proposed Name" in II, section III, and section IV.)
- Change Total Hours (Complete all sections of the form except "Proposed Name" in II, section III, and section IV.)
- Change in Program Policies

SECTION VI: Justification

Justify this change and state its likely effect on any other degree program (including those outside the school or college). Identify any program or program components (other than courses) to be eliminated if this program is implemented. (Program and course change forms must also be submitted for such related changes.)

1. COMM 1313--Communication/speech is an important competency for social workers who testify in court and before legislators, present workshops and conduct training. Speaking in public to fulfill the role as an advocate is essential in the day-to-day work of social workers.

2. ENGL 2003 or 2013--Writing and documentation is a major and necessary competency for social workers in executing their day-to-day functions.

3. PHIL 2003 or 2013--Philosophy will need to remain a part of the SCWK curriculum as it meets the liberal arts competency required for accreditation by the Council on Social Work Education.

4. HIST 1113 and 1123--Knowledge of major civilizations in the world within their historical context is an essential component in developing the diversity and global competencies that are required for accreditation by the Council on Social Work Education.

5. Six hours of a world language will need to remain as required coursework for the BSW program as they meet the liberal arts and diversity competencies required for accreditation by the Council on Social Work Education.

SECTION VII: Catalog Text and Format

In the box below, insert the current catalog text which is to be changed, with changes highlighted with the color yellow. Include all proposed changes identified in Section V. Only changes explicitly stated in Section V will be considered for approval by the University Course and Programs Committee, the Graduate Council and the Faculty Senate. If you are proposing a new program, give proposed text with all of the elements listed below. If you are proposing modified text, include these elements as appropriate.

Include the following elements, in order, in the catalog text for proposed undergraduate program(s) or program changes:

- State complete major/program name
- Briefly define or describe the major/program or discipline.
- Identify typical career goals or paths for graduates. (Optional)
- State admission requirements (if any) for entry or entry into upper/advanced level of major/program.
- Identify location in catalog of university, college/school, and department/program requirements which the student must meet in addition to hours in the major, but do not restate these requirements.
- State course requirements in the major and any allied areas, giving number of hours and specific courses; specify electives or elective areas and give numbers of hours and courses in elective pools or categories; identify any other course requirements.
- State any other requirements (required GPA, internship, exit exam, project, thesis, etc.).
- Identify name and requirements for each concentration (if any).
- Specify whether a minor or other program component is allowed or required and provide details.
- State eight-semester plan requirements

For minors, state requirements in terms of hours, required courses, electives, etc.

For graduate program/units, include elements (as needed) parallel to those listed for undergraduate programs above.

For Law School program/units, prepare text consistent with current catalog style.

For centers, prepare text consistent with current catalog style.

Requirements for a Major in Social Work:

In addition to the university/state core requirements (see page 42) and the Fulbright College of Arts and Sciences Graduation Requirements (see page 124 under College Academic Regulations and Degree Completion Policy), the following cognate and major course requirements must be met. Bolded courses from the list below may be applied to portions of the university/state minimum core requirements.

- 4 BIOL 1543/1541L Principles of Biology or ANTH 1013/1011L Introduction to Biological Anthropology and Lab
- 3 COMM 1313 Public Speaking
- 3 ENGL 2003 Advanced Composition or ENGL 2013 Essay Writing
- 6 HIST 1113 and HIST 1123 World Civilization I and II
- 3 PHIL 2003 Intro to Philosophy or 2013 Intro to Ethics
- 3 PLSC 2003 American National Government
- 3 PSYC 2003 General Psychology
- 3 SOCI 2013 General Sociology
- 3 Statistics course
- 6 Six hours of 3000- or 4000-level courses from AAST, ANTH, COMM, GEOS, HESC, PLSC, PSYC, SOCI and courses applicable to gender studies as approved by the School of Social Work
- 6 Six hours of a single world language¹ at the 1013 Elementary II level or higher

And 45 semester hours of social work courses including:

- SCWK 2133 Intro. to Social Work
- SCWK 3193 Human Diversity and Social Work
- SCWK 4073 Social Work Research and Technology I
- SCWK 4093 Human Behavior and the Social Environment I
- SCWK 4103 Human Behavior and the Social Environment II

- SCWK 4422 Field Seminar II
- SCWK 4434 Social Work Internship I
- SCWK 4444 Social Work Internship II
- SCWK 4733 Social Work Practice III
- Social Work electives – 6 hours

Students must adhere to requirements cited for each social work course. A grade of "C" or better must be earned in all core social work courses. If a student receives a grade of "D" in a core social work course, the course must be retaken with a grade of "C" or better prior to taking the course for which that course serves as a prerequisite.

Writing Requirement: ...[no changes]

Requirements for Departmental Honors in Social Work: ...[no changes]

Social Work Eight-Semester Degree Program

Students wishing to follow the eight-semester degree plan should see page 42 in the Academic Regulations chapter for university requirements of the program. 1.) MATH beyond college algebra such as MATH 2033, 2043, 2053, 2183 or 2554.

2.) ENGL 2003 unless a "B" or higher is achieved in ENGL 1013 and 1023.

3.) 3 hours of a world language course at the 1013 Elementary II level or higher.

The overall number of credit hours required for a BA degree in Criminal Justice remains unchanged at 124.

Adjusting the 8-semester plans to reflect the addition of these requirements and the change in the Fulbright core.

Check if either of these boxes apply and provide the necessary signature:

- Program change proposal adds courses offered by another academic college, and that college dean's office has been notified. The signature of the dean of that academic college is required here: _____
- Program change proposal deletes courses offered by another academic college, and that college dean's office has been notified. The signature of the dean of that academic college is required here: _____

Check all the boxes that apply and complete the required sections of the form:

- Change of Name and Code (Complete only sections I, II, V and VII.)
- Change Course Requirements: (Complete all sections of the form except "Proposed Name" in II, section III, and section IV.)
- Change Delivery Site/Method (Complete all sections of the form except "Proposed Name" in II, section III, and section IV.)
- Change Total Hours (Complete all sections of the form except "Proposed Name" in II, section III, and section IV.)
- Change in Program Policies

SECTION VI: Justification

Justify this change and state its likely effect on any other degree program (including those outside the school or college). Identify any program or program components (other than courses) to be eliminated if this program is implemented. (Program and course change forms must also be submitted for such related changes.)

These courses are being added to the major requirements to add depth and breadth to the 35-hour State Minimum Core, to further prepare students for their upper-level major requirements and to ultimately help our students compete in the job market.

SECTION VII: Catalog Text and Format

In the box below, insert the current catalog text which is to be changed, with changes highlighted with the color yellow. Include all proposed changes identified in Section V. Only changes explicitly stated in Section V will be considered for approval by the University Course and Programs Committee, the Graduate Council and the Faculty Senate. If you are proposing a new program, give proposed text with all of the elements listed below. If you are proposing modified text, include these elements as appropriate.

Include the following elements, in order, in the catalog text for proposed undergraduate program(s) or program changes:

- State complete major/program name
- Briefly define or describe the major/program or discipline.
- Identify typical career goals or paths for graduates. (Optional)
- State admission requirements (if any) for entry or entry into upper/advanced level of major/program.
- Identify location in catalog of university, college/school, and department/program requirements which the student must meet in addition to hours in the major, but do not restate these requirements.
- State course requirements in the major and any allied areas, giving number of hours and specific courses; specify electives or elective areas and give numbers of hours and courses in elective pools or categories; identify any other course requirements.
- State any other requirements (required GPA, internship, exit exam, project, thesis, etc.).
- Identify name and requirements for each concentration (if any).
- Specify whether a minor or other program component is allowed or required and provide details.
- State eight-semester plan requirements

For minors, state requirements in terms of hours, required courses, electives, etc.

For graduate program/units, include elements (as needed) parallel to those listed for undergraduate programs above.

For Law School program/units, prepare text consistent with current catalog style.

For centers, prepare text consistent with current catalog style.

Requirements for the B.A. Degree with Major in Criminal Justice:

Students must complete 124 degree credit hours to include the minimum University/state core requirements (see page 41), the

Fulbright College of Arts and Sciences Graduation Requirements (see page 124 under College Academic Regulations and Degree Completion Program Policy), and the following major course requirements. Bolded courses from the list below may be applied to portions of the University/state minimum core requirements.

- 3-4 MATH 2033, 2043, 2053, 2183 or 2554
- 3 ENGL 2003 (see course description for exemption requirements)
- 3 3 hours of a world language at the 1013¹ Elementary II level or higher

And a minimum of 31 semester hours to include CMJS 2003, CMJS/SOCI 3023, SOCI/CMJS 3043, CMJS/SOCI 3203, SOCI 3301L, SOCI 3303, SOCI 3313, one course from CMJS 3003, CMJS 3503. Nine hours to complete the 31-semester-hour requirement from 3000- and 4000- level criminal justice or sociology courses not taken above.

For transfer students, a minimum of 18 hours of coursework in the major at the University of Arkansas is required.

Writing Requirement: ...[no change]

Requirements for Departmental Honors in Criminal Justice: ...[no change]

SECTION IV: Eliminate an Existing Program/Unit

Code/Name _____ Effective Catalog Year _____

No new students admitted to program after Term: ____ Year: _____

Allow students in program to complete under this program until Term: ____ Year: _____

SECTION V: Proposed Changes to an Existing Program or Program Policies

Insert here a statement of the exact changes to be made: Adding the following course requirements to the Bachelor of Arts in Sociology:

1.) MATH beyond college algebra such as MATH 2033, 2043, 2053, 2183 or 2554.

2.) ENGL 2003 unless a "B" or higher is achieved in ENGL 1013 and 1023.

3.) 3 hours of a world language course at the 1013 Elementary II level or higher.

The overall number of credit hours required for a BA degree in Sociology remains unchanged at 124.

Adjusting the 8-semester plans to reflect the addition of these requirements and the change in the Fulbright core.

Check if either of these boxes apply and provide the necessary signature:

- Program change proposal adds courses offered by another academic college, and that college dean's office has been notified. The signature of the dean of that academic college is required here: _____
- Program change proposal deletes courses offered by another academic college, and that college dean's office has been notified. The signature of the dean of that academic college is required here: _____

Check all the boxes that apply and complete the required sections of the form:

- Change of Name and Code (Complete only sections I, II, V and VII.)
- Change Course Requirements: (Complete all sections of the form except "Proposed Name" in II, section III, and section IV.)
- Change Delivery Site/Method (Complete all sections of the form except "Proposed Name" in II, section III, and section IV.)
- Change Total Hours (Complete all sections of the form except "Proposed Name" in II, section III, and section IV.)
- Change in Program Policies

SECTION VI: Justification

Justify this change and state its likely effect on any other degree program (including those outside the school or college). Identify any program or program components (other than courses) to be eliminated if this program is implemented. (Program and course change forms must also be submitted for such related changes.)

These courses are being added to the major requirements to add depth and breadth to the 35-hour State Minimum Core, to further prepare students for their upper-level major requirements and to ultimately help our students compete in the job market.

SECTION VII: Catalog Text and Format

In the box below, insert the current catalog text which is to be changed, with changes highlighted with the color yellow. Include all proposed changes identified in Section V. Only changes explicitly stated in Section V will be considered for approval by the University Course and Programs Committee, the Graduate Council and the Faculty Senate. If you are proposing a new program, give proposed text with all of the elements listed below. If you are proposing modified text, include these elements as appropriate.

Include the following elements, in order, in the catalog text for proposed undergraduate program(s) or program changes:

- State complete major/program name
- Briefly define or describe the major/program or discipline.
- Identify typical career goals or paths for graduates. (Optional)
- State admission requirements (if any) for entry or entry into upper/advanced level of major/program.
- Identify location in catalog of university, college/school, and department/program requirements which the student must meet in addition to hours in the major, but do not restate these requirements.
- State course requirements in the major and any allied areas, giving number of hours and specific courses; specify electives or elective areas and give numbers of hours and courses in elective pools or categories; identify any other course requirements.
- State any other requirements (required GPA, internship, exit exam, project, thesis, etc.).
- Identify name and requirements for each concentration (if any).
- Specify whether a minor or other program component is allowed or required and provide details.
- State eight-semester plan requirements

For minors, state requirements in terms of hours, required courses, electives, etc.

For graduate program/units, include elements (as needed) parallel to those listed for undergraduate programs above.

For Law School program/units, prepare text consistent with current catalog style.

For centers, prepare text consistent with current catalog style.

Requirements for B.A. Degree with a Major in Sociology:

In addition to the university/state core requirements (see page 42) and the Fulbright College of Arts and Sciences Graduation Requirements (see page 124 under College Academic Regulations and Degree Completion Policy), the following course

requirements must be met. Bolded courses from the list below may be applied to portions of the University/state minimum core requirements.

3-4 **MATH 2033, 2043, 2053, 2183 or 2554**

3 ENGL 2003 (see course description for exemption requirements)

3 Completion of a world language course at the 1013 Elementary II level¹

And 31 semester hours in SOCI courses, to include **SOCI 2013**, SOCI 3193, SOCI 3223, SOCI 3301L, SOCI 3303, SOCI 3313, SOCI 4023, SOCI 4043, and 9 hours from sociology 3000- and 4000-level electives.

Insert here a statement of the exact changes to be made: 1.) Adding the following requirements to the Computer Science BA major: ENGL 2003 Advanced Composition, COMM 1313 Public Speaking, PHIL 2203 Logic, MATH 2554 Calculus I, and STAT 2303 Principles of Statistics. 2.) Modifying the 8-semester plan accordingly.

Check if either of these boxes apply and provide the necessary signature:

- Program change proposal adds courses offered by another academic college, and that college dean's office has been notified. The signature of the dean of that academic college is required here: _____
- Program change proposal deletes courses offered by another academic college, and that college dean's office has been notified. The signature of the dean of that academic college is required here: _____

Check all the boxes that apply and complete the required sections of the form:

- Change of Name and Code (Complete only sections I, II, V and VII.)
- Change Course Requirements: (Complete all sections of the form except "Proposed Name" in II, section III, and section IV.)
- Change Delivery Site/Method (Complete all sections of the form except "Proposed Name" in II, section III, and section IV.)
- Change Total Hours (Complete all sections of the form except "Proposed Name" in II, section III, and section IV.)
- Change in Program Policies

SECTION VI: Justification

Justify this change and state its likely effect on any other degree program (including those outside the school or college). Identify any program or program components (other than courses) to be eliminated if this program is implemented. (Program and course change forms must also be submitted for such related changes.)

1.) ENGL 2003 Advanced Composition--Computer scientists need to be able to describe their projects and designs competently and professionally in written documents; COMM 1313 Public Speaking--Computer professionals need to be able to describe their projects and designs competently in oral presentations; PHIL 2203 Intro to Logic--Computer scientists need to employ logic in the design of the programs that they create to solve particular problems; MATH 2554 Calculus I--The mathematics department has added this as a prerequisite to MATH 2603 Discrete Mathematics (a course that Computer Science, BA students are currently required to take); STAT 2303 Principles of Statistics--Computer scientists need to have a working knowledge of statistics to run experiments on, and evaluate the effectiveness of, the software systems that they create.

2.) Adjustments to the 8-semester plan are required to reflect the requirements for the major, the 35-hour university/state minimum core and Fulbright College graduation requirements.

SECTION VII: Catalog Text and Format

In the box below, insert the current catalog text which is to be changed, with changes highlighted with the color yellow. Include all proposed changes identified in Section V. Only changes explicitly stated in Section V will be considered for approval by the University Course and Programs Committee, the Graduate Council and the Faculty Senate. If you are proposing a new program, give proposed text with all of the elements listed below. If you are proposing modified text, include these elements as appropriate.

Include the following elements, in order, in the catalog text for proposed undergraduate program(s) or program changes:

- State complete major/program name
- Briefly define or describe the major/program or discipline.
- Identify typical career goals or paths for graduates. (Optional)
- State admission requirements (if any) for entry or entry into upper/advanced level of major/program.
- Identify location in catalog of university, college/school, and department/program requirements which the student must meet in addition to hours in the major, but do not restate these requirements.
- State course requirements in the major and any allied areas, giving number of hours and specific courses; specify electives or elective areas and give numbers of hours and courses in elective pools or categories; identify any other course requirements.
- State any other requirements (required GPA, internship, exit exam, project, thesis, etc.).
- Identify name and requirements for each concentration (if any).
- Specify whether a minor or other program component is allowed or required and provide details.
- State eight-semester plan requirements

For minors, state requirements in terms of hours, required courses, electives, etc.

For graduate program/units, include elements (as needed) parallel to those listed for undergraduate programs above.

For Law School program/units, prepare text consistent with current catalog style.

For centers, prepare text consistent with current catalog style.

Requirements for a B.A. degree with a Major in Computer Science:

In addition to the university/state core requirements (see page 42) and the Fulbright College of Arts and Sciences Graduation Requirements (see page 124 under College Academic Regulations and Degree Completion Policy), the following course requirements must be met.

At least 51 hours in computer science-related courses, completed with a minimum GPA of 2.0, including:

1. ENGL 2003 Advanced Composition
2. COMM 1313 Public Speaking
3. PHIL 2203 Logic
4. MATH 2554 Calculus I
5. MATH 2603 Discrete Mathematics

 - f. Geoinformatics: GEOS 3543 and two of the following: GEOS 4413, GEOS 4553, GEOS 4583, GEOS 4593, GEOS 4863

*Students who have sufficient background in programming may substitute three hours of CSCI 2000+ coursework for CSCI 1013

**Students completing the sequence WCOB 4213, WCOB 4223 and ISYS 4233 will receive a SAP certificate.

A 2.0 cumulative GPA on all work completed in the Department of Computer Science is required.

Computer Science B.A. Eight-Semester Degree Program

Students wishing to follow the eight-semester degree plan should see page 42 in the Academic Regulations chapter for university requirements of the program. Core requirement hours may vary by individual, based on placement and previous credit granted. Once all core requirements are met, students may substitute a three-hour (or more) general elective in place of a core area.

SECTION V: Proposed Changes to an Existing Program

Insert here a statement of the exact changes to be made: **HLSC 1103 Personal Health and Safety will replace HLSC 1002 in the RESMBS Major.**

Check all the boxes that apply and complete the required sections of the form:

- Change of Name and Code (Complete only sections I, II, V and VII.)
- Change Course Requirements: (Complete all sections of the form except "Proposed Name" in II, section III, and section IV.)
- Change Delivery Site/Method (Complete all sections of the form except "Proposed Name" in II, section III, and section IV.)

IV.)

Change Total Hours (Complete all sections of the form except "Proposed Name" in II, section III, and section IV.)

SECTION VI: Justification

Justify this change and state its likely effect on any other degree program (including those outside the school or college). Identify any program or program components (other than courses) to be eliminated if this program is implemented. (Program and course change forms must also be submitted for such related changes.)

HLSC 1002 Wellness Concepts will no longer be offered after Fall 2010. HLSC Faculty recommend replacing this with HLSC 1103 Personal Health and Safety.

SECTION VII: Catalog Text and Format

Insert the current catalog text and the proposed catalog text. Be sure that the proposed text includes all the elements listed below in order. Do not include university requirements or college requirements. Do not substitute a sample schedule for an explicit statement of requirements. Use standard terms and vocabulary (see Academic Policy 1621.10).

Include the following elements, in order, in the catalog text for proposed undergraduate program(s) or program changes:

- State complete major/program name
- Briefly define or describe the major/program or discipline.
- Identify typical career goals or paths for graduates. (Optional)
- State admission requirements (if any) for entry or entry into upper/advanced level of major/program.
- Identify location in catalog of university, college/school, and department/program requirements which the student must meet in addition to hours in the major, but do not restate these requirements.
- State course requirements in the major and any allied areas, giving number of hours and specific courses; specify electives or elective areas and give numbers of hours and courses in elective pools or categories; identify any other course requirements.
- State any other requirements (required GPA, internship, exit exam, project, thesis, etc.).
- Identify name and requirements for each concentration (if any).
- Specify whether a minor or other program component is allowed or required and provide details.

For minors, state requirements in terms of hours, required courses, electives, etc.

For graduate program/units, include elements (as needed) parallel to those listed for undergraduate programs above.

For Law School program/units, prepare text consistent with current catalog style.

For centers, prepare text consistent with current catalog style.

The program in recreation and sport management is designed to prepare candidates for a variety of career opportunities in the field of recreation and sport management. Career opportunities may include park and recreation directors for a city, sports management, fitness center managers, state and national park managers, camp administrators, or work in YMCAs, Boys and Girls Clubs, or other youth-serving agencies. Graduates of this program should be well prepared to enter the recreational workforce at an entry level

The candidate for the Bachelor of Science in Education degree with a major in recreation and sport management must select professional electives in an area of interest with help from an academic adviser from the recreation and sport management faculty. Each set of professional electives is developed individually to meet specific career goals. Professional electives are -

generally in academic areas other than the recreation and sport management public recreation, children and families, fitness club management, commercial recreation

All students must complete the University Core requirements as

listed on page 40. In addition, all students must take the required general studies for the recreation and sport management core requirements listed below. Recreation and sport management majors must obtain a "C" or better in all courses beginning with the alpha code RESM. To enroll in RESM 440V, students must have a 2.50 GPA or better in RESM core and professional elective courses. Many courses in the recreation curriculum are taught in sequential order. Please check catalog course descriptions for

There are several experiential requirements within the recreation and sport management core. Students are required to do three practicum experiences

more intense experience of an internship (RESM 440V) requires a minimum of 400 hours or work full time for 12-15 weeks in an agency with a qualified park, recreation or sport management professional. Students in the recreation and sport management program must obtain one instructor-level certification and a second certification in another area of expertise, three certifications which must be appropriate to recreation and sport management and be pre-approved by the program. For additional information regarding these certifications see a recreation and sport management faculty adviser. Certifications must be valid at the time of graduation and be completed before a grade will be assigned in RESM 4013 Contemporary Issues in Leisure. Examples of these certifications include, but are not limited to

American Red Cross canoeing instructor, first-aid instructor, and hunter safety instructor. A minimum of 124 hours are required for graduation in the major

An undergraduate minor in recreation is also available to students enrolled in other colleges. Students with interests related to the recreation profession such as business, biology, human environmental science, or horticulture may elect the 15-hour minor. This minor

Justify this change and state its likely effect on any other degree program (including those outside the school or college). Identify any program or program components (other than courses) to be eliminated if this program is implemented. (Program and course change forms must also be submitted for such related changes.)

The change in admission policy for LPNs entering the EMSON Bachelor of Science in Nursing Program is to insure consistency for all students entering the program who will be required to take the NCLEX at the completion of the program.

SECTION VII: Catalog Text and Format

In the box below, insert the current catalog text which is to be changed, with changes highlighted with the color yellow. Include all proposed changes identified in Section V. Only changes explicitly stated in Section V will be considered for approval by the University Course and Programs Committee, the Graduate Council and the Faculty Senate. If you are proposing a new program, give proposed text with all of the elements listed below. If you are proposing modified text, include these elements as appropriate.

Include the following elements, in order, in the catalog text for proposed undergraduate program(s) or program changes:

- State complete major/program name
- Briefly define or describe the major/program or discipline.
- Identify typical career goals or paths for graduates. (Optional)
- State admission requirements (if any) for entry or entry into upper/advanced level of major/program.
- Identify location in catalog of university, college/school, and department/program requirements which the student must meet in addition to hours in the major, but do not restate these requirements.
- State course requirements in the major and any allied areas, giving number of hours and specific courses; specify electives or elective areas and give numbers of hours and courses in elective pools or categories; identify any other course requirements.
- State any other requirements (required GPA, internship, exit exam, project, thesis, etc.).
- Identify name and requirements for each concentration (if any).
- Specify whether a minor or other program component is allowed or required and provide details.
- State eight-semester plan requirements

For minors, state requirements in terms of hours, required courses, electives, etc.

For graduate program/units, include elements (as needed) parallel to those listed for undergraduate programs above.

For Law School program/units, prepare text consistent with current catalog style.

For centers, prepare text consistent with current catalog style.

1. College admission requirements.
2. Eleanor Mann School of Nursing admission policies.
3. Completion of the general education studies. (L.P.N. students who have completed 45 hours of the required general studies may petition for exception to the nursing admission policy if MATH 1203, EDFD 2403, and NURS 2012 have been completed.)
3. All prerequisite coursework for a fall admission into the Professional program of Study in Nursing must be completed by the end of the spring semester with the exception of the three pre-nursing course (NURS 2012, NURS 2022, NURS 2032), which may be taken in the summer session prior to entering the program of study in the fall. All coursework for spring admission must be completed by the end of the fall semester prior to entering the Professional Program of Study in Nursing in the spring.
4. Completion of an Arkansas State Board-approved L.P.N. or L.P.T.N. program or an NLNAC accredited out-of-state program.
5. Review of nursing courses for transfer credit by the School of Nursing.
6. Proof of, and maintenance of, an unencumbered license to practice as an L.P.N. or L.P.T.N. in the state of Arkansas and any other state.
8. Advanced placement may vary based on the length of time since completion of the L.P.N. or L.P.T.N. and the length of time of (or since) nursing employment.
7. Credit for courses listed below will be held in escrow. The student will receive credit for these courses upon successful completion of the program.
 NURS 3313
 NURS 2032
 NURS 3422/3424
8. Students may receive credit for NURS 3634/3643 through validation examination.

In the box below, insert the current catalog text which is to be changed, with changes highlighted with the color yellow. Include all proposed changes identified in Section V. Only changes explicitly stated in Section V will be considered for approval by the University Course and Programs Committee, the Graduate Council and the Faculty Senate. If you are proposing a new program, give proposed text with all of the elements listed below. If you are proposing modified text, include these elements as appropriate.

Include the following elements, in order, in the catalog text for proposed undergraduate program(s) or program changes:

- State complete major/program name
Foundations of Sustainability
- Briefly define or describe the major/program or discipline.
The 'Foundations of Sustainability' minor is conceived as an outstanding undergraduate curriculum that will provide students with foundational knowledge of sustainability as well as hands-on, inquiry based investigations of a broad spectrum of topics in sustainability and introduce them to analytical skills useful to the solution of societal issues related to sustainability. Students will be challenged and enabled to address significant problems in sustainability through a requirement to engage in service learning, research learning, or internship experiences focused on various aspects of sustainability.

The 'Foundations of Sustainability' minor is intended to be interdisciplinary, drawing from faculty and coursework across all colleges of the university. 'Foundations of Sustainability' is also intended to be accessible to all undergraduate students, regardless of degree program. As such, it represents a new model for interdisciplinary study in higher education. The proposed minor is intended to be developed leveraging existing faculty expertise and courses at the University of Arkansas main campus in Fayetteville.
- Identify typical career goals or paths for graduates. (Optional)
- State admission requirements (if any) for entry or entry into upper/advanced level of major/program.
Current student or new admission in good standing
- Identify location in catalog of university, college/school, and department/program requirements which the student must meet in addition to hours in the major, but do not restate these requirements.
Student must complete a major in other college, school or department program within the University of Arkansas
- State course requirements in the major and any allied areas, giving number of hours and specific courses; specify electives or elective areas and give numbers of hours and courses in elective pools or categories; identify any other course requirements.
2 core gateway courses – 3 credit hours each, 1 required capstone course – 3 credit hours, and three electives – with a total of 9 credit hours (See schedule next page)
- State any other requirements (required GPA, internship, exit exam, project, thesis, etc.)
Students must earn a grade of 'C' or better for all courses used to fulfill requirements of the Foundations of Sustainability Minor; Capstone experience composed of thesis, service learning, internship or research with requirement to present results in a public forum.

Purpose and Goals

Fundamentals of Sustainability is an interdisciplinary course designed to introduce undergraduate students to basic concepts and theories of sustainability at global, regional and local levels. The course is organized around four major thematic areas of sustainability: social systems, natural systems, managed systems and built systems.

The aim of this course is to increase the environmental literacy of students and pave the way for both the creative and persistent engagement of sustainability concerns into the students' own disciplines.

Social Systems

A brief overview concerning who, what, how, and why behind specific social behaviors and dynamics leading to the global environmental crisis will be examined. Theories of social justice and equity are reviewed with a focus on how to improve sustainability for future outcomes. This section will also look at the relationship between social inequality (resource allocation) and sustainability. This uneven

distribution of resources impacts certain subgroups more than others; particular attention will be paid to discussing the effects of unequal resource distribution on the poor, indigenous, racial/ethnic minorities, women, and the place-bound in both urban and rural areas.

Natural Systems

Natural Systems provides a modern contextual view of Earth as a closed system with respect to matter and develops concepts of material transfers among various components of the Earth System (atmosphere, hydrosphere, geosphere, biosphere). Emphasis is on developing fundamental understanding of systems science, material transfers and mass balance as a means of understanding complex Earth processes. Introduction to the importance of quantitative measures to document environmental change as well as progress toward or retreat from sustainability will be provided. Interconnectedness of Earth processes and implications of interactions among Earth systems will also be discussed.

Built Systems

Design and construction of buildings with related infrastructure have an adverse effect on the preservation of natural resources and quality of the environment. In this part of the course, we address the sustainable theories and concepts in the context of the built world, with the promise they hold in shaping a better environment, and in changing our views on human-nature relations. Three broad topics will be addressed in the following sequence: regional planning and land use considerations, site-landscape planning and ecological design and production of buildings.

Managed Systems

Managed Systems address foundations of life cycle analysis, agricultural production-distribution mechanisms, customer good production, business, law and policy. The evolution of agricultural systems and the foundations of agricultural practices for meeting sustainability objectives will be examined. Business foundations for sustainability will be covered, including ethics, the role of consumer preferences and the optimization of sustainability objectives throughout the supply chain. A policy implementation approach will provide an exploration of the pertinent US legal system, the roles of international law and the World Trade Organization, and the foundations of environmental law.

Required Texts and Supporting Materials

Texts, supplemental reading and instructional materials will be derived from a combination of chapters from published textbooks, publicly available government and United Nations reports or monographs, sustainability content in the public domain from Internet resources or government agencies, government research laboratories, and non-governmental organizations (NGO's). Additional materials will be developed as needed.

SUST 2103 Application of Sustainability Syllabus

Faculty

Multi-disciplinary team from ARSC, ARCH, AFLS, ENGR, COEHP, WCOB and LAW faculty

Social Systems	Prof. Kevin Fitzpatrick
Natural Systems	Prof. Steve Boss
Built Systems	Prof. Tahar Messadi
Managed Systems	TBD

Supporting faculty- Carol Gattis, Jon Johnson, Marty Matlock, Kim La Scola Needy, Harrison Pittman and Greg Benton

Prerequisites	SUST 1103
Term	FALL 2011

Purpose and Goals

Building on the content developed in SUST 1103, this multidisciplinary course is designed to introduce students to practical applications of sustainability from multiple perspectives. Bringing together thematic domains of knowledge, i.e., the natural, managed, built and social systems, this course will be taught by University of Arkansas faculty and outside experts to provide a wide range of interest and experience focusing on sustainable development.

A meaningful comprehension of sustainability necessitates a blend of multidisciplinary and specialized learning. In this second course, students, campus-wide, will be exposed to concepts and practices that go beyond the confines of their discipline.

Ultimately, this course will help students identify a particular area of interest they wish to focus upon in their minor of sustainability studies.

Social Systems

In this course, Social Systems studies will focus on three primary areas. The first content area explores the human and social behaviors that have helped create this global ecological crisis. Who is responsible and what can we do to change the outcome will be explored. The second content area examines the relationship between the ecological dynamics and global change and its impact on human health and well-being. The final area explores the uneven distribution of resources around the world and how this global ecological crisis has unfairly impacted the poor, indigenous, racial/ethnic minorities, women, and the place-bound in both urban and rural areas. Environmental/social justice issues continue to be an important part of the sustainability story.

Natural Systems

Principles of natural systems learned in Foundations of Sustainability (SUST 1103) will be incorporated to understand the global carbon cycle. Students will learn about measurement and assessment of greenhouse gases as a component of the global carbon cycle. They will also study the biosphere as a global carbon cycle component, and discuss services rendered to humanity by world ecosystems. In addition, the impact of civilization on the functioning of ecosystems and the global carbon cycle will be explored.

Built Systems

The Built Systems will be focused on the range of methods, techniques, and strategies pertaining to the evaluation and design of a sustainable built environment. Students are challenged to advance creative development scenarios for smart growth of the built environment at the regional, urban and local level. They will understand the advantages of place-based resource conservation, low impact development, livable communities, smart growth and sustainable land management in the planning of cities, buildings and landscapes.

Managed Systems

The managed systems unit will explore how agriculture and business engage and respond to sustainability initiatives throughout the supply chain. The first half of this segment is devoted to a discussion of the competing definitions of sustainability adopted in agriculture and the major efforts within the agricultural community to identify and measure environmental, economic and social sustainability metrics. The remainder of the unit examines issues in enforcement of sustainability and challenges to balancing the goals of sustainability throughout the agricultural and consumer good supply chains.

Project Assignment

In general, the method of *participatory action research* should guide the inquiry. Rather than define the concept of sustainability in just purely linguistic terms, students will work in teams to address the problem and propose a strategy for solving it in social, environmental, business, legal, spatial and economic terms. All assigned work shall be documented via a portfolio to be presented at the end of the semester.

A semester long project will be assigned by end of the first week, and the formation of the research teams will be facilitated by the teaching assistants. The research project will be conducted by multidisciplinary teams of 4-5 students. No team should have more than two members from a single discipline.

Research will be focused on understanding real problems and proposing real solutions in a sustainable fashion. This final project will be filtered through the ethical, environmental, legal, business-economic, and social implications. The faculty will explain the specifics of the project, and define all the benchmarks to be attained. The project description and specifics remain to be developed.

Required Texts and Supporting Materials

Texts, supplemental reading and instructional materials will be derived from a combination of chapters from published textbooks, publicly available government and United Nations reports or monographs, sustainability content in the public domain from Internet resources or government agencies, government research laboratories, and non-governmental organizations (NGO's). Additional materials will be developed as needed by participating course faculty.

APPENDIX III: Proposed Policies & Procedures for SUST 4103 Capstone Project in Sustainability

University of Arkansas Undergraduate Sustainability Minor

SUST 4103 - Capstone Project in Sustainability Syllabus

Faculty

Multi-disciplinary team from ARSC, ARCH, AFLS, ENGR, COEHP, WCOB and LAW faculty

Teaching Assistant: TBD

Pre-requisites: SUST 1103, SUST 2103, 6 hours of electives in Foundations of Sustainability minor, senior standing or permission of instructor

Term: Spring, Fall, Summer

Time and Place: TBD

CH: 3 Hours

COURSE DESCRIPTION

SUST 4103, CAPSTONE PROJECT IN SUSTAINABILITY, provides students with practical experience focused on service, internship and/or research learning in sustainability. Engagement in community service, work on specific research projects, or other activities related to sustainability offers opportunities for students to integrate as well as synthesize theories and principles learned from prior coursework toward the praxis of sustainability. SUST 4103 is a requirement for students to satisfy the capstone element of the Foundations in Sustainability minor. Students may formally petition the University of Arkansas Sustainability Curriculum Steering Committee (UA SCSC) to substitute sustainability-oriented senior design projects, Honors College research projects, other service learning courses, or equivalent internship experiences for SUST 4103 to satisfy the capstone element of Foundations in Sustainability minor.

Service Learning

Service learning brings together community service and focused academic learning development. The student will perform community service in the field while meeting with their advisor to discuss, assess and reflect on their experience in response to a specific, well-defined learning framework. Service learning offers the opportunity to critically address a wide range of theoretical frameworks presented in class.

Internship Learning

Internship learning is a work-integrated learning program. Through field-based experience, students have the opportunity to strengthen their qualifications and gain a valuable learning experience about sustainability. Internships are to be jointly supervised by a faculty member and a qualified on-site supervisor who will give structure and parameters to the field experience for specific learning outcomes.

Research Learning

Research learning is work that is developed by the student with direction from a faculty member that enables a student to develop an approach for learning about a particular issue of sustainability. Students may choose to conduct work that is purely literature based or the result of field experiments, surveys, observations, and a variety of acceptable standard research protocols. If necessary, students will be required to obtain IRB approval of their project if their work addresses sustainability issues under the human and animal subject parameters.

COURSE ORGANIZATION

Seminar – 3 Weeks of the Semester

This seminar, planned to meet twice for each of the first three weeks of the semester, is designed to help students specifically propose, organize, and plan their internships, service learning opportunities, or integrative research projects. Students will have an opportunity to better understand the purpose behind service/research learning, while at the same time developing a proposal for their project. Faculty will articulate the precise requirements and standards for the project, expectations for the timing and completion of the project, and acceptable methods for reporting the findings and presenting the final product.

Capstone Experience – 10 Weeks of the Semester

For the remainder of the semester, students will be involved in their own individually or team designed service/research projects. Each project must be approved by the UA Sustainability Curriculum Steering Committee and the student's faculty-advisor. Students will need to maintain a daily journal of their work and be cognizant of their overall project design and the collection of information throughout this experience. Each student will need to report on the significance of their project as it relates to the four thematic areas defined in the Foundations of Sustainability minor. The modalities to help the program administration, the steering committee and faculty-advisors guide and approve the student's selection of the capstone project will be established.

Capstone Project Presentation

Each student will make a presentation at the end of his or her capstone experience. While the steering committee will make some accommodation for students in both spring and summer semesters, a final presentation in the form of a poster session will be developed in which all students are expected to participate. The details of the presentations and the requirements for students will be discussed in the first three weeks of the semester.

Standards and Minimum Criteria for the Capstone Project

Comprehensive reviews of potential capstone projects will be undertaken to develop protocols that will assist (steering committee, faculty-advisors and students) all participants in determining the viability of any capstone project. Protocols will be developed for each venue: service learning, internship learning and research learning, and will outline the minimum requirements to be fulfilled by each student in the pursuit of the capstone project.

E-Portfolio + Capstone Project Submission

A final report of the capstone project shall be included in the student's e-Portfolio. These portfolios will contain a chronology of the student's experience since enrolling in the Sustainability minor. In addition, the e-portfolio will be important to helping coordinate the last step towards the fulfillment of the Minor requirements, such as deadline of submission, presentation, grading, etc.

The 'Foundations of Sustainability' minor is interdisciplinary, drawing from faculty and course work across all colleges of the University of Arkansas. 'Foundations of Sustainability' is also accessible to all undergraduate students, regardless of degree program. The purpose of the minor in 'Foundations of Sustainability' is to provide foundational knowledge and skills related to the emerging discipline of Sustainability organized around four thematic areas reflecting strength in scholarship of University of Arkansas academic colleges: Sustainability of Social Systems, Sustainability of Natural Systems, Sustainability of Built Systems, and Sustainability of Managed Systems. Students who complete the minor in Foundations of Sustainability will be expected to:

DRAFT CATALOG COPY: UNDERGRADUATE MINOR IN FOUNDATIONS OF SUSTAINABILITY

1. articulate commonly accepted definitions of sustainability and discuss various nuances among those definitions;
2. have an understanding of the interdisciplinary nature of sustainability issues, particularly as they pertain to the thematic areas of knowledge addressed by the minor (sustainability of natural systems, sustainability of managed systems, sustainability of built systems, and sustainability of human social systems);
3. be conversant regarding acquisition and analysis of data pertinent to sustainability issues;
4. communicate orally, and in writing organized thoughts defining sustainability issues;
5. identify appropriate potential strategies to address sustainability issues using data and provide results of rudimentary analyses of data using novel metrics or statistics;
6. make recommendations, based on data analysis and interpretation, to advance sustainability of individuals or institutions.

Required Courses for Foundations of Sustainability Minor – U. of Arkansas Fayetteville

Students must earn a grade of 'C' or better for all courses used to fulfill requirements of the Foundations of Sustainability Minor

Capstone Experience

All students participating in the Foundations of Sustainability minor must complete a capstone experience focused on service learning, research learning, or internship in sustainability. Student engagement in community service, research, or relevant work on sustainability through a summer internship provides opportunities for students to apply sustainability theories and principles learned from prior coursework toward advancing sustainability across society.

Students may formally petition the University of Arkansas Sustainability Curriculum Steering Committee (UA SCSC) to substitute sustainability-oriented senior design projects, Honors College research projects, other service learning courses, or equivalent internship experiences for SUST 4103 to satisfy the capstone element of Foundations in Sustainability minor. Details of the procedure to substitute alternative experiences for SUST 4103 can be found in the Foundations of Sustainability Program Handbook.

To qualify for SUST 4103 or other sustainability capstone experience, students must have successfully completed SUST 1103, SUST 2103, and 6 hours of elective course work toward the Foundations of Sustainability minor.

4. Proposed effective date: 1 January 2011
5. Title of degree program: Not Applicable
6. CIP Code: 30.3301, Sustainability Studies
7. Degree Code: Not Applicable
8. Proposed option/concentration/emphasis name: Undergraduate Minor in Foundations of Sustainability
9. Reason for proposed action:

In February 2007, UAF was among the first 100 signatories to the American College and University Presidents Climate Commitment. Among the commitments to which UAF pledged was a promise to develop undergraduate curricula with emphasis on sustainability. In addition, UAF administration, faculty, staff, and students have expressed interest in offering sustainability curricula at the institution. Development of this curriculum will attract the next generation of students to our campus.

10. New option/concentration/emphasis objective:

The primary objective of the proposed undergraduate minor in Foundations of Sustainability will be to introduce students to fundamental knowledge forming the basis of the emerging discipline of Sustainability. This foundational knowledge includes an interdisciplinary approach to complex problem solving using appropriate analytical techniques. During the last decade, emerging knowledge confirmed widespread degradation of global environmental quality and habitats consequent to activities necessary to accommodate burgeoning human population on Earth. In response to growing concerns regarding the ability of humanity to perpetuate civilization over the long-term, many members of the academy increased efforts to bring various global crises to public attention. The result was a resurgence in thought regarding 'sustainability' and emergence of a widespread movement among academicians to raise awareness of the tenuous environmental situation for the general public as well as constituents at their academic institutions. Recent events surrounding the blowout of the Deepwater Horizon oil well in the Gulf of Mexico dramatically illustrate the "Tragedy of the Commons" and the interdependence of human societies and economies on ecological services and natural resources. Thus, it is time to enhance the educational experience of undergraduate students through focused study on Foundations of Sustainability. Of particular importance in this regard is the development of student understanding of the importance of measurement to track progress toward or retreat from sustainability. Measurement of sustainability

trends and trajectories is an emerging discipline of critical importance ecologically, economically, and socially.

The proposed minor is intended to be developed leveraging existing faculty expertise and courses at the University of Arkansas main campus in Fayetteville. The objective of the Foundations of Sustainability minor will be to add value to many degrees earned by students at the University of Arkansas. Students will acquire foundational understanding of sustainability as a legitimate area of knowledge that is strongly interdisciplinary. Philosophical principles of sustainability will be taught alongside interdisciplinary methods and techniques. The result will be a well-rounded overview providing both theoretical and practical experiences in the emerging field of sustainability. The Foundations of Sustainability minor will enable students to be conversant and informed regarding sustainability, emerging sustainability-oriented careers, and sustainability decision making in their various disciplines.

The 'Foundations of Sustainability' minor is intended to be interdisciplinary, drawing from faculty and coursework across all colleges of the university. 'Foundations of Sustainability' is also intended to be accessible to all undergraduate students, regardless of degree program. As such, it represents a novel model for interdisciplinary study in higher education.

11. Provide the following:

a. Curriculum outline - List of required courses

Required Courses for Foundations of Sustainability Minor – U. of Arkansas Fayetteville
Students must earn a grade of 'C' or better for all courses used to fulfill requirements of the Foundations of Sustainability Minor.

Hours	Courses
3	SUST 1103 Fundamentals of Sustainability
3	SUST 2103 Applications of Sustainability
9	Elective courses with sustainability focus selected from a broad menu of offerings in 4 thematic areas (See Item 16 below):
	Sustainability of Natural Systems
	Sustainability of Managed Systems
	Sustainability of Built Systems
	Sustainability of Human Social Systems

Elective courses are categorized as Tier 1 (courses with dominant sustainability content or fundamental principles related to understanding sustainability) and Tier 2 (courses with subordinate sustainability content or fundamental principles related to understanding sustainability, but useful in preparing students with pre-requisite knowledge for Tier 1 courses). Students in Foundations of Sustainability minor must complete at least 6 hours of their 9 hour electives in Tier 1 courses. Complete lists of Tier 1 and Tier 2 courses by thematic areas are presented below in section 16

b. New course descriptions

SUST 1103 Fundamentals of Sustainability: Course provides an overview of the foundational principles of sustainability beginning with discussion of widely accepted definitions of sustainability and governing principles for understanding the three pillars of sustainability (Ecology/Environment, Economics, and Equity). Also serves to introduce students to the structure and meaning of thematic areas (sustainability of natural systems, sustainability of managed systems, sustainability of built systems, and sustainability of human social systems) for

the Foundations of Sustainability minor. Required gateway course for all students in the Foundations of Sustainability minor. No pre-requisites. 3 hours

SUST 2103 Application of Sustainability: Course builds on knowledge gained in SUST 1103 by introducing students to data gathering, data analysis with interpretation and synthesis of data applied to problems in sustainability. The course provides students with opportunities for hands-on, inquiry-based investigation of sustainability issues across four thematic areas (sustainability of natural systems, sustainability of managed systems, sustainability of built systems, and sustainability of human social systems). Group or individual projects are completed within each course module. Required gateway course for all students in the Foundations of Sustainability minor. Pre-requisite: SUST 1103. 3 hours

SUST 4103 Capstone Project in Sustainability: A capstone experience focused on service learning, research learning, or internship in sustainability required for students enrolled in Foundations of Sustainability minor. Student engagement in community service, research, or relevant work on sustainability through a summer internship or equivalent experiences provides opportunities for students to apply sustainability theories and principles learned from prior coursework toward advancing sustainability across society. SUST 4103 is the preferred requirement for students to satisfy the capstone element of Foundations in Sustainability minor. Pre-requisites: SUST 1103, SUST 2103, 6 hours of elective coursework in Foundations of Sustainability minor and senior standing or permission of the professor(s). 3 hours.

c. Program goals and objectives

The goal of the minor in Foundations of Sustainability is to add value to undergraduate degrees earned at the University of Arkansas by providing students with theoretical and practical applications of sustainability metrics across a number of thematic areas. This goal will be achieved through development of an outstanding undergraduate curriculum that will provide students with foundational knowledge of sustainability as well as hands-on, inquiry based investigations of a broad spectrum of topics in sustainability and introduce them to analytical skills useful to the solution of societal issues related to sustainability. Students will be challenged and enabled to address significant problems in sustainability through data collections and measurement. A significant requirement of the minor will be to engage in service learning, research learning, or internship experiences focused on various quantitative aspects of sustainability.

d. Expected student learning outcomes

Students who complete the minor in Foundations of Sustainability will be expected to:

1. articulate commonly accepted definitions of sustainability and discuss various nuances among those definitions;
2. have an understanding of the interdisciplinary nature of sustainability issues, particularly as they pertain to the thematic areas of knowledge addressed by the minor (sustainability of natural systems, sustainability of managed systems, sustainability of built systems, and sustainability of human social systems);
3. be conversant regarding acquisition and analysis of data pertinent to sustainability issues;
4. communicate orally, and in writing organized thoughts defining sustainability issues;
5. identify appropriate potential strategies to address sustainability issues using data and provide results of rudimentary analyses of data using novel metrics or statistics;
6. make recommendations, based on data analysis and interpretation, to advance sustainability of individuals or institutions.
7. Earn a grade of 'C' or better for all courses used to fulfill requirements of the Foundations of Sustainability Minor.

12. Will the new option be offered via distance delivery? No

13. Mode of delivery to be used:

Standard college courses with in-class, face-to-face meetings for enrolled students at the University of Arkansas - Fayetteville

14. Explain in detail the distance delivery procedures to be used: Not Applicable**15.** Is the degree approved for distance delivery? No**16.** List courses in option/concentration/emphasis. Include course descriptions for new courses.

Student engagement in community service, research, or relevant work on sustainability through a summer internship provides opportunities for students to apply sustainability theories and principles learned from prior coursework toward advancing sustainability across society. Students may formally petition the University of Arkansas Sustainability Curriculum Steering Committee (UA SCSC) to substitute sustainability-oriented senior design projects, Honors College research projects, other service learning courses, or equivalent internship experiences for SUST 4103 to satisfy the capstone element of Foundations in Sustainability minor. Pre-requisites: SUST 1103, SUST 2103, 6 hours of elective coursework in Foundations of Sustainability minor and senior standing or permission of professor(s). 3 hours.

List of Available Elective Courses (students choose 9 hours from menus below; at least 6 hours must be chosen from Tier 1 courses):

Elective courses are categorized as Tier 1 and Tier 2. Tier 1 courses are those with dominant sustainability content or fundamental principles related to understanding sustainability. Tier 1 courses must comprise at least 6 hours of the 9 elective hours in the Foundations of Sustainability Minor.

Tier 2 courses are those with subordinate sustainability content or associated principles related to understanding sustainability, but with content useful in preparing students with pre-requisite knowledge for Tier 1 courses. Only 3 hours of Tier 2 courses will be accepted in fulfillment of the elective hours in the Foundations of Sustainability Minor.

Additionally, students must earn a grade of 'C' or better for all courses used to fulfill requirements of the Foundations of Sustainability Minor.

Budget Justification:

Co-Directors: Owing to the interdisciplinary nature of the Foundations of Sustainability minor, co-directors are proposed in order to maintain the interdisciplinary focus and interdisciplinary integrity of the program by providing administrative balance and consideration to all stakeholders. Co-Directors will have responsibility for all program oversight functions, program quality and data reporting, program evaluation and assessment, and will co-chair the University of Arkansas Sustainability Curriculum Steering Committee. The co-directors will share an equal split of financial resources for a single Program Director position to be created for this program. In accord with UA policies and procedures, the Co-director salary will be based on 25% of the 9-month faculty salary (Each co-director will be awarded salary equivalent to 12.5% of the 9-month faculty salary).

Administrative Specialist I: Financial resources for a 0.5-time Administrative Specialist I are requested. Duties of this program staff person will be maintaining student records, referring inquiries regarding the program to appropriate steering committee members or faculty, general file keeping, assistance with program recruitment, assistance with program data collection and compilation in aid to assessment and evaluation needs.

Graduate Assistants: Two 0.25-time graduate assistants are requested to provide teaching support to faculty involved in SUST 1103 and SUST 2103 and to assist with tracking of student experiential learning during summer months. It is recommended that these GA's be assigned to the Environmental Dynamics PhD program (ENDY) such that individuals chosen for these positions will generally be doctoral students in the ENDY program and familiar with foundational principles of sustainability. The requested stipend is equal to the base stipend of other GA positions in the ENDY program.

Fringe Benefits are requested at standard rates for unclassified/classified personnel and graduate assistants at UA.

A Program Maintenance budget of \$6,000/year is requested to offset costs of telephone service, copying for curriculum needs, general office supplies, printing of recruitment materials for distribution to campus stakeholders and university recruitment initiatives, program web site development and continuous maintenance, and other miscellaneous costs associated with program administration.

Tuition Remission for graduate assistantships is requested at the rate commensurate with 0.25-time assistantships (7.5 hours of graduate tuition annually).

Faculty Release: Understanding the commitment of faculty from various colleges/departments to teaching needs of SUST 1103, SUST 2103, and SUST 4103, funds are requested to compensate departments for the purpose of hiring replacement instructors if needed.

Steering Committee Stipend: Requested to recognize the significant commitment that participation on this steering committee will require. Committee functions will include 1) development of policies and procedures for sustainability academic programs at UA, 2) oversight and review of requests for new sustainability courses or academic programs in sustainability, 3) oversight and review of experiential learning projects required for SUST 4103, 4) student submissions and presentations related to SUST 4103 experiential learning requirement, 5) organization of annual student poster presentations for SUST 4103, 6) student advising for the Foundations of Sustainability minor, 7) teaching assignments and content in SUST 1103 and SUST 2103.

Purpose and Goals

Fundamentals of Sustainability is an interdisciplinary course designed to introduce undergraduate students to basic concepts and theories of sustainability at global, regional and local levels. The course is organized around four major thematic areas of sustainability: social systems, natural systems, managed systems and built systems.

The aim of this course is to increase the environmental literacy of students and pave the way for both the creative and persistent engagement of sustainability concerns into the students' own disciplines.

Social Systems

A brief overview concerning who, what, how, and why behind specific social behaviors and dynamics leading to the global environmental crisis will be examined. Theories of social justice and equity are reviewed with a focus on how to improve sustainability for future outcomes. This section will also look at the relationship between social inequality (resource allocation) and sustainability. This uneven distribution of resources impacts certain subgroups more than others; particular attention will be paid to discussing the effects of unequal resource distribution on the poor, indigenous, racial/ethnic minorities, women, and the place-bound in both urban and rural areas.

Natural Systems

Natural Systems provides a modern contextual view of Earth as a closed system with respect to matter and develops concepts of material transfers among various components of the Earth System (atmosphere, hydrosphere, geosphere, biosphere). Emphasis is on developing fundamental understanding of systems science, material transfers and mass balance as a means of understanding complex Earth processes. Introduction to the importance of quantitative measures to document environmental change as well as progress toward or retreat from sustainability will be provided. Interconnectedness of Earth processes and implications of interactions among Earth systems will also be discussed.

Built Systems

Design and construction of buildings with related infrastructure have an adverse effect on the preservation of natural resources and quality of the environment. In this part of the course, we address the sustainable theories and concepts in the context of the built world, with the promise they hold in shaping a better environment, and in changing our views on human-nature relations. Three broad topics will be addressed in the following sequence: regional planning and land use considerations, site-landscape planning and ecological design and production of buildings.

Managed Systems

Managed Systems address foundations of life cycle analysis, agricultural production-distribution mechanisms, customer good production, business, law and policy. The evolution of agricultural systems and the foundations of agricultural practices for meeting sustainability objectives will be examined. Business foundations for sustainability will be covered, including ethics, the role of consumer preferences and the optimization of sustainability objectives throughout the supply chain. A policy implementation approach will provide an exploration of the pertinent US legal system, the roles of international law and the World Trade Organization, and the foundations of environmental law.

Required Texts and Supporting Materials

Texts, supplemental reading and instructional materials will be derived from a combination of chapters from published textbooks, publicly available government and United Nations reports or monographs, sustainability content in the public domain from Internet resources or government agencies, government research laboratories, and non-governmental organizations (NGO's). Additional materials will be developed as needed.

Term FALL 2011

Purpose and Goals

Building on the content developed in SUST 1103, this multidisciplinary course is designed to introduce students to practical applications of sustainability from multiple perspectives. Bringing together thematic domains of knowledge, i.e., the natural, managed, built and social systems, this course will be taught by University of Arkansas faculty and outside experts to provide a wide range of interest and experience focusing on sustainable development.

A meaningful comprehension of sustainability necessitates a blend of multidisciplinary and specialized learning. In this second course, students, campus-wide, will be exposed to concepts and practices that go beyond the confines of their discipline.

Ultimately, this course will help students identify a particular area of interest they wish to focus upon in their minor of sustainability studies.

Social Systems

In this course, Social Systems studies will focus on three primary areas. The first content area explores the human and social behaviors that have helped create this global ecological crisis. Who is responsible and what can we do to change the outcome will be explored. The second content area examines the relationship between the ecological dynamics and global change and its impact on human health and well-being. The final area explores the uneven distribution of resources around the world and how this global ecological crisis has unfairly impacted the poor, indigenous, racial/ethnic minorities, women, and the place-bound in both urban and rural areas. Environmental/social justice issues continue to be an important part of the sustainability story.

Natural Systems

Principles of natural systems learned in Fundamentals of Sustainability (SUST 1103) will be incorporated to understand the global carbon cycle. Students will learn about measurement and assessment of greenhouse gases as a component of the global carbon cycle. They will also study the biosphere as a global carbon cycle component, and discuss services rendered to humanity by world ecosystems. In addition, the impact of civilization on the functioning of ecosystems and the global carbon cycle will be explored.

Built Systems

The Built Systems will be focused on the range of methods, techniques, and strategies pertaining to the evaluation and design of a sustainable built environment. Students are challenged to advance creative development scenarios for smart growth of the built environment at the regional, urban and local level. They will understand the advantages of place-based resource conservation, low impact development, livable communities, smart growth and sustainable land management in the planning of cities, buildings and landscapes.

Managed Systems

The managed systems unit will explore how agriculture and business engage and respond to sustainability initiatives throughout the supply chain. The first half of this segment is devoted to a discussion of the competing definitions of sustainability adopted in agriculture and the major efforts within the agricultural community to identify and measure environmental, economic and social sustainability metrics. The remainder of the unit examines issues in enforcement of sustainability and challenges to balancing the goals of sustainability throughout the agricultural and consumer good supply chains.

Project Assignment

In general, the method of *participatory action research* should guide the inquiry. Rather than define the concept of sustainability in just purely linguistic terms, students will work in teams to address the problem and propose a strategy for solving it in social, environmental, business, legal, spatial and economic terms. All assigned work shall be documented via a portfolio to be presented at the end of the semester.

A semester long project will be assigned by the end of the first week, and the formation of the research teams will be facilitated by the teaching assistants. The research project will be conducted by multidisciplinary teams of 4-5 students. No team should have more than two members from a single discipline.

Research will be focused on understanding real problems and proposing real solutions in a sustainable fashion. This final project will be filtered through the ethical, environmental, legal, business-economic, and social implications. The faculty will explain the specifics of the project, and define all the benchmarks to be attained. The project description and specifics remain to be developed.

Required Texts and Supporting Materials

Texts, supplemental reading and instructional materials will be derived from a combination of chapters from published textbooks, publicly available government and United Nations reports or monographs, sustainability content in the public domain from Internet resources or government agencies, government research laboratories, and non-governmental organizations (NGO's). Additional materials will be developed as needed by participating course faculty.

APPENDIX III: Proposed Policies & Procedures for SUST 4103 Capstone Project in Sustainability

University of Arkansas Undergraduate Sustainability Minor

SUST 4103 - Capstone Project in Sustainability Syllabus

Faculty

Multi-disciplinary team from ARSC, ARCH, AFLS, ENGR, COEHP, WCOB and LAW faculty

Teaching Assistant: TBD

Pre-requisites: SUST 1103, SUST 2103, 6 hours of electives in Foundations of Sustainability minor, senior standing or permission of instructor

Term: Spring, Fall, Summer

Time and Place: TBD

CH: 3 Hours

COURSE DESCRIPTION

SUST 4103, CAPSTONE PROJECT IN SUSTAINABILITY, provides students with practical experience focused on service, internship and/or research learning in sustainability. Engagement in community service, work on specific research projects, or other activities related to sustainability offers opportunities for students to integrate as well as synthesize theories and principles learned from prior coursework toward the praxis of sustainability. SUST 4103 is a requirement for students to satisfy the capstone element of the Foundations in Sustainability minor. Students may formally petition the University of Arkansas Sustainability Curriculum Steering Committee (UA SCSC) to substitute sustainability-oriented senior design projects, Honors College research projects, other service learning courses, or equivalent internship experiences for SUST 4103 to satisfy the capstone element of Foundations in Sustainability minor.

Service Learning

Service learning brings together community service and focused academic learning development. The student will perform community service in the field while meeting with their advisor to discuss, assess and reflect on their experience in response to a specific, well-defined learning framework. Service learning offers the opportunity to critically address a wide range of theoretical frameworks presented in class.

Internship Learning

Internship learning is a work-integrated learning program. Through field-based experience, students have the opportunity to strengthen their qualifications and gain a valuable learning experience about sustainability. Internships are to be jointly supervised by a faculty member and a qualified on-site supervisor who will give structure and parameters to the field experience for specific learning outcomes.

Research Learning

Research learning is work that is developed by the student with direction from a faculty member that enables a student to develop an approach for learning about a particular issue of sustainability. Students may choose to conduct work that is purely literature based or the result of field experiments,

surveys, observations, and a variety of acceptable standard research protocols. If necessary, students will be required to obtain IRB approval of their project if their work addresses sustainability issues under the human and animal subject parameters.

COURSE ORGANIZATION

Seminar – 3 Weeks of the Semester

This seminar, planned to meet twice for each of the first three weeks of the semester, is designed to help students specifically propose, organize, and plan their internships, service learning opportunities, or integrative research projects. Students will have an opportunity to better understand the purpose behind service/research learning, while at the same time developing a proposal for their project. Faculty will articulate the precise requirements and standards for the project, expectations for the timing and completion of the project, and acceptable methods for reporting the findings and presenting the final product.

Capstone Experience – 10 Weeks of the Semester

For the remainder of the semester, students will be involved in their own individually or team designed service/research projects. Each project must be approved by the UA Sustainability Curriculum Steering Committee and the student's faculty-advisor. Students will need to maintain a daily journal of their work and be cognizant of their overall project design and the collection of information throughout this experience. Each student will need to report on the significance of their project as it relates to the four thematic areas defined in the Foundations of Sustainability minor. The modalities to help the program administration, the steering committee and faculty-advisors guide and approve the student's selection of the capstone project will be established.

Capstone Project Presentation

Each student will make a presentation at the end of his or her capstone experience. While the steering committee will make some accommodation for students in both spring and summer semesters, a final presentation in the form of a poster session will be developed in which all students are expected to participate. The details of the presentations and the requirements for students will be discussed in the first three weeks of the semester.

Standards and Minimum Criteria for the Capstone Project

Comprehensive reviews of potential capstone projects will be undertaken to develop protocols that will assist (steering committee, faculty-advisors and students) all participants in determining the viability of any capstone project. Protocols will be developed for each venue: service learning, internship learning and research learning, and will outline the minimum requirements to be fulfilled by each student in the pursuit of the capstone project.

E-Portfolio + Capstone Project Submission

A final report of the capstone project shall be included in the student's e-Portfolio. These portfolios will contain a chronology of the student's experience since enrolling in the Sustainability minor. In addition, the e-portfolio will be important to helping coordinate the last step towards the fulfillment of the Minor requirements, such as deadline of submission, presentation, grading, etc.

- Change Total Hours (Complete all sections of the form except "Proposed Name" in II, section III, and section IV.)
- Change in Program Policies

SECTION VI: Justification

Justify this change and state its likely effect on any other degree program (including those outside the school or college). Identify any program or program components (other than courses) to be eliminated if this program is implemented. (Program and course change forms must also be submitted for such related changes.)

The Translation MFA program has been deemed unproductive based on current ADHE minimum productivity requirements. ADHE minimum productivity requirements for master's level degree programs is an average of 4 students per year over a 5 year period. The Translation MFA program has produced a total of 5 MFA graduates since 2005. The last MFA in Translation degree was awarded in 2008. The 5 year average of degrees awarded is 1 per year.

Concurrent with the proposal to remove the MFA Translation degree program as a separate, stand-alone program, we are proposing changes to the Creative Writing MFA program which will bring students interested in Translation under the Creative Writing umbrella.

SECTION VII: Catalog Text and Format

In the box below, insert the current catalog text which is to be changed, with changes highlighted with the color yellow. Include all proposed changes identified in Section V. Only changes explicitly stated in Section V will be considered for approval by the University Course and Programs Committee, the Graduate Council and the Faculty Senate. If you are proposing a new program, give proposed text with all of the elements listed below. If you are proposing modified text, include these elements as appropriate.

Include the following elements, in order, in the catalog text for proposed undergraduate program(s) or program changes:

- State complete major/program name
- Briefly define or describe the major/program or discipline.
- Identify typical career goals or paths for graduates. (Optional)
- State admission requirements (if any) for entry or entry into upper/advanced level of major/program.
- Identify location in catalog of university, college/school, and department/program requirements which the student must meet in addition to hours in the major, but do not restate these requirements.
- State course requirements in the major and any allied areas, giving number of hours and specific courses; specify electives or elective areas and give numbers of hours and courses in elective pools or categories; identify any other course requirements.
- State any other requirements (required GPA, internship, exit exam, project, thesis, etc.).
- Identify name and requirements for each concentration (if any).
- Specify whether a minor or other program component is allowed or required and provide details.
- State eight-semester plan requirements

For minors, state requirements in terms of hours, required courses, electives, etc.

For graduate program/units, include elements (as needed) parallel to those listed for undergraduate programs above.

For Law School program/units, prepare text consistent with current catalog style.

For centers, prepare text consistent with current catalog style.

Delete the Translation section of the graduate catalog.

SECTION V: Proposed Changes to an Existing Program or Program Policies

Insert here a statement of the exact changes to be made: Changing Creative Writing program to address students interested in Translation.

Check if either of these boxes apply and provide the necessary signature:

- Program change proposal adds courses offered by another academic college, and that college dean's office has been notified. The signature of the dean of that academic college is required here: _____
- Program change proposal deletes courses offered by another academic college, and that college dean's office has been notified. The signature of the dean of that academic college is required here: _____

Check all the boxes that apply and complete the required sections of the form:

- Change of Name and Code (Complete only sections I, II, V and VII.)
- Change Course Requirements: (Complete all sections of the form except "Proposed Name" in II, section III, and section IV.)
- Change Delivery Site/Method (Complete all sections of the form except "Proposed Name" in II, section III, and section IV.)
- Change Total Hours (Complete all sections of the form except "Proposed Name" in II, section III, and section IV.)
- Change in Program Policies

SECTION VI: Justification

Justify this change and state its likely effect on any other degree program (including those outside the school or college). Identify any program or program components (other than courses) to be eliminated if this program is implemented. (Program and course change forms must also be submitted for such related changes.)

The proposed curriculum changes are designed to incorporate Translation students into the existing MFA Creative Writing Program.

Concurrent with this proposal, the current MFA in Translation is being proposed to be deleted as a stand-alone program, and students interested in Translation will be brought under the umbrella of Creative Writing. Translation students will complete coursework equal to the coursework completed by our students creative writing. Students in the MFA for Creative Writing may focus in one of three creative writing areas: Poetry, Fiction, or Translation.

In addition, we will no longer have a Director of Translation and a Director of Creative Writing. Under the proposed changes, one person, the Director of Creative Writing, will oversee all students, advising, budgetary matters, visiting writers, fellowships, awards, and application processes.

These changes will solve or simplify a number of issues that have continued to trouble our separate programs (Creative Writing and Translation) and they will provide students pursuing study in Translation a more fully realized, structured and equal experience.

SECTION VII: Catalog Text and Format

In the box below, insert the current catalog text which is to be changed, with changes highlighted with the color yellow. Include all proposed changes identified in Section V. Only changes explicitly stated in Section V will be considered for approval by the University Course and Programs Committee, the Graduate Council and the Faculty Senate. If you are proposing a new program, give proposed text with all of the elements listed below. If you are proposing modified text, include these elements as appropriate.

Include the following elements, in order, in the catalog text for proposed undergraduate program(s) or program changes:

- State complete major/program name
- Briefly define or describe the major/program or discipline.
- Identify typical career goals or paths for graduates. (Optional)
- State admission requirements (if any) for entry or entry into upper/advanced level of major/program.
- Identify location in catalog of university, college/school, and department/program requirements which the student must meet in addition to hours in the major, but do not restate these requirements.
- State course requirements in the major and any allied areas, giving number of hours and specific courses; specify electives or elective areas and give numbers of hours and courses in elective pools or categories; identify any other course requirements.
- State any other requirements (required GPA, internship, exit exam, project, thesis, etc.).
- Identify name and requirements for each concentration (if any).
- Specify whether a minor or other program component is allowed or required and provide details.
- State eight-semester plan requirements

For minors, state requirements in terms of hours, required courses, electives, etc.

For graduate program/units, include elements (as needed) parallel to those listed for undergraduate programs above.

For Law School program/units, prepare text consistent with current catalog style.

For centers, prepare text consistent with current catalog style.

M.F.A. (CRWR)

The program leading to the degree of Master of Fine Arts in Creative Writing provides graduate level training in creative writing and in the study of literature. Areas of expertise include poetry, fiction and translation.

Requirements for the MFA in Creative Writing:

Courses: 60 hours are required for the M.F.A.

Candidates with an M.A. degree in English literature may apply up to a maximum of 18 hours toward the M.F.A.

1. Required Writing and Craft Courses

a. Writing Workshop (15 to 24 semester hours)

b. Craft of Fiction, Poetry or Translation (9 hours total: 6 hours in student's primary genre; 3 hours in second genre)

c. Contemporary Fiction and Poetry (9 hours total: 6 hours in student's primary genre; 3 hours in second genre)

2. Other Courses

18-30 hours of English literature or approved courses at the advanced level (4000 or higher).

Students interested in Translation will, in consultation with their advisors, develop a program of courses and other requirements tailored to their interest areas. Candidates with a B.A. degree that does not include a major in English may be required to take additional courses.

Comprehensive Examination: A written examination covering critical terms, crafts, and readings in the candidate's genre.

Thesis:

An M.F.A. thesis may be either a collection of poems or stories or a novel. For students whose primary genre of interest is in Translation, the thesis will consist of a significant body of work (i.e., poems, stories, or a novel) translated from the original language into English. The thesis for all students should be of the quality of those works currently published by national magazines, by literary journals, and by legitimate book publishers.

MFA candidates who take less than 24 hours of workshop may count 6 hours of thesis credit for their degree required hours. MFA candidates who take 24 hours or more of workshop may count only 3 hours of thesis credit for their degree required hours.

Final Examination: A one-hour oral examination on the thesis. Awarding of the M.F.A. degree requires approval of the faculty committee.

All students working toward the degree will plan their specific programs in consultation with their advisors. All degree requirements must be completed within six consecutive calendar years from the date of first enrollment.
